Dear Debbie Dietz and San Marcos City Council:

Thank you for giving me the opportunity to serve the City of San Marcos by volunteering on the Parks and Recreation Board. I am truly honored to be selected. However, it is with regret that I tender my resignation from the Parks and Recreation board, effective immediately. When I applied for the boards and commissions, my availability was more flexible than it has now become. Last week, I had a successfully funded indiegogo campaign that will now allow me to leave for a comedy tour (amomination.com) of the southwest United States while creating a documentary film. Because this project will be time consuming and require me to travel fairly extensively this summer and fall, I believe it is best for me to be realistic about my current time commitments. I am grateful for having had the opportunity to serve on the board, and I offer my best wishes for its continued success.

I love San Marcos, Texas with all of my heart, and I am hopeful that I will be able to serve my community in another capacity in 2016 when I have concluded the post-production portion of my current project. Thank you for understanding, and I'm certain I will see you on or near the river sooner rather than later.

Truly,

Kelly Stone, MA, CHES
