II. QUESTIONS

All questions must be answered. Please type your answers.

OVERVIEW

1. What is the agency's or organization's mission?
 - a. Southside Community Center is dedicated to improving the quality of life for individuals and families in San Marcos and Hays County. Since our establishment, we have been committed to providing essential support services that include food assistance, medical care referrals, and temporary shelter during times of crisis. Our mission extends beyond immediate needs; we strive to uphold human dignity and empower our community members to achieve self-sufficiency. Through a range of programs, including transitional shelters, affordable senior housing, and emergency shelters, we aim to ensure every individual has access to safe and stable housing. Our efforts are driven by a belief in building a stronger, more resilient community where everyone can thrive.
2. Briefly summarize the program for which funding is being requested and the services it provides.
 - a. The Rapid Rehousing (RRH) program at Southside Community Center aims to help individuals and families transition from homelessness to stable housing. The program provides comprehensive support services, including housing search assistance, financial aid for rent and utilities, case management, and follow-up services to ensure long-term stability. By focusing on quick placement into permanent housing and ongoing support, the RRH program addresses immediate needs and fosters self-sufficiency among its participants.

COMMUNITY NEED AND JUSTIFICATION - 20 POINTS

1. Describe in detail the need for this program in San Marcos.

- a. San Marcos, Texas, faces a growing homelessness crisis, primarily driven by economic disparities, rising housing costs, and a shortage of affordable housing. Many residents, particularly low-income individuals and families, struggle to find and maintain stable housing. This issue is exacerbated by limited access to support services that can help prevent homelessness. The Rapid Rehousing (RRH) program addresses these challenges by providing immediate and comprehensive support to individuals and families in need.

By focusing on rapid placement into permanent housing and ongoing support, the RRH program not only addresses immediate housing needs but also promotes long-term self-sufficiency. This approach helps reduce the overall rate of homelessness in San Marcos and improves the quality of life for the community's most vulnerable members.

The need for the RRH program is critical as it fills a significant gap in the current social support system, providing a lifeline to those at risk of or experiencing homelessness. Its impact extends beyond immediate housing solutions, fostering a more stable and resilient community.

2. Has the need for this program been increasing in recent years?

- a. Yes, the need for the Rapid Rehousing program in San Marcos and Hays County has been steadily increasing in recent years. Economic conditions, including job losses, stagnant wages, and rising living costs, have intensified financial hardships for residents. In 2023, San Marcos reported a 15% increase in eviction filings compared to the previous year, reflecting the growing housing instability. The cost of housing continues to outpace income growth, with median rents rising by 8% annually over the past five years. This affordability gap has contributed to a rise in homelessness, with an estimated 12% increase in the homeless population in the county since 2020. These challenges underscore the critical need for programs providing rapid rehousing to address the immediate and growing needs of vulnerable populations in the area.

3. Client Information

Definitions:

Direct Client - individuals or families immediately affected or personally served by the helping agency.

Questions:

- a. Describe the direct clients for this program.
 - a. The direct clients for the Rapid Rehousing program at Southside Community Center are individuals and families in San Marcos and Hays County facing housing insecurity and economic challenges. This includes low-income families struggling with insufficient wages or job loss, seniors on fixed incomes unable to cover rising living costs, individuals experiencing homelessness or living in unstable housing situations, and youth and young adults navigating housing instability. These clients rely on the program for crucial support such as rental assistance, utility support, and rapid rehousing. The program also provides comprehensive case management to help clients stabilize their housing situations and move towards long-term self-sufficiency.
- b. How is the program marketed to direct clients? How do you find these clients?
 - a. The RRH program is marketed to direct clients through various channels, including local shelters, community centers, social service agencies, and online platforms. Outreach efforts involve collaboration with local organizations, faith-based groups, and community events to identify and connect with individuals and families in need. Case managers and outreach workers actively engage with the homeless population and those at risk of homelessness, ensuring that eligible clients are informed about the program and encouraged to apply. Additionally, referrals from partner organizations and word-of-mouth within the community play a crucial role in reaching potential clients.
- c. Expected total annual unduplicated direct clients who are City of San Marcos residents:
 - a. 50

