

Steering Committee Voting - Survey Responses

	Q1: Based on the presentation provided by Staff, does the Blanco Gardens Neighborhood Area Plan balance the needs & challenges with opportunities for the neighborhood?	Q2: If you chose No, what is missing or needs to be revised in the plan to better reflect the wants and needs of the community? Please be as detailed as possible.	Q3: Do you recommend approval of the Area Plan document in order for it to move forward to Planning & Zoning Commission and City Council for consideration?	Q4: Are there any additional comments or feedback you would like to share with Staff?
Steering Committee Member 1	Yes	N/A	Yes	Single story structures only
Steering Committee Member 2	Yes	N/A	Yes	N/A
Steering Committee Member 3	Yes	N/A	Yes	Thank you for adding all of the trees! We just need to keep going around River Rd. and Cape Rd.
Steering Committee Member 4	Yes	N/A	Yes	I'd love to see more suggestion of purchase of open lots by the city to make pocket parks in the name of flood mitigation.
