INTRODUCTION

Capitalized terms used in this Service and Assessment Plan shall have the meanings given to them in **Section I** unless otherwise defined in this Service and Assessment Plan or unless the context in which a term is used clearly requires a different meaning. Unless otherwise defined, a reference to a “Section,” an “Exhibit,” or an “Appendix” shall be a reference to a Section of this Service and Assessment Plan or an Exhibit or Appendix attached to and made a part of this Service and Assessment Plan for all purposes.

On October 29, 2020, the City Council passed and approved Resolution 2020-232R, authorizing the establishment of the River Bridge Ranch Public Improvement District in accordance with the PID Act, which authorization was effective upon approval in accordance with the PID Act. Prior to levying any Assessments in the District, on July 7, 2026 the City Council passed and approved Resolution No. _____ amending the boundaries of the District and approved an increased estimate of the Actual Costs of the Authorized Improvements. The purpose of the District is to finance the Actual Costs of Authorized Improvements that confer a special benefit on approximately 328.85 acres currently located within the City, as described on **Exhibit J-1** and depicted on **Exhibit A-1**.

The PID Act requires a service plan must (i) cover a period of at least five years; (ii) define the annual indebtedness and projected cost of the Authorized Improvements; and (iii) include a copy of the buyer disclosure notice form required by Section 5.014 of the Texas Property Code, as amended. The Service Plan is contained in **Section IV** and the notice form is attached as **Appendix A**.

The PID Act requires that the Service Plan include an Assessment Plan that assesses the Actual Costs of the Authorized Improvements against the Assessed Property within the District based on the special benefits conferred on such property by the Authorized Improvements. The Assessment Plan is contained in **Section V**.

The PID Act requires an Assessment Roll that states the Assessment against each Assessed Property determined by the method chosen by the City Council. The Assessment against each Assessed Property must be sufficient to pay the share of the Actual Costs of the Authorized Improvements apportioned to the Assessed Property and cannot exceed the special benefit conferred on the Assessed Property by such Authorized Improvements. The Improvement Area #1 Assessment Roll is included as **Exhibit F-1**.

SECTION I: DEFINITIONS

“2026 Assessment Ordinance” means Ordinance _____ approved and adopted by the City Council on _____, 2026, which levied the Improvement Area #1 Assessment against the Improvement Area #1 Assessed Property, and approved this Service and Assessment Plan.

“Actual Costs” mean, with respect to Authorized Improvements, the actual costs paid or incurred by or on behalf of the Owner, (either directly or through affiliates), including: (1) to plan, design, acquire, construct, install, and dedicate such improvements to the City; (2) to prepare plans, specifications (including bid packages), contracts, and as-built drawings; (3) to obtain zoning, licenses, plan approvals, permits, inspections, and other governmental approvals; (4) for third-party professional consulting services including but not limited to, engineering, surveying, geotechnical, land planning, architectural, landscaping, legal, accounting, and appraisals; (5) of labor, materials, equipment, fixtures, payment and performance bonds and other construction security, and insurance premiums; and (6) to implement, administer, and manage the above-described activities. Actual Costs shall not include general contractor’s fees in an amount that exceeds a percentage equal to the percentage of work completed or construction management fees in an amount that exceeds an amount equal to the construction management fee amortized in approximately equal monthly installments over the term of the applicable construction management contract. Amounts expended for costs described in subsection (3), (4), and (6) above shall be excluded from the amount upon which the general contractor and construction management fees are calculated.

“Additional Interest” means the amount collected by the application of the Additional Interest Rate.

“Additional Interest Rate” means the 0.50% additional interest rate that may be charged on Assessments securing PID Bonds pursuant to Section 372.018 of the PID Act.

“Administrator” means the City or independent firm designated by the City who shall have the responsibilities provided in this Service and Assessment Plan, any Indenture, or any other agreement or document approved by the City related to the duties and responsibilities of the administration of the District. The initial Administrator is P3Works, LLC.

“Annual Collection Costs” mean the actual or budgeted costs and expenses related to the operation of the District and the annual administration of the PID Bonds, including, but not limited to, costs and expenses for: (1) the Administrator; (2) City staff; (3) legal counsel, engineers, accountants, financial advisors, and other consultants engaged by the City; (4) calculating, collecting, and maintaining records with respect to Assessments and Annual

Installments; (5) preparing and maintaining records with respect to Assessment Rolls and Annual Service Plan Updates; (6) paying and redeeming PID Bonds; (7) investing or depositing Assessments and Annual Installments; (8) complying with this Service and Assessment Plan, the PID Act, and any Indenture, with respect to the PID Bonds, including the City’s continuing disclosure requirements; and (9) the paying agent/registrar and Trustee in connection with PID Bonds, including their respective legal counsel. Annual Collection Costs collected but not expended in any year shall be carried forward and applied to reduce Annual Collection Costs for subsequent years.

