The City and Company may also be referred to collectively as the “*Parties*” or individually as a “*Party*.”

ARTICLE I RECITALS

Section 1.01. Company plans to develop a state-of-the-art motion picture studio facility to be located on approximately 209 acres of land within the La Cima development (as further defined herein, the “Project”).

Section 1.02. The Company has requested financial incentives from the City to facilitate locating such Company facilities and business activities to the City.

Section 1.03. Locating such Company facilities and business activities to the City would benefit the City by creating new jobs and generating revenues for the City from the addition of personal property inventory and improvements to real property, each of which is subject to ad valorem tax assessment.

Section 1.04. The City is authorized under Chapter 380 of the Texas Local Government Code to offer certain economic development incentives for public purposes, including the promotion of local economic development and the stimulation of business and commercial activity in the City.

Section 1.05. The City has determined that providing economic development incentives to Company under this Agreement will promote local economic development and stimulate business and commercial activity in the City.

Section 1.06. For the reasons stated in these Recitals, which are incorporated into and made a part of this Agreement, and in consideration of the mutual benefits to and promises of the Parties set forth herein, the Parties enter into this Agreement and agree to the terms and conditions set forth in this Agreement.

ARTICLE II DEFINITIONS

Section 2.01. “*Additional Property Taxes*” are the City’s share of the ad valorem taxes received from the Hays County Tax Assessor-Collector each calendar year during the Term on the value of all Personal Property and Real Property Improvements on the Land in excess of the Base Tax Year Value.

Section 2.02. “*Base Tax Year Value*” means the ad valorem tax value, as established by the Hays County Appraisal District, of the Real Property Improvements and Personal Property on the Land as of January 1, 2022.

Section 2.03. “*Business*” means the business activities of Company conducted in the City on the Land, including, but not limited to the continuous operation of a motion picture studio that will include 12 sound stages, at least two of which will be equipped with state-of-the-art virtual production stages, four workshops, backlots, production offices and a commissary, together with the creation and maintenance of the Minimum Jobs Requirement under Section 3.03.

Section 2.04. “*Grant Payments*” means the City’s reimbursement payments to Company once per calendar year during the Term of an amount equal to a percentage of the Additional Property Taxes generated from the Land as outlined in Section 4.02.

Section 2.05. “*Job(s)*” means a full-time employment position at the Land resulting from or provided in connection with the Project (defined below), which position provides 1,820 annual full-time hours of employment or equivalent, a wage of no less than \$15.00 per hour, the

opportunity to participate in the Company's (or a related entity's) employer-sponsored group health insurance, paid sick days, and annual paid vacation based on length of service and paid holidays. Any position not meeting such criteria does not qualify as a "Job" for purposes of this Agreement.

Section 2.06. "*Land*" means the approximately 209-acre tract of land located at 6202 West Centerpoint Road within the city limits of the City within Hays County, Texas, upon which the Project shall be executed, the description of which is shown in Exhibit "A," attached hereto and made a part of this Agreement for all purposes. The final boundaries of the Land shall be based upon a final plat of the described tract of land that is also recognized by and assigned a Tax ID Number by the Hays County Appraisal District. Upon the recording of such final plat, Exhibit "A" shall be administratively updated to include such plat as the legal description of the Land.

Section 2.07. "*Personal Property*" means all materials, supplies, equipment, inventory or other personal property attributable to the Business on the Land subject to ad valorem taxes.

Section 2.08. "*Project*" means the operation of the Business on the Land and includes, without limitation, the addition of Real Property Improvements, Personal Property, and the creation of Jobs.

Section 2.09. "*Real Property Improvements*" means the real property constituting the Land, together with all improvements to real property on the Land, other than Personal Property, subject to ad valorem tax assessment.

Section 2.10. The "*Term*" of this Agreement shall commence on the Effective Date and continue until December 31, 2029 (unless terminated sooner as provided in this Agreement), except that Company's obligation to submit a Compliance Certificate (as defined below) for the year 2028, together with any other information as may be requested by the City under this

Agreement, and the City’s obligation, if any, to complete the Grant Payments due under this Agreement for the year 2029 shall continue until satisfied.

