Re: Petition for the Creation of a Public Improvement District to Finance Improvements to the District Development

Dear Ms. Hernandez:

As you may know, our firm represents the owners (the “Petitioners”) of the land described in the enclosed Petition for the Creation of a Public Improvement District to Finance Improvements to the District Development (the “Petition”). On behalf of the Petitioners, we respectfully request your consideration of the authorization and creation of the District Public Improvement District (the “District”) pursuant to Chapter 372 of the Texas Local Government Code.

In support thereof, enclosed please find the following:

- PID Petition
- PID Analysis
- PID Term Sheet
- Incentive Agreement Application

We look forward to working closely with you and City staff to facilitate your review of the enclosed Petition. Please do not hesitate to reach out to our firm or the Petitioners if you have any questions.

Sincerely,

Steve Metcalfe

PETITION FOR THE CREATION OF A PUBLIC IMPROVEMENT DISTRICT TO FINANCE
IMPROVEMENTS TO THE DISTRICT DEVELOPMENT

THE STATE OF TEXAS §
 §
CITY OF SAN MARCOS §

TO: THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF SAN MARCOS

The undersigned petitioners (the "Petitioners"), acting pursuant to the provisions of Chapter 372, Texas Local Government Code, as amended (the "Act"), request that the City of San Marcos, Texas (the "City") (i) create a public improvement district (the "District") over the territory described on Exhibit A, attached hereto and incorporated herein for all purposes (the "Land"), within the corporate limits of the City, and in support of this petition the Petitioners would present the following:

Section 1. Standing of Petitioners. In compliance with the requirements of Texas Local Government Code, Section 372.005(b), as determined by the current tax roll of the Hays County Appraisal District, the Petitioners constitute: (i) the owners of taxable real property representing more than 50% of the appraised value of real property liable for assessment under the proposal described herein, and (ii) the record owners of taxable real property that constitutes more than 50% of the area of all taxable real property that is liable for assessment under such proposal.

Section 2. General Nature of the Proposed Construction and Maintenance of the Public Improvements. The general nature of the proposed public improvements are: (i) the establishment of parks and open space, together with the design, construction and maintenance of any ancillary structures, features or amenities such as trails, pavilions, community facilities, parking facilities, sidewalks, irrigation, walkways, lighting, benches, trash receptacles and any similar items located therein; (ii) landscaping; (iii) acquisition, construction, and improvement of water, wastewater and drainage facilities; (iv) acquisition, construction and improvement of streets, roadways, rights-of-way and related facilities; (v) entry monumentation and features; (vi) signage; (vii) projects similar to those listed in subsections (i) – (vi) above; and (viii) payment of costs associated with constructing and financing the public improvements listed in subparagraphs (i) – (vii) above, including costs of establishing, administering and operating the District.

Section 3. Estimated Cost and Terms of the Proposed Construction of the Public Improvements. The estimated cost of the proposed construction is \$60,000,000; provided, however, that the estimated cost of the proposed construction is \$80,000,000 if the City elects not to acquire the land described on Exhibit B pursuant to the terms of that certain Chapter 380 Economic Development Incentive Agreement entered into on _____, 2025, by and between the Petitioners and the City (the "Economic Incentive Agreement"), or if the Event Center Operator (defined in the Economic Incentive Agreement) has not delivered the Notice of Commencement (defined in the Economic Incentive Agreement) on or before four (4) years from the Effective Date of the Economic Incentive Agreement.

Section 4. Boundaries. The proposed boundaries of the District are described on Exhibit A, attached hereto.

Section 5. Method of Assessment. An assessment methodology will be prepared that will address: (i) how the costs of the public improvements financed with the assessments are assessed against the property in the District, (ii) the assessments to be collected each year, and (iii) reduction of the assessments for costs savings (pursuant to the annual review of the service plan for the District). Additionally, a report will be prepared showing the special benefits accruing to property in the District and how the costs of the public improvements are assessed to property on the basis of the special benefits. The result will be that equal shares of the costs will be imposed on property similarly benefited.

The assessment methodology will result in each parcel paying its fair share of the costs of the public improvements provided with the assessments based on the special benefits received by the property from the public improvements and property equally situated paying equal shares of the costs of the public improvements.

Section 6. Apportionment of Cost between the City and the District. Approval and creation of the District will not obligate the City to provide any funds to finance the proposed public improvements. All of the costs of the proposed public improvements will be paid by assessments of the property within the District and from other sources of funds, if any, available to the owner of the Land.

Section 7. Management of the District. The City will manage the District, or, to the extent allowed by law, the City may contract with either a non-profit, or a for-profit organization including a Public Facilities Corporation created by the City pursuant to Chapter 303, Texas Local Government Code, to carry out all or a part of the responsibilities of managing the District, including the day-to-day management and administration of the District.

Section 8. Advisory Board. An advisory board may be established by the City Council of the City (the "City Council") and recommend an improvement plan to the City Council.

The signer(s) of this petition request the establishment for the District and this petition will be filed with the City Secretary of the City in support of the creation of the District by the City Council as herein provided.

AGREEMENT TO THE PLACEMENT OF NOTIFICATION SIGNS AND ACKNOWLEDGEMENT OF NOTIFICATION REQUIREMENTS

The City of San Marcos Development Code requires public notification in the form of notification signs on the subject property, published notice, and / or personal notice based on the type of application presented to the Planning Commission and / or City Council.

- Notification Signs: if required by code, staff shall place notification signs on each street adjacent to the subject property and must be placed in a visible, unobstructed location near the property line. It is unlawful for a person to alter any notification sign, or to remove it while the request is pending. However, any removal or alteration that is beyond the control of the applicant shall not constitute a failure to meet notification requirements. ***It shall be the responsibility of the applicant to periodically check sign locations to verify that the signs remain in place had have not been vandalized or removed. The applicant shall immediately notify the responsible official of any missing or defective signs. It is unlawful for a person to alter any notification sign, or to remove it while the case is pending; however, any removal or alteration that is beyond the control of the applicant shall not constitute a failure to meet notification requirements.***
- Published Notice: if required by code, staff shall publish a notice in a newspaper of general circulation in accordance with City Codes and the Texas Local Government Code. ***If, for any reason, more than one notice is required to be published it may be at the expense of the applicant. The renotification fee shall be \$150 plus a \$15 technology fee.***
- Personal Notice: if required by code, staff shall mail personal notice in accordance with City Codes and the Texas Local Government Code. ***If, for any reason, more than one notice is required to be mailed it may be at the expense of the applicant. The renotification fee shall be \$150 plus a \$15 technology fee.***

I have read the above statements and agree to the required public notification, as required, based on the attached application. The City's Planning and Development Services Department staff has my permission to place signs, as required, on the property and I will notify City staff if the sign(s) is/are damaged, moved or removed. I understand the process of notification and public hearing and hereby submit the attached application for review by the City.