“Annual Installment” means the annual installment payment of an Assessment as calculated by the Administrator and approved by the City Council, that includes: (1) principal; (2) interest; (3) Annual Collection Costs; and (4) Additional Interest related to the PID Bonds, if applicable.

“Annual Service Plan Update” means an update to this Service and Assessment Plan prepared no less frequently than annually by the Administrator and approved by the City Council.

“Assessed Property” means any Parcel within the District that benefits from the Authorized Improvements and on which an Assessment is levied as shown on the Assessment Roll and which includes any and all Parcels within the District other than Non-Benefited Property.

“Assessment” means an assessment levied against Assessed Property, other than Non-Benefited Property to pay the costs of certain Authorized Improvements as specified herein, which Assessment is imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on an Assessment Roll, subject to reallocation upon the subdivision of such Assessed Property or reduction according to the provisions herein and in the PID Act.

“Assessment Ordinance” means an ordinance adopted by the City Council in accordance with the PID Act that levies an Assessment on the Assessed Property, as shown on any Assessment Roll.

“Assessment Plan” means the methodology employed to assess the Actual Costs of the Authorized Improvements against the Assessed Property based on the special benefits conferred on such property by the Authorized Improvements, more specifically set forth and described in **Section V**.

“Assessment Roll” means any assessment roll for the Assessed Property, including the Improvement Area #1 Assessment Roll, as updated, modified or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including in any Annual Service Plan Updates. The Improvement Area #1 Assessment Roll is included in this Service and Assessment Plan as **Exhibit F-1**.

“Authorized Improvements” means the public improvements, including the Improvement Area #1 Projects, authorized by Section 372.003 of the PID Act, including, but not limited to, those described in **Section III.A** and **Section III.B**, and as further depicted on **Exhibit G-1** and **Exhibit G-2**.

“Bond Issuance Costs” means the costs associated with issuing PID Bonds, including, but not limited to, attorney fees, financial advisory fees, consultant fees, appraisal fees, printing costs, publication costs, capitalized interest, reserve fund requirements, underwriter’s discount, fees charged by the Texas Attorney General, and any other cost or expense incurred by the City directly associated with the issuance of any series of PID Bonds.

“City” means the City of San Marcos, Texas.

“City Council” means the governing body of the City.

“County” means collectively or individually Hays County, Texas and Guadalupe County, Texas .

“Delinquent Collection Costs” mean costs related to the foreclosure on Assessed Property and the costs of collection of delinquent Assessments, delinquent Annual Installments, or any other delinquent amounts due under this Service and Assessment Plan, including penalties and reasonable attorney’s fees actually paid, but excluding amounts representing interest and penalty interest.

“District” means the River Bridge Ranch Public Improvement District containing approximately 328.85 acres located within the corporate limits of the City, and more specifically described in **Exhibit J-1** and depicted on **Exhibit A-1**.

“Engineer’s Report” means the report provided by a licensed professional engineer that describes the Authorized Improvements, including their costs, location, and benefit, and is attached hereto as **Appendix A**.

“Estimated Buildout Value” means the estimated value of an Assessed Property after completion of vertical improvements, as provided by the Owner and confirmed by the City Council, by considering such factors as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, builder contracts, discussions with homebuilders, reports from third party consultants, or any other factors that, in the judgment of the City, may impact value. The Estimated Buildout Value for each Lot Type is shown on **Exhibit E-1**.

“Improvement Area” means specifically defined and designated areas within the District that are developed in phases including Improvement Area #1 and each area that may be specifically defined and designated as a phase of development within any future Improvement Area within the Remainder Area.

“Improvement Area #1” means approximately 89.13 acres located within the District, more specifically described in **Exhibit J-2** and depicted on **Exhibit A-2**.

“Improvement Area #1 Annual Installment” means the annual installment payment of the Improvement Area #1 Assessment as calculated by the Administrator and approved by the City Council that includes: (1) principal, (2) interest, and (3) Annual Collection Costs.

“Improvement Area #1 Assessed Property” means any Parcel within Improvement Area #1 against which an Improvement Area #1 Assessment is levied.

“Improvement Area #1 Assessment” means an Assessment levied against Improvement Area #1 Assessed Property related to the cost of the Authorized Improvements allocated to the Improvement Area #1 Assessed Property, and imposed pursuant to the PID Act and an Assessment Ordinance and the provisions herein, as shown on the Improvement Area #1 Assessment Roll, subject to reallocation or reduction pursuant to the provisions set forth in **Section VI** herein and in the PID Act.

“Improvement Area #1 Assessment Roll” means the Assessment Roll for the Improvement Area #1 Assessed Property, as updated, modified, or amended from time to time in accordance with the procedures set forth herein and in the PID Act, including any updates prepared in connection with the issuance of PID Bonds or any Annual Service Plan Updates. The Improvement Area #1 Assessment Roll is included in this Service and Assessment Plan as **Exhibit F-1**.

