Sidewalk Maintenance Program

July 2, 2024

Purpose

- Review Sidewalk Maintenance Program
- Provide Next Steps
- Questions and Receive Council Direction

Sidewalk Maintenance Program Goals

- **Remove ADA Barriers and Improve Pedestrian safety**
- **Identify and improve sidewalk connectivity in underserved and/or high pedestrian traffic areas**
- **Ensure all new sidewalks will connect to existing sidewalks**
- **Avoid tree conflicts or tree removal**

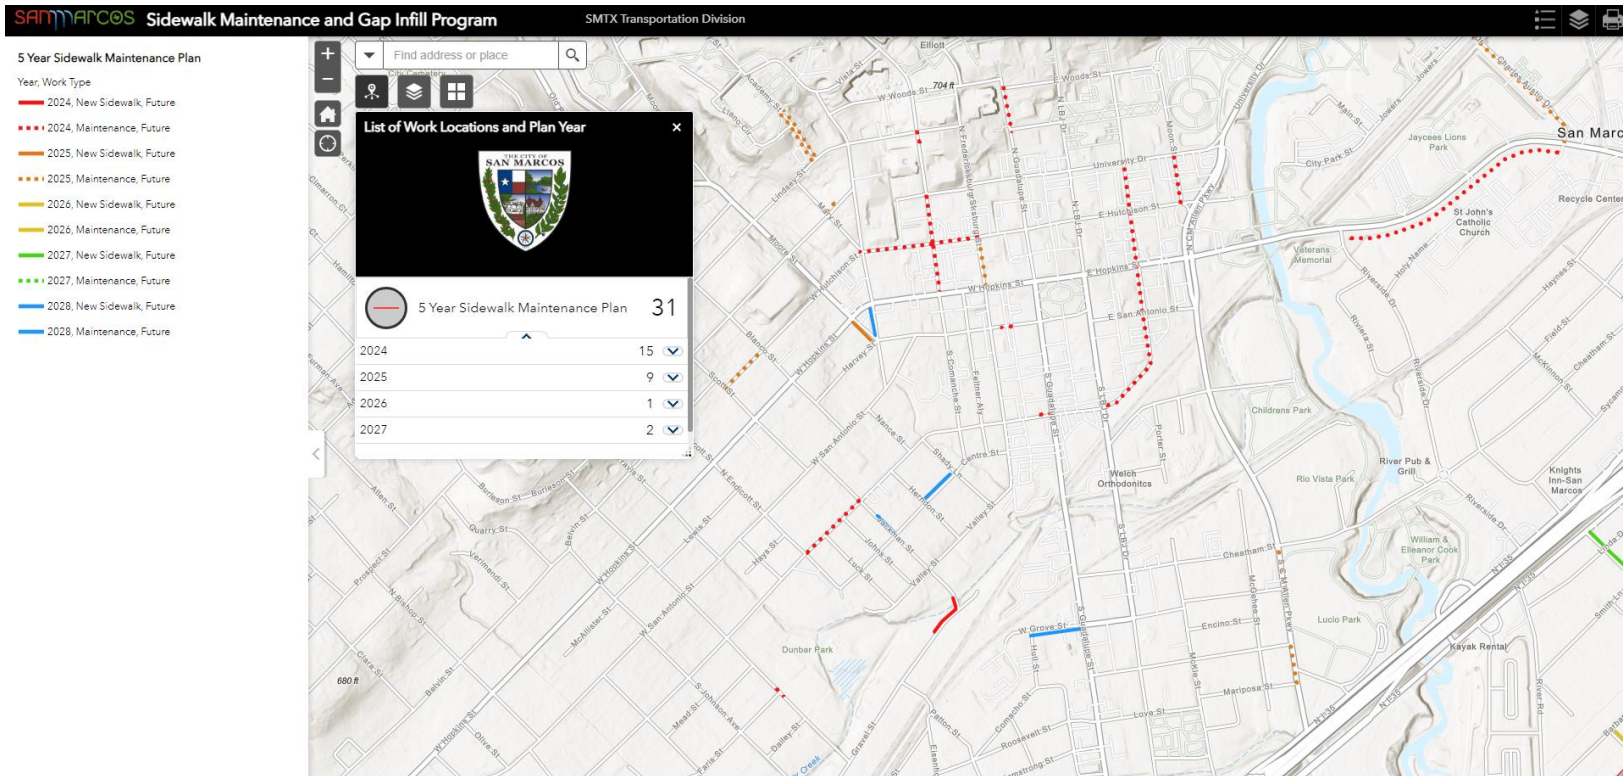

How Projects are Selected

- **Public Meetings**
- **Citizen requests from live web map or SMTX Connect**
- **GIS Analytics:**
 - Pedestrian involved accidents
 - Underserved areas
 - High pedestrian traffic areas:
 - Hospitals
 - Bus Stops
 - Grocery stores

