Shavon,

Hope all is well. I wanted to follow up on the voicemail I left you on Monday (5/18). As I mentioned in my voicemail, TDHCA just recently informed us that we did not include the Greater Than 20% HTC Households Resolution in the resolution for Redwood approved by City Council in February. As a result, we will unfortunately need to go back to City Council to get this additional resolution approved.

I have included a draft of the Greater Than 20% HTC Households Resolution from TDHCA. What steps need to be taken to get us on the City Council agenda as soon as possible?

Feel free to call me if you have any questions.

Thank you,
