Subject: [EXTERNAL] Attending April 14 meeting about Chepos
Date: Monday, March 30, 2026 6:42:46 PM

Hi, my husband and I would like to attend the virtual meeting about Chepos on April 14. We also plan to provide written comments. We are concerned about safety of pedestrians already trying to navigate a dangerous portion of ranch road 12 without any protections. There are many residences along old ranch road 12. Daily I see people trying to cross to get to wake the dead, the gas station, or potentially Chepos. This part of old ranch road has no shoulder, no sidewalk, and no protected cross walk with a light. Additionally the Chepos intersection is down a hill from near Wake the Dead and a blind turn going toward the cemetery and Moore St. I work on campus. I regularly walk to campus. Each time, I notice how dangerous it is.
Thank you, Cassandra