IMPLEMENTATION - 15 POINTS

1. How exactly will these funds be used?
 - a. The funds will be utilized to hire additional case managers, enabling more personalized support for participants. Specific assistance will be provided for rental, utility payments, bus tickets, and lodging. Funds will also support a rapid rehousing specialist, the overall rapid rehousing program, and a childcare program. General operating expenses for improvements and service enhancements are included.
2. What specific, measurable outcomes or results do you hope to achieve with this program?
 - a. The program aims to transition a targeted number of individuals and families from homelessness to stable housing within the project period, reducing the average duration of homelessness among participants. We expect to increase the percentage of participants who maintain housing for at least six months after placement, enhance self-sufficiency through access to supportive services like childcare and healthcare, and increase community partnerships and volunteer engagement to support program goals.
3. List the title of each position for which funding is requested and the activities associated with those positions.
 - a. The funding will support key positions including the Program Director, who oversees the RRH project to ensure alignment with organizational goals and funding requirements. Case Managers will develop housing plans, provide support services, and monitor progress for participants. Housing Specialists will identify and secure suitable housing options, negotiate with landlords, and manage housing placements. A Volunteer Coordinator will recruit, train, and retain volunteers while coordinating their activities. Additionally, a Rapid Rehousing Specialist will focus on assisting individuals and families in finding and securing permanent housing.
4. If funding is not available at the requested amount, what is the minimum Human Services Grant funding needed to be able to run this program?
 - a. If full funding is not available, the minimum Human Services Grant funding required to effectively run the program would be \$30,000. This amount would allow us to maintain essential services such as case management, rental and utility assistance, and basic operational costs, ensuring the program continues to serve those in need.

IMPACT AND COST EFFECTIVENESS - 25 POINTS

1. Programs can provide value by deeply impacting the lives of a few, with effects that may ripple through generations, or by providing smaller but meaningful impact to a larger group. Describe in detail the impact this program will have on the identified need and on San Marcos residents.
 - a. The Rapid Rehousing (RRH) program will have a profound impact on San Marcos residents by addressing homelessness and providing a pathway to stable housing. The program aims to transition individuals and families from homelessness to stable housing, significantly reducing the average duration of homelessness. This will foster long-term stability, self-sufficiency, and improved quality of life, thereby creating positive ripple effects for future generations. By offering personalized case management, rental and utility assistance, and access to transitional shelters, the RRH program will directly address the critical need for housing and support services in the community.
2. Discuss the amount of overhead compared to program costs.
 - a. The majority of the RRH program's funding will be allocated directly to program costs, including case management, housing assistance, and support services. Overhead costs, such as administrative expenses and operational improvements, will be kept to a minimum to ensure that the bulk of the funds are used to directly benefit the program participants. This ensures a high level of efficiency and impact in delivering essential services to those in need.
3. Provide a brief description of other funding sources, volunteers, or in-kind donations that are expected to be used with this program.
 - a. The RRH program will leverage a combination of grants, donations, and in-kind contributions to support its operations. Partnerships with local businesses and community organizations will provide additional resources, such as food and supplies, while volunteer efforts will support the program's capacity. These additional funding sources and support mechanisms will enhance the program's sustainability and effectiveness in meeting its goals.

4. What has your organization done in the past two years to raise different funding for this program?
 - a. Although the RRH program is new and set to start in September 2024, Southside Community Center has been actively seeking different funding opportunities to support its launch. Over the past two years, the organization has applied for various grants, engaged in fundraising campaigns, and sought donations from individual donors and corporate sponsors. Additionally, partnerships with local organizations have been established to secure in-kind donations and volunteer support. These efforts ensure a solid foundation for the program's success and long-term sustainability.

