Current Designation “Conservation/Cluster”

- *“To identify areas to conserve and reserve for future development as a means of focusing more intensive development in other areas of the community. Development that does occur within conservation and reserve areas should be low impact to the natural environment by using a variety of development techniques and strategies.*
- Allows Character Districts, “MH” Manufactured Housing, “CM” Commercial, “FD” Future Development and “Low Intensity” Planning Areas.

Proposed Designation “Commercial Employment Low”

- *“To facilitate lower density, auto-oriented retail, office, and industrial type uses. Primarily characterized by light to heavy industrial, warehouse and distribution, lower density office, and general commercial; additional uses may include civic, institutional, and hospitality. ”*
- Allows all Special Districts except for Manufactured Housing, Character Districts 4 and 5, and “Employment Center” Planning Areas.