**ARTICLE III
COMPANY’S PRIMARY OBLIGATIONS**

Section 3.01. Addition of Improvements and Personal Property. Company shall cause construction of at least 820,000 square feet of buildings on the Land to be commenced on or before April 1, 2023, and to be completed on or before August 31, 2025, in substantial accordance with the site plan depicted on Exhibit “B,” attached hereto and made a part hereof, provided that Company may modify the site plan at any time so long as Company maintains the above total approximate square footage, maintains the character of the Project and meets the conditions specified herein for Company’s operation of the Business. Completion of any building or phase of Real Property Improvements shall be evidenced by a certificate of occupancy issued by the City in accordance with applicable ordinances for such buildings or phases. Company shall make a minimum cumulative capital investment in Real Property Improvements and Personal Property as follows:

YEAR	LAND AND LAND DEVELOPMENT	BUILDINGS	PERSONAL PROPERTY
2022	\$35,000,000		
2023	\$19,000,000	\$39,600,000	\$44,800,000
2024		\$79,200,000	
2025		\$50,000,000	

Section 3.02. Operation of Business. Company shall begin operation of the Business on the Land within sixty (60) days of receipt of the first certificate of occupancy for any soundstage constructed on the Land, and shall continuously operate, maintain and manage the Business for the duration of the Term.

Section 3.03. Job Creation. On or before December 31, 2024, Company (or a related

entity) shall employ at least 22 persons in Jobs; and, on or before December 31, 2025, Company (or related entity) shall employ at least 44 persons in Jobs (the “*Minimum Jobs Requirement*”). Company keep such Jobs filled during the Term. While the titles, personnel, or the classification of such Jobs may change, the Minimum Jobs Requirement shall be continuously maintained through the end of the Term.

Section 3.04. Non-Discrimination. Company agrees that it will maintain, and shall use its best efforts to enforce, employment policies that prohibit discrimination from occurring in the hiring and employment of persons in Jobs on the basis of race, creed, color, national origin, sex or disability or other characteristics for which protection is available under applicable local, state and federal anti-discrimination laws. Company shall report to the City in its annual Compliance Certificate any judicial or administrative agency determinations that Company has violated any such anti-discrimination laws in relation to persons applying for or employed in Jobs for the applicable reporting period.

Section 3.05. Compliance with Laws. In performing its obligations under this Agreement, Company shall comply with all applicable laws, regulations and ordinances.

ARTICLE IV CITY INCENTIVES

Section 4.01. Grant Payments. Subject to other terms and conditions of this Agreement and Company’s compliance with this Agreement, the City will make Grant Payments to Company in the manner set forth in this Article.

Section 4.02. Five-Year Payment Period. The City shall make up to five annual Grant Payments to Company, each in an amount equal to the percentages of Additional Property Taxes generated by the Business on the Land during each calendar year immediately preceding the year a Grant Payment is paid as shown in the table below.

Year	Performance Obligations to be Met	After paying Additional Property Taxes, Company eligible to apply for Grant Payment equal to the following percentages of Additional Property Taxes	Year in which Grant Payment is made
2022	Company purchases the Land and continues site planning	N/A	N/A
2023	Company initiates construction of buildings	N/A	N/A
2024	Company continues building improvements and meets the performance conditions related to Jobs and minimum cumulative capital investment	N/A	N/A*
2025	Company completes building improvements and meets performance conditions related to Jobs and operation of Business	90%*	N/A
2026	Company continues to meet performance conditions related to Jobs and operation of Business	80%	2025 Grant Payment (90%)
2027	Company continues to meet performance conditions related to Jobs and operation of Business	60%	2026 Grant Payment (80%)
2028	Company continues to meet performance conditions related to Jobs and operation of Business	40%	2027 Grant Payment (60%)
2029	Company continues to meet performance conditions related to Jobs and operation of Business	20%	2028 Grant Payment (40%)
2030	N/A	N/A	2029 Grant Payment (20%)

*January 1, 2024, is the first date on which the value of taxable Real Property Improvements and Personal Property will be realized. However, Company is not eligible to receive a Grant Payment until meeting the Jobs requirements in 2024 and 2025. The first Grant Payment, therefore, is based on the assessed valuation of Real Property Improvements and Personal Property as of January 1, 2025, to be paid by the City in 2026.

