

## Police Calls at Tantra (217 W Hopkins St)

Date	Type	Description
8/3/2024 9:33:00 PM	Noise Complaint	<p>Could not locate noise meter at station 1 and retrieved one from PD. While enroute I spoke to complaint. she was standing in middle of HEB when she called PD. stated we should outfit every PD car with a noise meter. Explained that these types of calls are very infrequent and would not be fiscally responsible to purchase noise meters due to that reason. Had a good convo with complaint on phone. Upon arrival at Tantra, noise was shut off. Spoke to management and had a cordial convo. Verified that their noise meter was comparable to PD noise meters by Db read. Management was well aware of noise ordinance and stated they were taking proactive steps to remain in compliance.</p>