“Improvement Area #1 Bonds” mean any PID Bonds issued in the future to refinance the Improvement Area #1 Reimbursement Obligation, if such bonds are issued.

“Improvement Area #1 Improvements” means the Authorized Improvements which only benefit the Improvement Area #1 Assessed Property, as further described in **Section III.B** and depicted on **Exhibit G-2**.

“Improvement Area #1 Projects” means collectively, (1) the pro rata portion of the Major Improvements allocable to Improvement Area #1 and (2) the Improvement Area #1 Improvements.

“Improvement Area #1 Reimbursement Agreement” means that certain “River Bridge Ranch Public Improvement District Financing and Reimbursement Agreement” effective July 7, 2026, entered into by and between the City and Lennar Homes of Texas Land and Construction, Ltd., a Texas limited partnership and consented to by Millrose Properties Texas LLC, a Texas limited liability company, whereby all or a portion of the Actual Costs not paid to Owner from PID Bonds, will be paid to the Owner from Improvement Area #1 Assessments to reimburse the Owner for

Actual Costs paid by the Owner, plus interest, that are eligible to be paid with Improvement Area #1 Assessments.

“Improvement Area #1 Reimbursement Obligation” means an amount not to exceed \$10,287,000 secured by the Improvement Area #1 Assessments to be paid to Owner pursuant to the Improvement Area #1 Reimbursement Agreement but excluding any payments from the net proceeds of PID Bonds. The Annual Installments for the Improvement Area #1 Reimbursement Obligation are shown on **Exhibit F-2**. The Improvement Area #1 Reimbursement Obligation is anticipated to be satisfied and financed by a portion of the Improvement Area #1 Bonds.

“Indenture” means an Indenture of Trust entered into between the City and the Trustee in connection with the issuance of each series of PID Bonds, as amended from time to time, setting forth the terms and conditions related to a series of PID Bonds.

“Lot” means (1) for any portion of the District for which a final subdivision plat has been recorded in the Plat or Official Public Records of the County, a tract of land described by “lot” in such subdivision plat; and (2) for any portion of the District for which a subdivision plat has not been recorded in the Plat or Official Public Records of the County, a tract of land anticipated to be described as a “lot” in a final recorded subdivision plat as shown on a concept plan or a preliminary plat. A “Lot” shall not include real property owned by a government entity, even if such property is designated as a separate described tract or lot on a recorded subdivision plat.

“Lot Type” means a classification of final building Lots with similar characteristics (e.g. lot size, home product, Estimated Buildout Value, etc.), as determined by the Administrator and confirmed by the City Council. In the case of single-family residential Lots, the Lot Type shall be further defined by classifying the residential Lots by the Estimated Buildout Value of the Lot as provided by the Owner, and confirmed by the City Council, as shown on **Exhibit E-1**.

“Lot Type 1” means a Lot Type within Improvement Area #1 marketed to homebuilders as a 35' lot. The buyer disclosure for Lot Type 1 is attached as **Appendix A**. The location of each Lot classified as Lot Type 1 is depicted on **Exhibit K**.

“Lot Type 2” means a Lot Type within Improvement Area #1 marketed to homebuilders as a 45' lot. The buyer disclosure for Lot Type 2 is attached as **Appendix A**. The location of each Lot classified as Lot Type 2 is depicted on **Exhibit K**.

“Lot Type 3” means a Lot Type within Improvement Area #1 marketed to homebuilders as a 50' lot. The buyer disclosure for Lot Type 3 is attached as **Appendix A**. The location of each Lot classified as Lot Type 3 is depicted on **Exhibit K**.

“Major Improvements” means those Authorized Improvements that confer a special benefit to all of the Assessed Property within the District, as further described in **Section III.B.** and depicted on **Exhibit G-1.**

“Maximum Assessment” means, for each Lot Type, an Assessment equal to the lesser of (1) the amount calculated pursuant to **Section VI.A,** or (2) for each Lot Type, the amount shown on **Exhibit E-1.**

“Non-Benefited Property” means Parcels within the boundaries of the District that accrue no special benefit from the Authorized Improvements. Property is identified as Non-Benefited Property at the time the Assessments (1) are levied or (2) are reallocated pursuant to a subdivision of a Parcel that receives no benefit, as determined by the City Council.

“Notice of Assessment Lien Termination” means a document that shall be recorded in the Official Public Records of the County evidencing the termination of an Assessment, a form of which is attached as **Exhibit H.**

“Owner” means Lennar Homes of Texas Land and Construction, Ltd., a Texas limited partnership, and Millrose Properties Texas LLC, a Texas limited liability company and any successors or assigns thereof that intend to develop the property in the District for the ultimate purpose of transferring title to end users.

