

RESTRICTIVE COVENANT AGREEMENT

THIS RESTRICTIVE COVENANT AGREEMENT (this "**Agreement**") is made and entered into as of the _____ day of _____, 20____, by and between Highlander SM One, LLC, a Texas limited liability company ("**Highlander**"), and Donald W. Tuff and Germaine Tuff ("**Tuffs**", and together with Highlander, the "**Owner**"), and the City of San Marcos, Texas (the "**City**").

RECITALS:

A. Highlander is the owner of a tract of land totaling approximately 135.912 acres situated in Hays County, Texas, more particularly described in Exhibit "A", attached hereto, and the Tuffs are the owner of a tract of land totaling approximately 63.578 acres situated in Hays County, Texas, more particularly described in Exhibit "A-1", attached hereto (collectively, the "**Property**").

B. Owner submitted an application to the City on September 17, 2025 for the rezoning of the Property to Light Industrial pursuant to Zoning Request ZC-25-02 (the "**Zoning Case**").

C. A data center is expected to be built on the Property. For purposes of this Agreement, a "data center" is a property classification, which means a building or buildings primarily used to house computer systems and associated components, such as telecommunications and storage system.

D. The City has required this Agreement in connection with the Zoning Case in order to permit the development of a data center on the Property, and the Owner desires to subject the Property to the terms of this Agreement.

NOW, THEREFORE, in consideration of the sum of Ten and No/100 Dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which the parties hereby acknowledge, the Owner and the City do hereby agree as follows:

1. **Establishment of Restrictive Covenant.** All of the recitals above are incorporated herein. The Parties hereto agree and acknowledge that the Property shall be held, sold, transferred, conveyed and occupied subject to the following:

(A) The following uses and activities are prohibited on the Property:

- (i) Warehouse and Distribution*
- (ii) Waste-Related Service*

** As such uses are defined in the 2025 San Marcos Development Code.*

(B) If a data center is constructed on the Property, the data center will utilize a closed-loop, non-evaporative cooling system or similar system to cool the technology assets in the

data center. Regardless, water usage at the data center will not exceed 235 LUEs or 75,000 gallons per day.

(C) If a data center is constructed on the Property, drainage facilities shall be designed and constructed so that the rate of runoff from a site after construction shall be ten percent (10%) less than the runoff prior to construction for the two (2), ten (10), twenty five (25), and one hundred (100) year storm frequencies.

(D) If a data center is constructed on the Property, water quality facilities will be constructed that meet a Total Suspended Solid (TSS) removal requirement of at least 80% for the site.

(E) If a data center is constructed on the Property, the impervious cover for a data center will be no more than 70% of the Property.

(F) If a data center is constructed on the Property, Owner will pursue a LEED (Leadership in Energy and Environmental Design) certification for the buildings within twelve (12) months from the date of the final certificate of occupancy and commissioning of building systems for the last building to be constructed on the Property and a copy of the submitted application will be made available to the City of San Marcos for inspection.

(G) If a data center is constructed on the Property, then the noise level maximums set forth in Section 7.4.2.1(A) of the City of San Marcos Land Development Code as in effect on the date hereof shall be 75 decibels as measured from either the closest public right-of-way to the Property or from the property line of the complainant per Section 7.4.2.1(B) of the City of San Marcos Land Development Code in effect on the date hereof.

(H) If a data center is constructed on the Property, during construction the following requirements will be met and reasonable signage on the jobsite in both English and Spanish will list these standards:

- Compliance with all relevant local, state, and federal safety laws;
- All construction workers on the project will be paid by check or direct deposit, or other commercially used payment method, including electronic or other payment methods that are customary in the industry;
- All construction workers on the project will be covered by workers' compensation insurance as required by state or federal law;
- All construction workers on the project will receive personal protective equipment, free of charge if not already provided by the employer as required by state or federal law;
- All safety supervisors on the project will be current on their 30-hour, OSHA approved construction worker safety class prior to commencing construction work as

required by state or federal law.

