3. **Tax Increment Reinvestment Zone.**

a. **Creation.** The City agreed in the Development Agreement to consider creation of Zone No. 4, upon the satisfaction of certain conditions set forth in the Development Agreement, for the purpose of reimbursing the Developer for the costs of certain public infrastructure and improvements to the Property in Zone No. 4 as set forth in Exhibit "B" attached hereto (the "Improvements"). In connection with creation of Zone No. 4, the City will consider approval of an ordinance (the "Ordinance") which will dedicate a certain percentage of increase in value from the base value as of the year of designation of Zone No. 4. Any reference to revenues in this Agreement means only that percentage of incremental value the City designates pursuant to the Ordinance together with any amount agreed to be contributed by Hays County, Texas (the "County") pursuant to the Interlocal Agreement between the City and the County.

b. Time and Amount of Reimbursement. Subject to the conditions stated in this Agreement, the City agrees to reimburse the Developer annually from revenues received through capturing the tax increment from Zone No. 4 as provided in the Ordinance. The City will deduct any third party administrative fees for administering Zone No. 4 prior to remitting payment to the Developer. (iii) An audit of costs requested for reimbursement has been prepared by an individual or firm acceptable to the City and the Developer and approved by the City. The form of the audit will be as agreed to between the City and Developer but will be similar in form to that used by water districts in the State to reimburse developers in accordance with the rules of the Texas Commission on Environmental Quality.

At the sole discretion of the City and based upon such terms and conditions as determined, the City may issue bonds in one or more series in an aggregate principal amount not to exceed \$46,000,000 which bonds will be payable solely from the tax increment funds including the tax increment revenues. Any net proceeds of bonds remaining after payment of costs of issuance and any other reserve funds and/or capitalized interest shall be remitted to the Developer within 60 days of delivery of the bonds subject to approval by the City of the reimbursement audit.

5. **Indemnity.** The Developer shall indemnify and hold the City and Zone No. 4 harmless from and against all losses, costs, damages, expenses and liabilities (herein collectively referred to as "Losses") of whatsoever nature, including, but not limited to, attorneys' fees, costs of litigation, court costs, amounts paid in settlement and amounts paid to discharge judgments relating to any claim, lawsuit, cause of action or other legal action or proceeding brought against the City and Zone No. 4, or to which the City and Zone No. 4 may be a party, even if groundless, false or fraudulent, directly, or indirectly resulting from, arising out of or relating to the acquisition, purchase or construction of the Improvements. In the event of any action brought against the City in which indemnification by the Developer is applicable, the City shall promptly give written notice to the Developer, and the Developer shall assume the investigation and defense of such action, including the employment of counsel and the payment of all expenses. The City and Zone No. 4 shall have the right, at their expense, to employ separate counsel and to participate in the investigation and defense of any such action. The Developer shall not be liable for the settlement of any such action made by the City and Zone No. 4 without the consent of the Developer; provided, however, that in the event of any settlement entered into with the consent of the Developer or of any final judgment for a plaintiff in such action, the Developer shall indemnify and hold the City and Zone No. 4 harmless from and against any losses incurred by reason of such settlement or judgment. If the defaulting party fails to fully cure the default specified in such notice within sixty days after receipt of such notice, or such other period of time as the City and the Developer may mutually agree upon, the nondefaulting party shall have the right to terminate this Agreement in full without liability of any kind to the defaulting party, and to thereafter pursue all other legal or equitable remedies, or, the nondefaulting party shall be entitled to a proper writ issued by a court of competent jurisdiction compelling and requiring the defaulting party to observe and perform the covenants, obligations and conditions described in this Agreement.
