Report to Council

IFB # 215-063 Highway and Street Lighting Maintenance

Recommended Contractor:

Techline Construction, Inc., Austin, Texas

Total Cost Recommended for Award:

\$194,570

Purpose:

To award an annual contract for Highway and Street Lighting Maintenance to Techline Construction, Inc. to provide services for highway and street lighting maintenance in accordance with standards of proper conduct, safety, propriety, and all federal, state, and location regulations.

Evaluation:

On April 23, 2015 the City of San Marcos received three (3) bids for Highway and Street Lighting Maintenance Services. The Public Services Department, Electric Utilities Division has reviewed all bids and recommends awarding a contract to the lowest responsive bidder, Techline Construction, Inc. located in Austin, Texas.

Recommendation:

Staff recommends awarding the contract to Techline Construction, Inc. for an estimated total of \$194,570. The contract will be effective June 1, 2015 through May 31, 2016, therefore it will cross two fiscal years. The estimated amount for the remainder of FY15 is \$64,857. Purchases against this contract for FY16 are contingent upon the approval of the FY16 budget by the City Council.

Purchasing Division:

Cheryl Pantermuehl, Purchasing Manager

Department Executive Director:

Tom Taggart, Public Services
