Toll Free: 800.231.6929

Kinloch Equipment & Supply has over 25 years of experience in providing quality equipment, parts, service, support and lifetime training for as long as you own the equipment.

RC MOWERS

Key Advantages

- Manufactured & Assembled in the USA
- Operation via remote ensures SAFETY to crew and surrounding workers
- One RC Mower attains more productivity than a crew of (6) six with string trimmers
- Low maintenance with high capacity.

The Mower

- Kawasaki Engine
- Mows 1.2 to 2.5 acres per hour depending on deck size
- 7 ga. Steel with ¼ inch spindle reinforcement (3 spindles-all models)
- 2.5" to 6.5" cut height (all models)
- Tracks- Rubber molded over steel links, with steel cords
- Blades / Belts / Air Filters are easily sourced to ensure uptime
- Newly upgraded Reaper Swing Blade Assembly

The Controller

- Compliant with ANSI and FCC standards
- Water Resistant
- Lithium Ion Battery will allow for 20 hours of run time off a full charge
- (12) Twelve safety features built in with automatic response to hazardous situation
- One joystick allows for simplicity of operation
- Remote rated for 300 feet operating distance (will operate further but the user loses depth perception) Ease of Maintenance
- (4) Four total grease fittings with easy access
- A bolt on either track to adjust tension
- Front and rear receiver hitch for remote controlled winch

Guarantees

- RC Mowers offers a money back guarantee within 30 days if the customer is not satisfied.
- 2-year warranty (400 hr. warranty)

The Dealership

Kinloch Equipment and Supply, Inc has evolved over the last 25 years to attain representation of market leading equipment such as Vactor and Elgin products. RC Mowers fits that mold and we are proud to stand behind RC Mowers products. The combined partnership between RC Mowers and Kinloch guarantees the Waste Management a high level of after sales support. RC Mowers quality and innovation are industry leading, and this is a perfect tool for a industry leading company like Waste Management.

There are a number of acquisition options available, and we are happy to present those upon your request. The 'Outright Purchase' price listed below if for a single (1) unit and is standard across the market, and is the price listed with multiple purchasing cooperatives. Kinloch Equipment prides itself on purchasing options, integrity and transparency.
