Describe the program/event being funded with CSLFR funds: Attach additional sheet, if necessary

Our organization currently provides shoe, medical, rent, utility, and funeral assistance. Due to COVID-19 restrictions, we are limited on the type of fundraisers that can be held to support the "Viva Zapatos" Shoe Drive.

CSLFR funds will allow our organization to expand the number of clients that our current programs can assist. Requests for medical, rent, utility, and funeral assistance continue to exceed our current funding level which we receive from Hays County.

Our assistance programs will be expanded to include transportation assistance (i.e., bus vouchers) to people who have lost their vehicles, clothing assistance (i.e., coats) to the same population we give shoes to and assist Senior Centers with gloves and socks during the winter months. With inflation at an all-time high, we can also provide meal assistance.

We will use the following scale to determine eligibility.

SCALE USED TO ESTABLISH FAMILY INCOME LEVELS
FOR THOSE RECEIVING ASSISTANCE

Family Size	1 person	2 persons	3 persons	4 persons	5 persons	6 persons	7 persons	8 persons
30% Limits	14,950	17,050	19,200	21,350	23,050	24,750	26,450	28,150
Very Low- Income	24,900	28,450	32,000	25,550	38,400	41,250	44,100	46,950
Low-Income	38,100	43,500	48,950	54,400	58,750	63,100	67,450	71,800

We will track the number of requests we receive throughout the year. Based on our tracking we will be able to determine how many requests we are able to fulfil.
