Speakers in favor or opposed Elizabeth Espinoza (applicant – in favor) Recommendation from the Planning and Zoning Commission Meeting held November 12, 2025 A motion was made by Commissioner Spell, second by Commissioner Costilla, to recommend approval of the request. The vote passed with an 8-0 vote For: 8 (Agnew, Burleson, Case, Costilla, Dunn, Meeks, Spell, Van Oedekerke) Against: 0 Absent: 1 (Paselk) Discussion Topics: Gas station to the north - Commissioner Spell enquired whether the site to the north on Wonder World Dr was the gas station previously approved by P&Z with a restriction on truck stops. <i>Staff later confirmed that this was the case – the referenced Conditional Use Permit for the gas station was approved on June 24, 2025 (CUP-25-27).</i>					

History

The property was annexed into the City limits in 2005 (Ord 2005-87). At that time, no zoning district was selected for the property and so it was automatically designated as “Future Development” until such time as a specific zoning district was requested by the property owner.

Additional Analysis

In addition to being designated as a Mixed-Use Medium” place type on the preferred scenario map, the site also falls within the Medical District “Community Center” at the intersection of SH-123 and Wonder World Drive/ Redwood Road. Per the comprehensive plan, Community Centers are “mid-sized mixed-use areas, typically along transit corridors or major roadways, that provide access to goods, services, dining, entertainment, and residential housing. These areas are characterized by a mixture of medium intensity commercial and residential housing. Development is vertically and horizontally mixed.” (Vision SMTX, p.117)
