Planning and Development Services Department

Thank you for your service and work on the San Marcos Workforce Housing Task Force. Please complete the following survey based on your involvement in the process and the resulting draft of the Strategic Housing Action Plan.

1. Do you think the Action Plan moves us towards greater housing affordability in San Marcos?

☐ Less than expected ☐ As expected ■ More than expected

Why?

I appreciate that COSM has started down this path towards housing for all. As a long term San Marcos resident, I've seen San Marcos grow so fast. These new goals and strategies will help direct the City into a better and more inclusive future.

2. Are there proposed strategies or actions that you think will not lead the City towards greater affordability.

■ None ☐ As expected ☐ More than expected

If so, what are they and why are they important?

No plan is perfect, but these strategies will do more to bring the City into a more inclusive community.

3. Do you think that the process to develop the Action Plan has achieved its goals of being inclusive, transparent, accessible, and accountable?

☐ Less than desirable ☐ As expected ☐ Better than expected ■ Consistently met goals

Why?

This process has been entirely transparent since the beginning. Information was always readily available and staff happy to help.

4. What strategies or actions are you most excited about and why?

Land Bank - Help people get the start they need by assissting with the most expensive starter piece.
Improve current housing stock - by improving and maintaining current housing stock we are able to create a legacy for the future residents to enjoy.