COMMUNITY SUPPORT – 10 POINTS

1. Please submit 3-5 letters of reference that indicate strong local support for the program and the agency's ability to implement it as described in the application.
 - a. Completed.
2. How is the Board of Directors selected?
 - a. The Board of Directors at Southside Community Center is selected through a nomination process. Interested individuals submit Board interest forms, which are reviewed by the Nomination Committee. If deemed appropriate, the Nomination Committee refers these forms to the overall Board for consideration. Board members are elected in October to serve a four-year term and are eligible to serve two full terms. In case of a vacancy, a replacement board member may be elected to complete the unexpired term.
3. How often does the Board meet?
 - a. The Board meets regularly as required by the bylaws, which includes attending an annual workshop and monthly committee meetings. Attendance at these meetings is mandatory, and any board member who misses three consecutive meetings without an excuse may be considered inactive and eligible for removal with written notice.
4. What actions do Board members take to support the programs of the agency or organization?
 - a. Board members provide leadership and strategic governance, including developing and implementing the strategic plan, reviewing outcomes, approving budgets, and ensuring legal and fiduciary responsibilities are met. They also support fundraising efforts, make personal contributions, engage in volunteer work, and participate in recruiting new Board members. Board members are responsible for advocating for the agency, overseeing policies, and safeguarding the confidentiality of Southside's clients, staff, and volunteers.
5. How many volunteers does your agency or organization have and how many hours do they spend on the program requesting funding?
 - a. Southside Community Center engages approximately 900 volunteers who dedicate an estimated total of 1,800 hours to the program requesting funding. This significant volunteer effort supports the center's mission and ensures effective program delivery.

COUNCIL PRIORITIES - 30 POINTS

1. How long has this program served San Marcos residents? (10 points if at least 2 years)
 - a. The Rapid Rehousing (RRH) program is new and set to start in September 2024. Therefore, it has not yet served San Marcos residents for two years.
2. Does the agency have an office in San Marcos? (10 points if yes)
 - a. Yes, Southside Community Center has an office in San Marcos, providing a centralized location for its services and operations.
3. Describe how this funding creates an increase in services or an increase in the number of people served. (10 points)
 - a. This funding will significantly enhance the RRH program's capacity, allowing us to hire additional case managers and housing specialists, thereby increasing the number of individuals and families served. The funding will also support rental and utility assistance, bus tickets, lodging, and other vital services such as childcare. By expanding our team and resources, we can provide more comprehensive support and significantly reduce homelessness in San Marcos.

II. FUNDING RESTRICTIONS

By signing this application I certify the following to be true:

1. All Human Services Grant funding will be spent on San Marcos residents, except for school-based programs, in which case it may be spent within the San Marcos Consolidated Independent School District boundary.
2. Funding requested is not more than 50% of the total funding for the agency.
3. Funding will not be used to fund more than 20% of a full time position.
4. Agency has been in existence for at least 2 years. (This can include serving communities other than San Marcos.)

SOUTHSIDE COMMUNITY CENTER BOARD OF DIRECTORS INTEREST FORM

The Southside Community Center Board of Directors (Board) supports the work of Southside and provides leadership and strategic governance. Board members are familiar with, oversee and approve all policies of the Southside Community Center, participate in strategic planning and stay familiar with Southside programs and services.

Board member responsibilities include, but are not limited to:

- Leadership, governance, and oversight of Southside Community Center
- Supporting the mission of the Southside and committing to advocating for the agency in the community;
- Developing and implementing the Southside's strategic plan;
- Reviewing outcomes and agreed upon metrics for evaluating the impact of Southside Community Center, and regularly measuring its performance and effectiveness using those metrics;
- Reviewing agendas and supporting materials prior to Board and committee meetings;
- Approving the Southside's annual budget, audit reports, and material business decisions; being informed of, and meeting all, legal and fiduciary responsibilities;
- Shall care for property and funds and refer all legal matters concerning property owned by the Women's Division to the GBGM Executive Secretary of Community Centers.
- Contributing to an annual performance evaluation of the Executive Director;
- Recruiting potential Board members to fill vacancies on the Board;
- Ensuring that Board resolutions are carried out;
- Serving on committees or task forces and taking on special assignments;
- Agreeing to respect the dignity and privacy of all persons affiliated with Southside; safeguarding the confidentiality of Southside's clients, staff, and volunteers;
- Complying with the provisions of Southside Bylaws and working with the board to bring any areas of concern into compliance

