Re: Zoning Application - 7.3 acres out of 25.334 acres in the Samuel Craft Sr. Survey, Abstract A0089, Hays County, Texas, 6000 block of IH 35 southbound frontage road ("**Property**")

Dear Ms. Hernandez:

As authorized by San Marcos Business Park LP ("**Owner**"), I am submitting concurrent annexation and zoning applications for the Property. This is the remainder tract related to zoning case ZC-25-01. The requested zoning is Heavy Industrial ("**HI**") in order to develop the Property for an industrial park. A pre-development meeting was held with the City on October 29, 2024, to discuss the proposed voluntary annexation and zoning for the Property.

The Property is currently adjacent to the Heldenfels property along the southbound IH 35 frontage road in the 5700 block of IH 35 which is developed for a heavy industrial use.

There is a strip of land along the IH 35 southbound frontage road adjacent to the Property which is in the City Limits and is zoned HI; the Property is currently undeveloped.

The Comprehensive Plan Preferred Scenario Map does not include the Property which is south of Industrial Fork. The current Preferred Scenario Map designates land north of the Property as Employment Center. The proposed Draft Preferred Scenario Map shows the Property to be designated as Commercial/Employment Low which is appropriate for light and heavy industrial use, as well as retail and services uses, limited to 1-3 stories with surface parking. The proposed use of the Property conforms to this proposed new growth scenario.

Please contact me should you have any questions regarding this annexation/zoning request.

Sincerely,

A handwritten signature in blue ink that reads 'Pam Madere'.