2. **Remedies.** The City and Owner may pursue any remedies available at law or in equity to enforce the provisions of this Agreement, including the recovery of reasonable attorney's fees and court costs.

3. **No Waiver.** The failure of the City or Owner to avail itself of any of the privileges, rights, covenants, agreements, terms and conditions of this Agreement for any period of time or at any time shall not be construed or deemed to be a waiver thereof, and nothing herein contained, nor anything done or omitted to be done by the City or Owner pursuant hereto, shall be deemed a waiver by the other of any of its rights and remedies hereunder or under the laws of the State of Texas. The enforcement of any right or remedy hereunder by the City, either prior to, simultaneously with, or subsequent to any other action taken hereunder, shall not be deemed an election of remedies.

4. **Modification.** This Agreement may not be modified or amended unless such modification or amendment has been reduced to writing approved by the city council of the City and signed by all of the then-existing owners of the Property or portions thereof, and by the City, and has been recorded in the Official Public Records of Hays County, Texas.

5. **Binding Effect.** The obligations created hereunder shall create mutual benefits and servitudes running with the land. This Agreement shall bind and inure to the benefit of the parties hereto and their respective successors, heirs and assigns.

6. **Partial Invalidity.** If any provision of this Agreement shall be or become invalid, illegal or unenforceable in any respect under any applicable law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired thereby.

7. **Term.** Unless earlier terminated as provided herein, this Agreement shall be in effect for a period of twenty (20) years from the date hereof, i.e. this Agreement shall expire on the 20th anniversary of the date of this Agreement set forth above. Upon expiration of the twenty (20) year term, this Agreement shall automatically expire and be of no further force or effect.

8. **Misc. Provisions.** This Agreement may only be enforced by the Owner and the City. The City may not assign this Agreement. Owner may assign this Agreement. There are no third party beneficiaries to this Agreement. Upon Owner's request and within thirty (30) days of the request, the City agrees to provide Owner written confirmation that Owner is not in violation of any provision in this Agreement. If as part of that written confirmation the City believes Owner is not in compliance with any provision, City will state with specificity the details related to the lack of compliance and specifically how Owner does not comply. Lenders and Tenants may rely on City's confirmation.

9. **Chapter 245.** This Agreement establishes vested rights of Owner pursuant to Chapter 245 of the Texas Local Government Code.

10. **Condition Precedent.** It is a condition precedent to the effectiveness of this Agreement that the rezoning of the Property pursuant to the Zoning Case has been fully and finally approved by the San Marcos City Council on or before March 18, 2026. If such rezoning is not

fully and finally approved by the San Marcos City Council by such date for any reason, then this Agreement shall expire on such date and thereafter shall be of no force or effect.

11. Default. If any party defaults under this Agreement, then the non-defaulting party will not exercise any remedies for such default unless the defaulting party fails to cure such breach within thirty (30) days following the non-defaulting party's delivery of written notice of such breach to the defaulting party by hand delivery or overnight mail; provided, however, that if the particular default cannot reasonably be cured within thirty (30) days, then such 30-day cure period will be extended for up to two (2) additional thirty (30) day periods to allow the defaulting party a reasonable opportunity to cure its breach, so long as the defaulting party commences the required cure within such 30-day period and thereafter diligently pursues the same to completion.

12. No Dedication. Nothing in this Agreement shall ever constitute or be construed as a dedication of any interest herein described to the public or give any member of the public any right whatsoever.

CONSENT AND SUBORDINATION

First Financial Bank (“Lienholder”), as the holder of certain lien(s) on the Property set forth in deed of trust recorded as Document No. _____, Official Public Records, Hays County, and other liens and security interests in the Property (collectively, the “Liens”), consents to this Restrictive Covenant Agreement. Lienholder subordinates the Liens to this Restrictive Covenant Agreement, so that a foreclosure of the Liens will not extinguish the Restrictive Covenant Agreement.
