Located in: City Limits Extraterritorial Jurisdiction _____ **County**

DESCRIPTION OF REQUEST

Type of Plat: Preliminary Subdivision Plat Replat Concept Plat

Proposed Number of Lots: 1 **Proposed Land Use:** Multi-Family

AUTHORIZATION

I certify that the information on this application is complete and accurate. I understand the fees and the process for this application. I understand my responsibility, as the applicant, to be present at meetings regarding this request.

Concept / Preliminary Plats:

Filing Fee \$1,500 plus \$100 per acre Technology Fee \$15 MAXIMUM COST \$5,015

Replats that are not Administratively approved:

Filing Fee \$750 plus \$50 per acre Technology Fee \$15 MAXIMUM COST \$3,015

Submittal of this digital Application shall constitute acknowledgment and authorization to process this request.

APPLY ONLINE – WWW.MYGOVERNMENTONLINE.ORG/

SUBDIVISION IMPROVEMENT AGREEMENT ACKNOWLEDGEMENT

I understand, whenever public improvements to serve the development are deferred until after Final Subdivision or Development Plat approval, the property owner shall enter into a Subdivision Improvement Agreement by which the owner covenants to complete all required public improvements no later than two (2) years following the date upon which the Final Plat is approved.

- All required public improvements will be completed prior to approval of the Final Subdivision or Development Plat
- I wish to defer installation of public improvements until after approval of the Final Subdivision or Development Plat and have attached a Subdivision Improvement Agreement to be considered along with this Plat application
- The attached Minor / Amending / Preliminary Plat Application does not require a Subdivision Improvement Agreement

Signature of Applicant: _____

Amy Collins

Date: _____

9/30/24

NOTICE OF COMPLETENESS DETERMINATION & STATUTORY REVIEW TIMEFRAMES

I understand that the City of San Marcos requires online submittal of all applications through the Customer Portal at www.mygovernmentonline.org and that the Responsible Official will review this application for completeness within 10 business days of online submittal. I understand that this application is not considered "filed" until all required documentation is received and reviewed for completeness. *Upon determination of completeness the City will send written correspondence stating that the application has been filed and will provide a date, in accordance with the Texas Local Government Code, when the Planning and Zoning Commission will meet to hear the request.*

- By checking this box I am requesting cursory review of this application prior to determination that the application is complete and filed. Cursory review comments shall not constitute a determination of completeness.

I also understand that as the applicant I may request, in writing, an extension to the statutory review timeframes.

Signature of Applicant: _____

Amy Collins

- For Multifamily Projects – Figure(s) indicating compliance with Chapter 9, Article 4, Division 3,

Required for all residential subdivisions

The following are required specifically for replats

- Detailed description of the purpose and circumstances that warrant change of the recorded plat identifying all lots, easements, or improvements affected by the proposed change
- Vacation of a previously recorded plat incurs an additional \$750 fee

PDF of Plat, Prepared by a Registered Engineer or Surveyor with the Following (applicable to Preliminary Plat and Replat):

- Scale - Minimum 1" = 200'
- Vicinity Map
- Standard Legend for interpretation of points and lines
- North Arrow
- Plat Boundary Lines

****San Marcos Development Code Section 2.3.1.1(C): "Every application accepted by the responsible official for filing shall be subject to a determination of completeness...the responsible official is not required to review an application unless it is complete..."**

The following items are requested for consideration of this application. These and additional items may be required, at the request of the Department, in order to determine the application complete and filed.

Comments

PDF of Plat, Prepared by a Registered Engineer or Surveyor with the Following (applicable to Preliminary Plat and Replat): (continued)

- Copies of proposed deed restrictions or covenants for any proposed access, maintenance or private easements
- Lot Lines appropriately dimensioned to verify compliance with minimum lot dimension requirements
- Legible Dimensions or Table indicating square footage, lot dimensions, and proposed use of all lots
- Name, location and recording information of all adjacent subdivisions or property owners including lot/block numbers & date recorded, parks, public areas, and easements of record with recording information
- Surrounding Property Boundary Lines
- Corporate / Other Jurisdiction Boundary Lines
- Dimension, Name and Description of all existing and proposed rights-of-way and easements within, intersecting or contiguous to the subdivision (to include streets, alleys, reservations, easements, railroad, etc.)
- Accurate reference ties via courses and distances to at least one recognized abstract or survey corner, or existing subdivision corner
- Accurate reference tie to City of San Marcos Benchmark. Control point data is located at the following link:
- Bearings and Distances sufficient to locate the exact area proposed for the subdivision
- All survey monuments, including any required concrete monuments
- The length and bearing of all straight lines, radii, arc lengths, tangent lengths and central angles of all curves – may be placed in a table where appropriate
- Clearly label all lots to be reserved or dedicated for parks, schools, playgrounds, other public uses or for private facilities and amenities, if applicable
- Title block with name of proposed subdivision, contact information for owners (s) and land planner, licensed engineer or RPLS, date of preparation and location of property according to abstract or survey records

The following items are requested for consideration of this application. These and additional items may be required, at the request of the Department, in order to determine the application complete and filed.

Comments

PDF of Plat, Prepared by a Registered Engineer or Surveyor with the Following (applicable to Preliminary Plat and Replat): (continued)

Plat notes:

- A note declaring sidewalks are required.
- A note stating whether or not the subdivision falls within the 100-year floodplain and if so, engineer's statement of the minimum permissible floor elevation that will protect the improvements from flooding or high waters.
- Notes declaring whether land falls within designated watersheds, Edward's Aquifer recharge or contributing zones and/or San Marcos River Corridor.
- Preamble (aka Owner's Acknowledgement and Dedication) with owner(s) name(s) and title(s), acreage of area to be platted as described in Public Records, and proposed subdivision name exactly as in the title block

Signature Blocks for:

- Owner(s) signature with notary block.
- Property Lien Holder with notary block, if applicable.
- Certificate of approval by the Planning and Zoning Commission with signature lines for the Chair, Director of Development Services, Director of CIP and Engineering, and Recording Secretary.
- Surveyor statement and signature block with seal.
- Engineer statement and signature block. Required for all plats where new streets are being proposed or there is floodplain as per FEMA or other drainage easements required on or off site of the property.
- Certificate of recording block for County Clerk.

PDF of Concept Plat, Prepared by a Registered Engineer or Surveyor with the Following:

- Scale - Minimum 1" = 200'
- Vicinity Map
- Standard Legend for interpretation of points and lines
- North Arrow
- Plat Boundary Lines
- Copies of proposed deed restrictions or covenants for any proposed access, maintenance or private easements
- Table indicating square footage, lot dimensions, and proposed use of all lots
- Surrounding Property Boundary Lines
- Name, location and recording information of all adjacent subdivisions or property owners including lot/block numbers & date recorded, parks, public areas, and easements of record with recording information
