# AGREEMENT TO THE PLACEMENT OF NOTIFICATION SIGNS AND ACKNOWLEDGEMENT OF NOTIFICATION REQUIREMENTS

The City of San Marcos Development Code requires public notification in the form of notification signs on the subject property, published notice, and / or personal notice based on the type of application presented to the Planning Commission and / or City Council.

- Notification Signs: if required by code, staff shall place notification signs on each street adjacent to the subject property and must be placed in a visible, unobstructed location near the property line. It is unlawful for a person to alter any notification sign, or to remove it while the request is pending. However, any removal or alteration that is beyond the control of the applicant shall not constitute a failure to meet notification requirements. It shall be the responsibility of the applicant to periodically check sign locations to verify that the signs remain in place had have not been vandalized or removed. The applicant shall immediately notify the responsible official of any missing or defective signs. It is unlawful for a person to alter any notification sign, or to remove it while the case is pending; however, any removal or alteration that is beyond the control of the applicant shall not constitute a failure to meet notification requirements.
- Published Notice: if required by code, staff shall publish a notice in a newspaper of general circulation in accordance with City Codes and the Texas Local Government Code. If, for any reason, more than one notice is required to be published it may be at the expense of the applicant. The renotification fee shall be \$150 plus a \$15 technology fee.
- Personal Notice: if required by code, staff shall mail personal notice in accordance with City Codes and the
  Texas Local Government Code. If, for any reason, more than one notice is required to be mailed it may be
  at the expense of the applicant. The renotification fee shall be \$150 plus a \$15 technology fee.

I have read the above statements and agree to the required public notification, as required, based on the attached application. The City's Planning and Development Services Department staff has my permission to place signs, as required, on the property and I will notify City staff if the sign(s) is/are damaged, moved or removed. I understand the process of notification and public hearing and hereby submit the attached application for review by the City.

Re: CCMcCoy & Remme-McCoy Zoning Application Cover letter

Municipality: City of San Marcos

Tax ID #: R11871, R15913, R71251, and R100696

Addresses: 1620 SH 123 and 2200 N SH 123, SAN MARCOS, TEXAS 78666

**Existing Zoning:** Future Development District (FD) **Preferred Growth Scenario:** Mixed Use Medium

The subject tracts are currently zoned Future Development District (FD). Rezoning to Character District-5 (CD-5) would ensure consistency with the Vision SMTX Comprehensive Plan and allow for a broader range of land uses for the properties. The CD-5 zoning district is compatible with the current Mixed-Use Medium designation in the Preferred Growth Scenario, which is identified as appropriate within the Comprehensive Plan (Table 4.1). The rezoning of the properties to CD-5 provides flexible development opportunities that support the long-term vision for the area and may be applied based on the future development needs of the properties.

#### Surrounding zoning districts to the subject property include:

North - Commercial (CM) and Character District-5 (CD-5)

East - General Commercial (GC) and Character District-5 (CD-5)

South - Character District-4 (CD-4), Character District-5 (CD-5), and Character District-1(CD-1)

West – Multiple-Family Residential District (24 units) (MF-24)

With this in consideration, rezoning from Future Development District to Character District-5 is a logical and appropriate course of action to ensure that the future development of the subject properties is consistent with the surrounding established uses. Furthermore, the properties are located within a designated *Community Center*, which the City identifies as areas intended to accommodate a mix of medium-intensity commercial and residential uses. Community Centers are planned to serve as activity nodes that draw patrons from multiple neighborhoods and support a balanced mix of land uses. The subject properties are located within the designated *Medical District*, an area characterized by a concentration of medical facilities and nearby multi-family residential development. This existing mix of uses establishes a strong foundation for additional supportive land uses, such as shopping, dining, and service-oriented businesses, which can enhance the district's role as a community hub. By introducing complementary commercial and mixed-use opportunities, the area can better serve the daily needs of nearby residents, employees, and visitors, while also reinforcing the Medical District's function as a destination that attracts activity from surrounding neighborhoods.