Section 4.03. Time for Payment. Grant Payments will be made by the City in the calendar year immediately following the full calendar year in which the Additional Property Taxes upon which the Grant Payment amount is based are generated. After Company meets the Minimum Jobs Requirement for 2024 and 2025, the Grant Payments will begin in 2026, based on the assessed valuation of Real Property Improvements and Personal Property as of January 1, 2025, and continue each year thereafter as shown in the table under Section 4.02. During each such calendar

year, Company shall submit its request for a Grant Payment by January 30. The City shall not be required to make a Grant Payment during any applicable calendar year unless and until:

(a) Company has submitted its request accompanied by a compliance certificate in the form attached as Exhibit “C” hereto (the “Compliance Certificate”), together with all information required under Sections 7.02 and 7.03 of this Agreement necessary to verify its compliance with the terms of this Agreement and conditions specified for Company’s operation of the Business;

(b) the full amount of Additional Property Taxes for the prior calendar year are received by the City from the Hays County Tax Assessor-Collector; and

(c) funds are appropriated by the City of San Marcos City Council for the specific purpose of making a Grant Payment under this Agreement as part of the City’s budget and appropriations approval process.

Provided the forgoing conditions have been satisfied and Company is otherwise in compliance with this Agreement, the City shall pay to Company any Grant Payments due within thirty (30) days after the last to occur of the events in subsections (a), (b) and (c) of this Section.

Section 4.04. Expedited Reviews and Approvals. The City hereby further agrees that, in order to accommodate Company's plans to design and build the Real Property Improvements on the Land in preparation for its commencement of operations of the Business in a timely manner, the City will attempt, but is not obligated, to process and review complete development applications in an expeditious manner to the extent such processing and review is consistent with staffing capacities and any periods established by ordinance or applicable laws. For example, the City may not waive the requirement for a public hearing and the minimum number of days for notice of the hearing. The City also agrees to commence preliminary review and comment on all vertical building construction plans when submitted, regardless of whether a Site Development Permit has been issued at such

time, provided that final review and approval of such vertical building construction plans will be completed only after the issuance of the Site Development Permit. Individual buildings may be issued temporary or final certificates of occupancy as they are completed provided such building qualifies for such under applicable City codes, regardless of whether Company had completed a full build out of the Land.

ARTICLE V REPRESENTATIONS AND WARRANTIES OF COMPANY

As of the Effective Date, Company represents and warrants to the City, as follows:

Section 5.01. Organization. Company is duly organized, validly existing and in good standing under the laws of the State of Texas and is authorized to conduct business or own real property in the State of Texas. The activities that Company proposes to carry on at the Land may lawfully be conducted by Company.

Section 5.02. Authority. The execution, delivery and performance by Company of this Agreement are within Company's powers and have been duly authorized.

Section 5.03. Valid and Binding Obligation. This Agreement is the legal, valid and binding obligation of Company, enforceable against Company in accordance with its terms except as limited by applicable relief, liquidation, conservatorship, bankruptcy, moratorium, rearrangement, insolvency, reorganization or similar laws affecting the rights or remedies of creditors generally, as in effect from time to time.

Section 5.04. No Defaults. Company is not in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which Company is a party or by which it or any of its property is bound that would have any material adverse effect on Company's ability to perform under this Agreement.

Section 5.05. Full Disclosure. Neither this Agreement nor any schedule or Exhibit

attached hereto in connection with the negotiation of this Agreement contains any untrue statement of a material fact or omits to state any material fact necessary to keep the statements contained herein or therein, in the light of the circumstances in which they were made, from being misleading.

**ARTICLE VI
PERSONAL LIABILITY OF PUBLIC
OFFICIALS AND LIMITATIONS ON CITY
OBLIGATIONS**

Section 6.01. Personal Liability of Public Officials. No employee or elected official of the City shall be personally responsible for any liability arising under or growing out of this Agreement.

