Printed Name, Title: Director of Accounting

AGREEMENT TO THE PLACEMENT OF NOTIFICATION SIGNS AND ACKNOWLEDGEMENT OF NOTIFICATION REQUIREMENTS

The City of San Marcos Development Code requires public notification in the form of notification signs on the subject property, published notice, and / or personal notice based on the type of application presented to the Planning Commission and / or City Council.

- Notification Signs: if required by code, staff shall place notification signs on each street adjacent to the subject property and must be placed in a visible, unobstructed location near the property line. It is unlawful for a person to alter any notification sign, or to remove it while the request is pending. However, any removal or alteration that is beyond the control of the applicant shall not constitute a failure to meet notification requirements. ***It shall be the responsibility of the applicant to periodically check sign locations to verify that the signs remain in place had have not been vandalized or removed. The applicant shall immediately notify the responsible official of any missing or defective signs. It is unlawful for a person to alter any notification sign, or to remove it while the case is pending; however, any removal or alteration that is beyond the control of the applicant shall not constitute a failure to meet notification requirements.***
- Published Notice: if required by code, staff shall publish a notice in a newspaper of general circulation in accordance with City Codes and the Texas Local Government Code. ***If, for any reason, more than one notice is required to be published it may be at the expense of the applicant. The renotification fee shall be \$150 plus a \$15 technology fee.***
- Personal Notice: if required by code, staff shall mail personal notice in accordance with City Codes and the Texas Local Government Code. ***If, for any reason, more than one notice is required to be mailed it may be at the expense of the applicant. The renotification fee shall be \$150 plus a \$15 technology fee.***

I have read the above statements and agree to the required public notification, as required, based on the attached application. The City's Planning and Development Services Department staff has my permission to place signs, as required, on the property and I will notify City staff if the sign(s) is/are damaged, moved or removed. I understand the process of notification and public hearing and hereby submit the attached application for review by the City.

JANUARY, A.D., 2018.

NOTARY PUBLIC

DRIVEWAY PERMIT NOTE

"In order to promote safe use of roadways and preserve the conditions of public roadways, no driveway constructed on ant lot within this subdivision shall be permitted to access onto a publicly dedicated roadway unless (a) a driveway Permit has been issued by the Transportation Department of Hays County and (b) the driveway satisfies the minimum spacing requirements for driveways set forth in Chapter 721 of the Hays County Development Regulations and permitted through the Transportation Department of Hays County under Chapter 751."

All culverts when required shall comply with the current Hays County standard.

Mail boxes placed within ROW, shall be of an approved TXDOT or FHWA approved design.

No structure in this subdivision shall be occupied until connected to an individual water supply or a state approved community water system. Due to declining water supplies and drinking water quality, prospective property owners are cautioned by Hays County to question the seller concerning ground water availability. Rain water collection is encouraged and in some areas may offer the best renewable water resource.

No structure in this subdivision shall be occupied until connected to a public sewer system or to an on-site wastewater system which has been approved and permitted by Hays County Development Services.

No construction or other development within this subdivision may begin until all Hays County development permit requirements have been met.
