Good afternoon,

The City of Euless finds it agreeable to enter into an interlocal agreement with the City of San Marcos through LGC 271.

After reviewing the agreement template, please update Section 7 (Miscellaneous), subsection D (Governing Law) to show the "Venue for any action concerning this agreement shall lie in **Tarrant County**, Texas."

After the ILA is approved by the San Marcos City Council, it will not need to go before Euless City Council – the City Manager will fully execute.

Please send the agreement when it's ready for signature by the City of Euless.

Thank you,

**Jessica Newman**

Hi Lauren, hope this email finds you well.

Wanted to ask about your city process and if your city council need to approve the ILA before its executed?

Hi Lauren,

Thank you so much for the info! Would it be acceptable to City of Eules to enter into an interlocal agreement with City of San Marcos through LGC 271?

I've attached a copy of our Interlocal Purchasing Agreement for your review.

I anticipate that we would obtain approval from our City Council on our July 7<sup>th</sup> meeting, if City of Eules is agreeable.

I greatly appreciate your quick response!

Thanks so much,

**Veronica Bradshaw, CPPB**

Hi Kristen,

The City of San Marcos is absorbing San Marcos Hays County EMS and in doing so, is needing to establish a contract between City of San Marcos and Emergicon.

Emergicon is the company that bills for ambulance/first responder services provided and collects those payments.

We've been provided information that the City of Euless awarded a contract to Emergicon through RFP #003-25 for Fire-Emergency Medical Service Billing and Collections.

Please advise if the City of Euless contract with Emergicon is currently active and what the expiration date is.

We're up against a very, very urgent timeline, so I appreciate any information you can provide.

Thank you so much!

Very Respectfully,

**Veronica Bradshaw, CPPB**