Fundraising/volunteer work

- Board members should consider Southside a philanthropic priority. So that Southside can credibly solicit contributions from foundations, organizations, and individuals, each Board member is expected to make an annual contribution to Southside at a personally meaningful level.
- Board Members are expected to make a good faith effort to support the fundraising goals of Southside Community Center, which may include among other things, suggesting potential donors and contacting some, making calls and sending thank you letters, and actively engaging in planning and attending fundraising activities.
- In addition, Board Members are asked to do volunteer work at or on behalf of the Southside, as the need arises and schedule permits.

Board terms/participation

- Board interest forms are accepted at any time. Board Members are elected in October to serve a four-year term and are eligible to serve for two full terms. If there is a vacancy on the board, the Board may choose to elect a replacement board member to complete an unexpired term.
- Board members must meet the Board meeting attendance requirements set forth in the Bylaws, attend an annual workshop and attend committee meetings. Any board member who misses three consecutive meetings without excuse becomes inactive and is eligible for removal from the board with written notice.

Service on the Board is without remuneration, except for administrative support, travel, and accommodation costs in relation to Board Members' duties.

To express interest in continuing to serve on the Southside Board of Directors, please complete the attached form and return it to Southside Community Center ATTN: Chair of the Nominating Committee. Your interest form will be reviewed by the Nomination's Committee and, as appropriate, referred to the overall board for consideration as a possible member for the Southside Community Center Board of Directors.

Thank you for your ongoing support of Southside Community Center as we put God's love in action!

Independent Auditor's Report

To the Board of Directors of
Southside Community Center, Inc., and Subsidiaries

Opinion

I have audited the accompanying consolidated financial statements of Southside Community Center, Inc, and Subsidiaries, (not-for-profit organization), which comprise the consolidated statement of financial position as of September 30, 2022, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In my opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Southside Community Center, Inc., and Subsidiaries as of September 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted the audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of the report. I am required to be independent of Southside Community Center, Inc. and Subsidiaries and to meet other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southside Community Center, Inc. and Subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

My objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southside Community Center, Inc. and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in my judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southside Community Center, Inc. and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended September 30, 2022

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Southside Community Center, Inc. and subsidiaries, (the Center) incorporated on August 30, 1972 under the Texas Non-profit Corporation Act, is an agency of social concern committed to the development of the neighborhoods of San Marcos, Texas. The Center is governed by a Board of Directors represented by the primary local geographic neighborhoods, the United Methodist Church, and the community at large. The Center operates a homeless shelter and renovates homes for families in low-income neighborhoods and, since 1997, operates the Sunrise Village Center for senior citizens, which provides housing to qualified low-income elderly. Support for the Center's programs comes from governmental grants, donations, and revenues from summer work camp and multi-family residential real-estate rental activities.

Basis of presentation

The consolidated financial statements of the Center have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which require the Center to report information regarding its financial position and activities to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Center. These net assets may be used at the discretion of the Center's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donors' restrictions are temporary in nature; those restrictions will be met by actions of the Center or by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purposes for which the resource was restricted has been fulfilled, or both.

Cash and cash equivalents

For purposes of the statements of cash flows, the Center considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. As of September 30, 2022, the Center's cash and cash equivalents totaled \$233,860.