Section 6.02. Limitations on City Obligations. The Grant Payments made and any other financial obligation of the City shall be paid solely from lawfully available funds that have been budgeted and appropriated by the City each applicable fiscal year during the Term as provided in this Agreement. Under no circumstances shall the City's obligations hereunder be deemed to create any debt within the meaning of any constitutional or statutory provision. Consequently, notwithstanding any other provision of this Agreement, the City shall have no obligation or liability to pay any Grant Payments or other payments unless the City budgets and appropriates funds to make such payments during the City's fiscal year in which such Grant Payment(s) or other payments under this Agreement are due and payable. If the City fails to appropriate funds for a Grant Payment during any fiscal year, Company may at its option terminate this Agreement effective upon written notice to the City, subject to any unpaid Grant Payment properly due to Company for which a lawful appropriation of funds has occurred.

Section 6.03. No Recourse. Company shall have no recourse against the City for the City's failure to budget or appropriate funds during any fiscal year to the meet the purposes of and satisfy

its obligations under this Agreement and such failure shall not constitute a breach of this Agreement.

ARTICLE VII INFORMATION

Section 7.01. Information. Company shall, at such times and in such form as the City may reasonably request from Company, provide information concerning the performance of Company's obligations under this Agreement.

Section 7.02. Annual Certification Related to Minimum Jobs Requirement and Compliance with Agreement. Beginning in calendar year 2024 and continuing each calendar year thereafter during the Term, Company shall submit to the City, on or before January 30 of each such year, a certified Compliance Certificate in the form shown in Exhibit "C", certifying that Company is in full compliance with its obligations under this Agreement or, if not in full compliance, a statement disclosing the nature of any non-compliance and any reasons therefor. In accordance with the schedule in Section 4.04, the Compliance Certificate will be submitted in conjunction with an application for a Grant Payment. After receiving a timely submitted Compliance Certificate, the City shall have thirty (30) days to notify Company in writing of any questions that the City may have concerning any of the information provided by Company in its Compliance Certificate, and Company shall diligently work in good faith to respond to such questions to the City's reasonable satisfaction.

Section 7.03. Review of Company Records. Company agrees that the City will have the right to review the business records of Company that relate to the Project and this Agreement in order to determine Company's compliance with the terms of this Agreement. City's access to Company's records shall be limited to information needed to verify that Company is and has been complying with the terms of this Agreement. Such review shall occur at any reasonable time during

regular daytime business hours and upon at least seven days' prior notice to Company. To the extent reasonably possible, Company shall make all such records available in electronic form or otherwise available to be accessed through the internet; provided, however, that the City agrees upon the determination of the Texas Attorney General such records shall remain the proprietary and confidential information of Company.

Section 7.04. Confidentiality. Subject to the requirements of the Texas Public Information Act, or order of a court of competent jurisdiction, nothing contained herein shall require Company to disclose or make available to the City any information relating to its employees that would violate the privacy rights of its employees or would violate applicable law, or to disclose or make available proprietary or other confidential information of Company. Except as provided in Section 7.03, the City's obligations under this paragraph do not impose a duty upon the City to challenge any ruling or opinion of the Texas Attorney General to release information in response to a specific request for information under the Texas Public Information Act.

ARTICLE VIII DEFAULT, TERMINATION AND REMEDIES

Section 8.01. Default and Termination. Except as otherwise provided herein, at any time during the Term that Company is not in material compliance with its obligations under this Agreement, the City may send written notice of such non-compliance to Company. If such non-compliance is not cured within sixty (60) days after Company's receipt of such notice or, if non-compliance is not reasonably susceptible to cure within sixty (60) days and a cure is not begun within such sixty (60) day period and thereafter continuously and diligently pursued to completion on a schedule approved by the City (in either event, a "Cure"), then the City may, at its sole discretion, suspend or terminate this Agreement or withhold Grant Payments otherwise due for the calendar year or years in which the non-compliance occurs. If the City elects to withhold Grant

Payments under this Section rather than to terminate the Agreement, then, upon a Cure by Company, Company will be eligible to receive Grant Payments in future years (provided it is otherwise in compliance and subject to other limitations of this Agreement) for the remainder of the Term. However, the Grant Payment withheld by the City for any year during which Company was not in compliance, shall, at the City's discretion, be deemed forfeited by Company and the City may not be liable for later payment of such forfeited Grant Payments. Except as to circumstances arising from an event of *force majeure*, the Term shall not be extended as a result of any cure period agreed to by the City under this Section.

