To Mayor Hughson & Council Members,

The Downtown Association of San Marcos (DASM) is excited and thrilled to recommend the alleyway between the east 100 block of San Antonio Street and East MLK Drive be named *Boyhood Alley!* It is sensational to know that a movie of such acclaim was filmed in our downtown!

Our city has gained a lot of publicity and economic benefits from being a film friendly town. It has not happened by accident. There is a large, dedicated group of individuals committed to make it happen! They need our support!

These artisans are looking to the future and a prosperous, exciting platform for film and cinema in our city. To name this alley where *Boyhood* was filmed will reinforce the city's commitment to this worthy endeavor.

Please vote "Yes" on August 16<sup>th</sup> 2022 for the alley at the east 100 block of San Antonio and East MLK be named *Boyhood Alley!*

Regards,

*Jean Baggett*