Fair Value Measurements

The Center reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. The hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

- Level 1 Inputs that are quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 Inputs other than quoted prices included in level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 Inputs that are unobservable for the asset or liability.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended September 30, 2022

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-
CONTINUED

The Center's current assets and liabilities are presented in the statement of financial position are Level 1. The Center has no Level 2 or Level 3 assets or liabilities. The carrying amounts reported in the statements of financial position approximate fair values because of the short maturities of those instruments.

Accounting for Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions.

Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized.

Contributed property and equipment are recorded at fair value at the date of donations.

Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Rental Income

Rental income is recognized from apartment rentals as it is earned. Rental payments received in advance are deferred until earned. All rental leases between the Center and the tenants are operating leases. As of September 30, 2022, no prepaid rent was accrued.

Other Assets

Permanent loan fees of \$28,313 are amortized over the life of the loan and recorded net of accumulated amortization of \$11,325 as of September 30, 2022.

Advertising Costs

Advertising costs are expenses as incurred. Advertising expenses for the year ended September 30, 2022, was \$3,268.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the Center's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Center's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the Center's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Center's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

Tax Status

The Center is incorporated exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code (IRC), though it would be subject to tax on income unrelated to its exempt purposes. The tax year is still open to audit for both federal and state purposes.

Property and Equipment

Property and equipment are recorded at cost or at estimated fair value at the date of donation. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. The Center follows the practice of capitalizing all expenditures of property and equipment exceeding \$100 with an estimated useful life of one year or longer. Depreciation is provided using the straight-line method over the estimated useful lives of the assets from 5 to 39 years. Depreciation of \$80,575 was recognized for the year ended September 30, 2022.

New Accounting Pronouncement

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842), which requires lessees to recognize leases on the balance sheet and disclose key information about leasing arrangements. The new standard requires the lessee to recognize lease liability on the statement of financial position for leases greater than 12 months. Leases will be classified as finance or operating, with classification affecting the pattern and classification of the expense recognition in the statement of activities. The effective date for this standard has been delayed to annual reporting periods beginning after December 15, 2021.

NOTE B - SECURITY DEPOSITS AND FUND RESERVES

Operating and Maintenance reserves

The Center maintains reserve accounts for the accumulation of funds to pay for operating deficits and maintenance expenditures as they arise. The total reserve funds as of September 30, 2022, equaled \$119,883.

Tenant security deposits

The Center holds tenant security deposits in a separate bank account. Disbursements from the security deposit accounts consist of refunding tenants' security deposits and for repairs caused by the tenant's occupancy. As of September 30, 2022, security deposits accounts totaled \$12,850.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended September 30, 2022

NOTE E - LEASES

The Center has two operating lease agreements for copier rental at a minimal monthly payment of \$296. Total lease payments for fiscal year 2022 totaled \$3,930.

NOTE F - DONOR RESTRICTED NET ASSETS

Donor restricted net assets as of September 30, 2022, included reserve funds of \$119,883 and security deposits of \$12,850.

NOTE G - LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

The Center's financial assets available within one year of the financial position date for general expenditures consist of \$233,860 of cash and cash equivalents. The Center's primary sources of cash flows during the year are from governmental grants, rental income, and program revenues. These revenue sources provide a consistent inflow of cash throughout the year.

NOTE H - SUBSEQUENT EVENTS

The Center has evaluated subsequent events through April 6, 2023, which is the date the financial statements were available to be issued.

To address homelessness, communities should take a coordinated approach, moving from a collection of individual programs to a community-wide response that is strategic and data driven. Communities that have adopted this approach use data about the needs of those experiencing homelessness to inform how they allocate resources, services, and programs.

Coordinated entry, also known as coordinated assessment or coordinated intake, is a process designed to quickly identify, assess, refer and connect people in crisis to housing and assistance, no matter where they show up to ask for help. It can pave the way for more efficient homeless assistance systems by:

- Helping people move through the system faster to housing;
- Reducing new entries into homelessness by consistently offering prevention and diversion resources upfront; and
- Improving data collection and quality and providing accurate information on what kind of assistance consumers need.

