Subject: [EXTERNAL] Texas Aviation Partners

This is a recommendation to extend the contract with TAP to manage the San Marcos airport. I have been tenant and patron since 2013. I currently base a HondaJet on the field. Jim Wimberely and his entire staff are extremely professional and demonstrate a culture of customer service. They are attentive to the concerns and requests of users of the airport. They have gone to great measures to address my personal concerns. I am a great supporter of the airport as a reliever airport to ABIA. I encourage my colleagues to base there in large part to the management that TAP provides. I am glad to provide any additional information that might be helpful and supportive.

Best regards,

Tom Stacy
