“I reviewed Eden’s Conditional Use Permit (CUP) and the posted maximum occupancy of 98 people, which they were clearly exceeding at the time of my investigation. The CUP also specified that outdoor amplified music was prohibited between opening hours and 2230 hours. Amplified music was played outdoors and in violation of that restriction. Additionally, I observed several patrons leaving the building while carrying alcoholic beverages. I also observed patrons on the outdoor patio passing alcoholic beverages to individuals standing outside of the establishment by reaching over the wooder pallet fencing that enclosed the patio area. “