Currently there is no Master Case Management System in use in the SM area. We will be developing and implementing the usage of this type of holistic system, particularly in HMIS, as a part of our strategic plan. Additionally, there is no centralized center or hub for intake and outreach when it comes to individuals and families experiencing homelessness.

This card will house the steps needed to implement a coordinated entry plan of action. Southside's signed MOU is attached below.

Dear City of San Marcos (Housing and Community Development Department),

I am writing to express my heartfelt support for the Southside Community Center and to share my personal experience and insights since joining this incredible organization in May 2024 as the Bookkeeper.

Working at Southside Community Center has been a profoundly eye-opening and enriching experience. Every day, I witness firsthand the remarkable impact that our programs and services have on the lives of our neighbors in San Marcos and Hays County. From providing specific assistance programs and laundry services to offering temporary shelter and affordable housing, Southside is a beacon of hope and support for those facing adversity.

One of the most striking aspects of Southside is the tight-knit and compassionate community we foster. Our staff and volunteers are deeply committed to our mission of preserving human dignity and promoting self-sufficiency. The sense of solidarity and mutual support among our team and the individuals we serve is truly inspiring. We work closely with our neighbors, building relationships based on trust, respect, and empathy.

However, despite our unwavering dedication and the significant positive impact we have on the community, we are continually challenged by limited funding. The demand for our services far exceeds our current financial resources, which constrains our ability to provide comprehensive support to all those in need. We regularly encounter situations where additional funding could make a critical difference, whether it's expanding our transitional shelter capacity, enhancing our specific assistance programs, or providing increased daily meals.

The need for increased funding is urgent. With additional financial support, we could not only sustain our current programs but also expand our reach and develop new initiatives to better serve our community. More funding would allow us to help more families secure safe and affordable housing, provide more nutritious meals to those facing food

insecurity, and offer more comprehensive services to ensure our neighbors have the resources they need to thrive.

I am deeply committed to Southside's mission and am passionate about the work we do. Every day, I see the positive changes we bring about, and I am constantly reminded of the endless potential for further impact if we had more resources at our disposal. Our community is resilient and full of promise, and with the necessary support, we can continue to uplift and empower our neighbors, fostering a brighter future for all.

I urge you to consider supporting Southside Community Center. Your contribution would have a profound and lasting effect on the lives of countless individuals and families in our community. Together, we can make a meaningful difference and continue the legacy of compassion and support that defines Southside.

Thank you for your time and consideration.

Sincerely,

Dear recipients,

I am writing to express my heartfelt support for Southside Community Center and its invaluable services, which have had a profound impact on the lives of individuals and families in our community. As someone who has personally experienced the transformative power of their programs, I can attest to the essential role Southside Community Center plays in fostering hope, stability, and self-sufficiency among our neighbors.

The Shelter Meals Program at Southside Community Center has been a lifeline for many, including myself. Through this program, nutritious meals are provided not only to those residing in the transitional shelter but also to anyone in need. This initiative ensures food security and promotes health and well-being, contributing significantly to the overall stability and resilience of our community.

In addition to the meals program, Southside Community Center offers a wide array of services that address the needs of our community. The housing assistance, laundry services, mail access, daily hygiene kits, showers, and specific assistance have been instrumental in helping many of us regain our footing during challenging times.

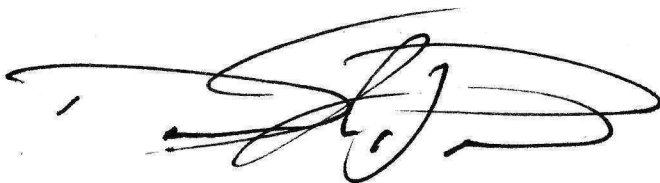

Southside Community Center's holistic approach extends beyond immediate assistance. The organization is deeply committed to fostering a sense of dignity and empowerment among its clients. By offering comprehensive support and creating opportunities for personal and economic growth, Southside Community Center helps individuals and families build a brighter future.

