CORE Office Interiors Terms & Conditions

We have provided you with this quote based on our knowledge of your current requirements and project goals. Taxes, shipping, handling, and other fees may apply. We reserve the right to cancel quotes arising from pricing or other errors.

1. It is understood that this is a custom-built furniture order. For this reason, upon order placement and acceptance by the relevant manufacturer, orders cannot be cancelled following order placement. We will do our best to honor a request in change, cancellation, or return. The customer remains liable for all changes as outlined in this proposal unless changes are approved and in writing. The customer may incur restocking, cancellation and/or change order changes.
2. Warranty: Your complete satisfaction and future business is our goal. We take pride in the quality of the products we represent. All applicable manufacturer warranties will be available upon request.
3. Shipment/Freight: We will not be liable for any delay or damages claimed to result from shipping or freight carrier. If buyer requests change or postponement of delivery beyond shipping date when we are ready to make delivery, we may store or transfer the goods to our warehouse and/or third-party warehouse at the customer's expense. Upon notification to buyer of transfer to storage, the goods shall be deemed delivered to customer for all intents and purposes, including invoicing and payment.
4. Unless specifically noted in this Proposal, all installation and delivery services will be provided during normal working hours 8am to 5pm Monday through Friday. If services are requested other than normal business hours, additional charges may be assessed. A Change Order will be issued by COREoi for work that falls outside the reasonably agreed-upon scope of this quote, and your approval/signature will be required to initiate the additional work.
5. Pay Terms: Invoice will be processed according to the customers purchase order/contract issued for this quote with pay terms as stated above.