Section 8.02. Termination for Misrepresentation. Notwithstanding any provision for notice of default and any opportunity to cure under Section 8.01, the City may terminate the Agreement immediately by providing written notice to Company if Company, its officers or signatories to this Agreement misrepresented or misrepresents any material fact or information: (i) upon which the City relied in entering into this Agreement; (ii) upon which the City relies in making a Grant Payment to Company; or (iii) as an inducement for the City to make a Grant Payment to Company.

Section 8.03. Other Remedies. Upon breach of any obligation under this Agreement, in addition to any other remedies expressly set forth in this Agreement with respect to such breach, either Party may pursue such remedies as are available at law or in equity for breach of contract. Notwithstanding the foregoing, the City shall not, in any case, be liable for special, incidental, consequential, indirect, or other similar damages, even if City or its agent(s) have been advised of the possibility of such damages. In no event shall the City's liability for damages under this Agreement exceed the amount of \$1,000.00; and in no event shall the Company's liability for damages under this Agreement exceed the amount of Grant Payments received by Company.

Section 8.04. Offset. The City may deduct from any Grant Payments, as an offset, any delinquent and unpaid fees, sums of money or other fees, charges or taxes assessed and owed to or for the benefit of the City by Company.

Section 8.05. Force Majeure. An event of *force majeure* means an event beyond the reasonable control of a Party obligated to perform an act or take some action under this Agreement including, but not limited to, acts of God, earthquake, fire, explosion, war, civil insurrection, acts of the public enemy, act of civil or military authority, sabotage, terrorism, floods, lightning, hurricanes, tornadoes, severe snow storms or utility disruption, pandemic, strikes, lockouts, major equipment failure or the failure of any major supplier to perform its obligations. If a *force majeure* event occurs and such event prevents a Party from fulfilling its obligations hereunder, the applicable time period for performing such obligations shall be extended by the period of delay resulting from the *force majeure*.

Section 8.06. Indemnification. The City shall not be obligated to pay any indebtedness or obligations of Company. Company hereby agrees to indemnify and hold the City, and the City's elected officials and employees, harmless from and against (i) any indebtedness or obligations of Company; (ii) any other loss, claim, demand, lawsuit, liability or damages arising from the negligence or intentional misconduct of Company in the performance of its obligations under this Agreement, or (iii) breach of any representation, warranty, covenant or agreement of Company contained in this Agreement, without regard to any notice or cure provisions. Company's indemnification obligation hereunder shall include payment of the City's reasonable attorneys' fees, costs and expenses with respect thereto.

ARTICLE IX MISCELLANEOUS

hereto, contains the entire agreement between the Parties with respect to the transactions contemplated herein.

Section 9.02. Amendments. This Agreement may only be amended, altered, or terminated by written instrument signed by all Parties.

Section 9.03. Assignment; Successors. Company may not assign any of its rights, or delegate or subcontract any of its duties under this Agreement, in whole or in part, without the prior written consent of the City. Notwithstanding the foregoing, Company may assign this Agreement to a parent, subsidiary, affiliate entity or newly created entity resulting from a merger, acquisition (regardless of whether in a stock or asset transaction) or other corporate restructure or reorganization of Company, or to any entity owned or controlled, or under common control, directly or indirectly by Company, without the written consent of the City. Company may also have the right to assign this Agreement any other party that acquires the Project, subject to the City's prior written consent evidenced by a duly authorized ordinance, which consent will not be unreasonably withheld, conditioned or delayed.