The dedication and compassion exhibited by the staff and volunteers at Southside Community Center are truly inspiring. Their unwavering commitment to serving the community has created a network of support that empowers individuals to overcome adversity and thrive. The impact of Southside Community Center's work is evident in the countless success stories of those who have benefited from their services, myself included.

In conclusion, I wholeheartedly endorse Southside Community Center and its mission. Their programs are essential to the well-being and prosperity of our community. Continued support and funding for Southside Community Center will ensure that they can continue to provide these vital services and create lasting positive change for many more individuals and families.

Thank you for considering my letter of support. I am confident that with your backing, Southside Community Center will continue to make a significant difference in the lives of those they serve.

Sincerely,

Hello my name is John,

I enjoy the employees I have interacted with. They have such a big heart and have accepted me from the beginning. I appreciate the many services provided such as the transitional shelter, the laundry services, and the showers. I have used the lockers and the daily meals that are provided. I wouldn't know what to do without the services that have been provided to me.

Sincerely,

Dear Recipient,

I am writing to express my strong support for the Southside Community Center and its invaluable contributions to our community. As group leader for the Connection Church in Buda, TX, I have had the privilege of working closely with the center and have witnessed firsthand the profound impact of their programs.

The Southside Community Center provides essential services such as specific assistance, transitional housing, daily meals, laundry services, and summer and winter shelter programs. These services are crucial for our community members, especially those facing adversity. Additionally, the center offers rental assistance and case management which foster a sense of belonging and well-being.

The center's commitment to uplifting individuals and families is evident in the numerous success stories and positive outcomes they achieve.

I wholeheartedly endorse the Southside Community Center's mission and work. Their dedication to promoting self-sufficiency and stability among our neighbors is truly commendable. I encourage you to support their efforts, whether through funding, partnerships, or other resources.

Thank you for considering this request. Should you require any further information, please do not hesitate to contact me.

Sincerely,

Southside Community Center

does important work for San Marcos and the surrounding areas. It enables fellow human beings to get a meal, take a shower, sleep in a bed, and start the process of becoming self-sufficient. These are basic elements of a life that most of us take for granted but if unable to provide oneself with these things, they are of paramount importance. Society needs to send a message that everyone is worthwhile and Southside Community Center is an excellent way to do that.

As a volunteer here i can see the help it's giving folks in our communities. There is a real need for additional equipment and funding to help in this effort.

Regards

Terry Turner

Dear Recipient,

I started volunteering helping to serve meals at Southside Community Center about 2 months ago. My first time volunteering it was with 2 other ladies from my bible study group. Since then I have continued to volunteer on my own as many times a week as I am able. I have seen first hand the invaluable support and contribution they provide to your community helping those who need assistance in various way. I have also seen the graditude of those that they support. They are always grateful for whatever services are provided and express their heartfelt graditude.

Southside Community Center provides a lot more services than I thought they did from transistional housing, laundry services, summer and winter shelter programs in addition to daily meals. Not all who make use of the services are homeless but food insecure and not enough money to wash and dry their clothes and the clothes of their children. Some of the same families with young children and teen age children come for the dinner meal that is provided. The main dish is prepared fresh each day by the Southside chef and cook and he does a great job of creating good meals with whatever food and meat he has to work with and it is not only nutritional but presentable on the plates. Normally there is a main dish, some sort of vegetable and/or salad, fresh fruit when available or canned fruit, a dessert of some kind made fresh when ingredients are available or through bakery donations. I have seen a few come in and tell us they won't be back because they finally got a job out of the area and thank the staff and volunteers for their serrvice to them.

I totally endorse Southside Community Center and the work and services they provide. I have witnessed the successes of some of those they have helped to get them back on their feet and be self sufficient and supporting. Without them this probably not have happened. I hope you will support their efforts through funding, partnerships or other available resources.

Thank you for taking the time to read this letter and your consideration. Feel free to contact me if you have any questions about the information in this letter.

Sincerely,

Marsha Nichols
