

ObjectID	CreationDate	First and Last Name:	Address:	Do you support a speed limit reduction to 25 mph for the entire neighborhood?	Additional Comments?
1	1/9/2023 15:33	Gene Sipes	138 E Hillcrest Dr, San Marcos, TX, 78666, USA	No_I_do_not_Support_a_Speed_Lim	Speed bumps are enough, and they are tearing up the front end of my car.
2	3/9/2023 23:18	Kama Davis	1312 Perkins St, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	Thank you.
3	3/10/2023 0:28	Charles Capwell	1402 N Bishop St, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	I also would support speed tables along Bishop, like added to Hopkins recently. Or at least speed bumps, as there are quite a few people, especially in the evening, who speed excessively. An alternative might be adding some four way stops along Bishop.
4	3/10/2023 1:03	Ben Steffy	621 Clyde Ct, San Marcos, TX, 78666, USA	No_I_do_not_Support_a_Speed_Lim	How about you focus on fixing the roads your tore up before you make traffic even worse. While you're busy destroying the roads we use everyday go ahead and remove the speed bumps on Franklin as well!
5	3/10/2023 1:06	Mario Contreras	621 Clyde Ct, San Marcos, TX, 78666, USA	No_I_do_not_Support_a_Speed_Lim	Fix the bumpy road on perkins between Franklin and Clyde Ct. People are driving around it and causing more hazard. The speed humps were the most asinine addition to Franklin.
6	3/10/2023 1:23	Dr. Erika Nielson	1304 Perkins St, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	
7	3/10/2023 1:24	Michael Hare	100 Dolly St, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	I would also like to see it posted on our street. People can't know if it isn't posted.

8	3/10/2023 14:50	Casey Hugman	1605 Furman Ave, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	I would support a reduced speed limit, but I am not sure that it will help to alleviate the problem unless it is better enforced or if we can deter people to use the neighborhood as a shortcut between RR12 and Bishop. If people don't adhere to 30mph or to stop signs, why would they slow down to 25mph?
9	3/10/2023 20:04	Mary Corgey	809 Franklin Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	My street, especially, is prone to high speeds.
10	3/10/2023 20:11	Michele Landry	809 Franklin Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	Especially since there is an elementary school in the neighborhood. It's impossible to even walk to school down Franklin. We'd LOVE walking sidewalks too! Make #SMTX more walkable, PLEASE and thanks for all you do!
11	3/10/2023 22:41	Will Petermann	805 Indiana Street	No_I_do_not_Support_a_Speed_Lim	
12	3/11/2023 0:25	Chase Spruiell	905 Indiana St, San Marcos, TX, 78666, USA	No_I_do_not_Support_a_Speed_Lim	
13	3/11/2023 4:38	Mark Henry	1308 Perkins St, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	Reduce it to 15mph!! Its shouldnt be used as a thoroughfare-families live here and there is an elementary school in the middle-slow down the cars
14	3/11/2023 16:16	Erhard Dauter	1604 A Stokes St.	Yes_I_Support_a_Speed_Limit_Red	
15	3/13/2023 13:16	Nicholas Graf	800 Dale Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	
16	3/14/2023 17:09	Nancy Valdez-Gainer	521 Franklin Drive	Yes_I_Support_a_Speed_Limit_Red	This is urgently needed in Franklin. It has become increasingly more dangerous for pedestrians and cyclists to use Franklin Drive due to the speed of vehicles passing through.
17	3/14/2023 20:15	Robert Burwell	510 Franklin Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	
18	3/14/2023 20:16	Lacey Dupre	510 Franklin Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	
19	3/14/2023 20:20	Vela Burwell-Dupre	510 Franklin Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	

20	3/14/2023 22:06	Jesse Gainer	521 Franklin Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	
21	3/17/2023 21:19	Tomoko Shannon	1404 Girard St, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	
22	3/18/2023 14:54	Michael Blake	508 Franklin Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	Or even lower. 18 wheelers and through traffic have to make up at least 75% of the traffic volume. We have to make Craddock as least as attractive as cutting through Franklin, hopefully a road like Craddock would be a better alternative but it isn't. I can count 30-40 commercial trucks driving down Franklin per hour.
23	3/18/2023 14:57	Lindsay Kipp	613 Clyde Ct, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	
24	3/19/2023 3:44	Robert Eby	1007 Dale Dr, San Marcos, TX, 78666, USA	No_I_do_not_Support_a_Speed_Lim	I would support a reduction on the side streets of Oak Heights, but not on Franklin. 30 mph seems sufficient, especially with the humps in place. I would like to see a flashing stop sign at the intersection of Franklin and Girard on Franklin.
25	3/19/2023 3:52	kelly eby	1007 dale	Yes_I_Support_a_Speed_Limit_Red	yes, there are many deer and many children in the neighborhood, and there are a limited number of sidewalks, so many people walk along the edge of the street. a lower speed may encourage more children to ride their bike or walk to school. This will also deter people who use Franklin as a shortcut and speed through the neighborhood.

26	3/19/2023 18:28	Teresa Fallwell-Bohlin	1405 Nevada St, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	Note that the two newer speed bumps on Franklin truly seem to be the only things that slow people down much. Even the school parents dropping off/picking up don't seem to heed the existing traffic or parking guidelines much. I hope this is helpful.
27	3/19/2023 19:10	Diane Insley	606 Clyde Ct	No_I_do_not_Support_a_Speed_Lim	I do support sidewalks on Franklin so that people walking would be safer.
28	3/25/2023 17:23	Faith DeBow	517 Franklin Dr, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	
29	3/25/2023 20:24	Cynthia Hobson	701 Indiana Street	Yes_I_Support_a_Speed_Limit_Red	
30	3/27/2023 23:52	Ethan Ramirez	1005 Indiana St, San Marcos, TX, 78666, USA	Yes_I_Support_a_Speed_Limit_Red	Consider adding speed bumps to Craddock. The stretch of road between Bishop and RR12 has no stops signs or lights. This seems to contribute to the speeding that happens all day and definitely through the night. If nothing can be done through infrastructure can we at least get police presence? Safety within a residential neighborhood should be of greater concern to the city. Thank you for your time.
