Re: Recommendation of Award
Blanco River – River Road Slope Stabilization Project (IFB 215-164)

Dear Mr. Garcia:

Sealed bids for the Blanco River – River Road Slope Stabilization Project addressed to the City of San Marcos (COSM) were received on received on May 7, 2015. The bids received are as shown on the attached Bid Tabulation. Based on the information provided by COSM, the apparent low bidder is Westar Construction, Inc. of Georgetown, Texas.

The low bidder's references have been checked, and all documentation required by the Contract Documents has been received. Based on our review of the bids submitted and the supplementary information provided, it is our recommendation that the project be awarded to Westar Construction, Inc. based on their low bid of \$485,825.00.

Please don't hesitate to contact us if you have any questions or need any additional information. We appreciate the opportunity to work with you on this project.

Sincerely,
RPS
