Notice of Intent (NOI) Authorization

Your NOI application for authorization under the general permit for discharge of stormwater associated with industrial activities has been received. Pursuant to authorization from the Executive Director of the Texas Commission on Environmental Quality (TCEQ), the Division Director of the Water Quality Division has issued the enclosed Certificate. Please refer to the attached certificate for the identification number that was assigned to your site and the effective date. Please use this number to reference this site for future communications with the TCEQ.

This letter also serves as your TEMPORARY NetDMR Electronic Reporting Waiver. Although the MSGP states that effective December 21, 2016, all discharge monitoring reports (DMRs) must be submitted online using the TCEQ NetDMR system, this option is not available at this time for MSGP permittees. **The waiver is not transferrable and expires on August 31, 2018. Please continue to submit DMRs via paper form until August 31, 2018.**

A Notice of Termination (NOT) must be submitted when permit coverage is no longer needed. The NOT form is available at the website listed below. **All authorizations that are active on September 1 of each year will be assessed an annual water quality fee. The NOT must be postmarked for delivery to TCEQ on or before September 1 to avoid the annual fee assessment. The water quality billing statement will be mailed to the Operator in January and payment must be made within 30 days to avoid late fees.** It is the responsibility of the Operator to notify the TCEQ Stormwater Processing Center of any change in address supplied on the original NOI.

Effective September 1, 2017, all applications must be submitted online using TCEQ's ePermits (STEERS) system, unless the permittee requests and obtains an electronic reporting waiver.

For questions related to processing of forms you may contact the Stormwater Processing Center by email at swpermit@tceq.texas.gov or by telephone at (512) 239-3700. If you have any questions regarding coverage under the MSGP or other technical issues, you may contact the stormwater technical staff by email at swgp@tceq.texas.gov or by telephone at (512) 239-4671.
