1. Provide a detailed project description for the proposed project(s). *

This application is funded by the FY2018, FY2019, and FY2020 awards of small urban Section 5339, Bus and Bus Facilities formula funds in the amount of \$366,726 for the acquisition of bus rolling stock for San Marcos urbanized area operations for up to three 25 ft buses for replacements. The City is requesting the Texas Department of Transportation (TxDOT) to award Transportation Development Credits (TDCs) as local match in the amount of \$73,346. The buses will be used throughout the San Marcos urbanized area and support State of Good Repair.

The FY2018 funds are set to lapse in September 2021. The City of San Marcos has submitted a Transportation Improvement Program (TIP) amendment for this project, administered by the Capital Area Metropolitan Planning Organization.

2. Provide justification regarding why TDC are needed. *

Use of TDCs would maximize the utilization of federal funds on this project and replace valuable local resources in execution of the project.

FTA TrAMS "Temporary Applications Number" is 7362-2021-1

Identify how the project(s) meets the TDC program goals. *

The TDCs requested for this project are to maintain State of Good Repair for the San Marcos urbanized area. These new buses will replace older vehicles (listed below).
