Mr. William DeSoto
Chairman
San Marcos Ethics Review Commission
630 East Hopkins Street
San Marcos, Texas 78666

Dear Mr. DeSoto:

As the City Council considers implementation of the Downtown Master Plan, there are issues that I feel it necessary to request an advisory opinion from the Ethics Review Commission, as provided in Division 2, Section 2.443(d) of the San Marcos City Code. These issues include the following:

1. Direction of traffic flow on streets within the downtown neighborhood,
2. Parking, including orientation and metering,
3. Street design related to the above,
4. Matters relating to implementation of the above; and
5. All matters related to funding of the above decisions.

Prior to consideration by the commission, I will provide a factual background of my holdings in the downtown area along with an analysis for consideration during your deliberation. I would like to know the proposed format of the proceedings.

I reserve the right to amend or expand the issues outlined upon the advice of personal counsel and will ask for consideration of both my and my counsel's schedule in planning the schedule.

I look forward to having the opportunity to discuss these matters with you and your fellow commissioners and continuing, to the best of my ability, to represent this best interests of the citizens of San Marcos.

Truly,

Scott Gregson
