Task Force Evaluation

Workforce Housing Task Force

Planning and Development Services Department

Thank you for your service and work on the San Marcos Workforce Housing Task Force. Please complete the following survey based on your involvement in the process and the resulting draft of the Strategic Housing Action Plan.

1. Do you think the Action Plan moves us towards greater housing affordability in San Marcos?

☐ Less than expected ■ As expected ☐ More than expected

Why?

Lays out clear action items to be picked and executed in the short term and long term.

2. Are there proposed strategies or actions that you think will not lead the City towards greater affordability.

☐ None ■ As expected ☐ More than expected

If so, what are they and why are they important?

I think there are action items that have greater possible outcomes. I also think there are a couple action items that don't have minimal marginal return based on the amount of man hours and money it would take to execute. But I think those will be worked out and / or not utilized because of the way the action plan is set up.

3. Do you think that the process to develop the Action Plan has achieved its goals of being inclusive, transparent, accessible, and accountable?

☐ Less than desirable ☐ As expected ■ Better than expected ■ Consistently met goals

Why?

I expected to come out of this with a hand full of solutions that would be executed over the next couple years but instead we have multiple hand fulls of solutions we can execute over a decade or more.

4. What strategies or actions are you most excited about and why?

A2, B1, B3, C4, D1, D2, E3, E4, F1 and F2

Thank you very much for taking the time to complete this survey. Your feedback is valued and very much appreciated!