Public Facing Web Map is Live

CIP Projects vs. Maintenance Sidewalk Projects

CIP / Master Plan Projects

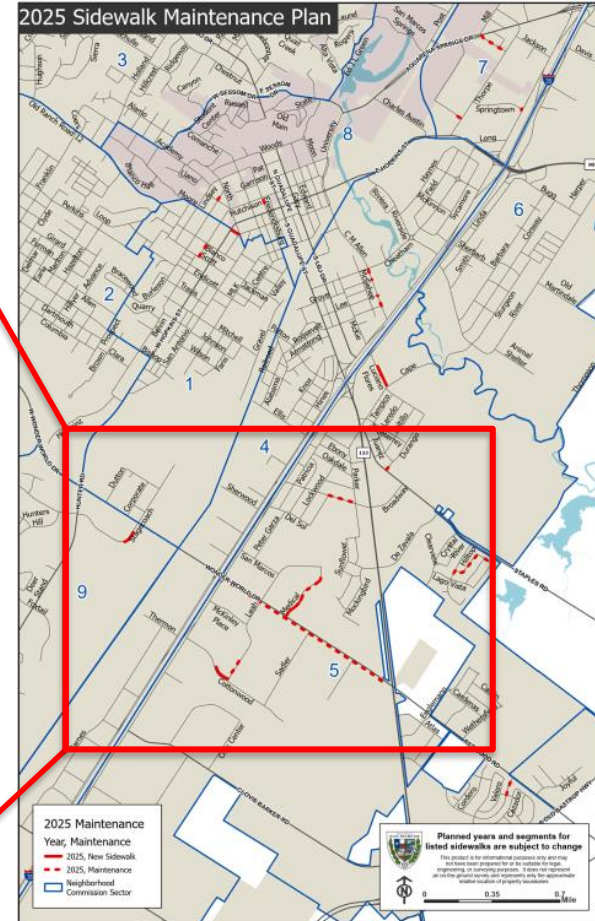

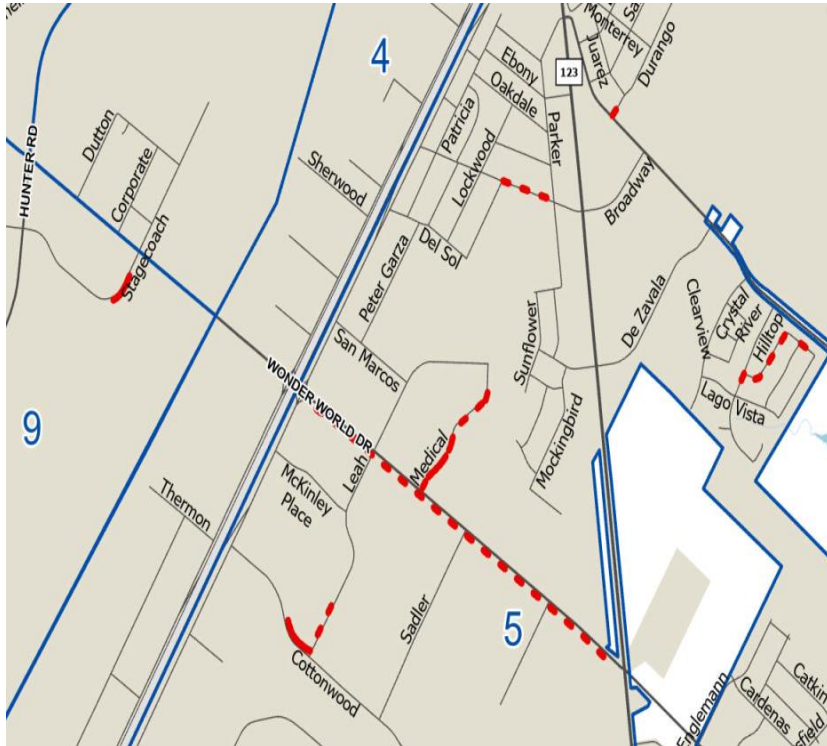

- Requires Bond Funding
- Requires Multiple Years to Design, Fund & Complete
- Right-of-Way Acquisitions Usually Required
- Significant Engineering Design Required
- Utility Conflicts Common

Sidewalk Maintenance Program

- Utilizes Annual Operating Budget
- Can Be Completed in Months
- No Right-of-Way Acquisitions Required
- No Significant Engineering Design Required
- No Utility Conflicts

FY 25 Project Locations

Maintenance Locations – FY 2025

Maintenance Locations					
Street	To	From	Street	To	From
Robbie Ln.	Thorpe	HEB	Hilltop	Overlook	Lago Vista
Leah	Cottonwood	Sams Bus Stop	Overlook	Benning	Hilltop
Burleson	North	Mary	Hutchison	Blanco	Scott