“Parcel” or **“Parcels”** means a specific property within the District identified by either a tax parcel identification number assigned by the Hays Central Appraisal District for real property tax purposes, by legal description, or by lot and block number in a final subdivision plat recorded in the Official Public Records of the County, or by any other means determined by the City.

“Phase 1A Plat” means the River Bridge Ranch Phase 1A plat that was recorded as document number 25001301 with Hays County and document number 202599001116 with Guadalupe County on January 14, 2025. This plat is shown in **Appendix B.**

“Phase 1B Plat” means the River Bridge Ranch Phase 1B plat that was recorded as document number 25033678 with Hays County and document number 202599022715 with Guadalupe County on September 9, 2025. This plat is shown in **Appendix B.**

“PID Act” means Chapter 372, Texas Local Government Code, as amended.

“PID Bonds” means any bonds issued by the City in one or more series to finance the Authorized Improvements and secured in whole or in part by Assessments, including Annual Installments thereof.

“Prepayment” means the payment of all or a portion of an Assessment before the due date of the final Annual Installment thereof. Amounts received at the time of a Prepayment which represent a payment of principal, interest, or penalties on a delinquent installment of an Assessment are not to be considered a Prepayment, but rather are to be treated as the payment of the regularly scheduled Annual Installment.

“Prepayment Costs” means interest, including Additional Interest and Annual Collection Costs, to the date of Prepayment.

“Remainder Area” means approximately 239.72 acres located within the District and entirely outside of Improvement Area #1, to be developed as one or more future Improvement Areas.

“Service and Assessment Plan” means this River Bridge Ranch Public Improvement District Service and Assessment Plan as updated, amended, or supplemented from time to time.

“Service Plan” means the plan described in **Section IV** which covers a period of at least five years and defines the annual indebtedness and projected costs of the Authorized Improvements.

“Trustee” means the trustee or successor trustee under an Indenture.

SECTION II: THE DISTRICT

The District includes approximately 328.85 contiguous acres located within the corporate limits of the City, the boundaries of which are more particularly described on **Exhibit J-1** and depicted on **Exhibit A-1**. Development of the District is anticipated to include approximately 1,351 Lots developed with single-family homes.

Improvement Area #1 includes approximately 89.13 contiguous acres located within the corporate limits of the City, the boundaries of which are more particularly described on **Exhibit J-2** and depicted on **Exhibit A-2**. Development of Improvement Area #1 is anticipated to include approximately 334 Lots developed with single-family homes (49 single-family homes that are on Lots classified as Lot Type 1, 184 single-family homes that are on Lots classified as Lot Type 2, and 101 single-family homes that are on Lots classified as Lot Type 3.)

The Remainder Area includes approximately 239.72 contiguous acres located within the corporate limits of the City. Development of the Remainder Area is anticipated to include approximately 1,017 single-family homes.

SECTION III: AUTHORIZED IMPROVEMENTS

Based on information provided by the Owner and their engineer and reviewed by the City staff and by third-party consultants retained by the City, the City has determined that the Improvement Area #1 Projects confer a special benefit on the Improvement Area #1 Assessed Property. Authorized Improvements will be designed and constructed in accordance with the City's standards and specifications and will be owned and operated by the City or by a third party pursuant to a qualified management contract/except as otherwise noted below. The Actual Costs of the Authorized Improvements, including the Improvement Area #1 Projects, are shown on **Exhibit B-1**. The allocation of the Actual Costs of the Major Improvements is shown on **Exhibit B-2**

A. Major Improvements

- *Water*

Water improvements include tie to existing City of San Marcos water line, trench safety, pressure reducing valve with vault, water lines, gate valves, fire hydrants, valve casting adjustments, cast iron fittings, services, irrigation sleeves, air release valves, and automatic flush valve. This portion of water line is located partly within the District, then along FM 621 to Old Bastrop Highway. Water improvements will be owned and maintained by the City of San Marcos.

- *Wastewater*

Wastewater improvements include a lift station and a 12" force main. The improvements include a lift station, pipes, trench safety, manholes, extra depth, raise manhole castings, bore with encasement, valves, connection to existing line, and services. Wastewater improvements will be owned and maintained by the City of San Marcos.

- *Drainage*

The drainage improvements include a regional detention pond, storm sewer, trench safety, berms, berm/swale, channel and outlet structure. Drainage improvements will be owned and maintained by the City of San Marcos.

- *Soft Costs*

Costs related to designing, constructing, and installing the Major Improvements including land planning and design, City fees, engineering, soil testing, survey, construction management, contingency, district formation expenses, legal fees, and consultant fees.

B. Improvement Area #1 Improvements

- *Streets*

The street improvements include clearing and grubbing, excavation/embankment (grading), subgrade preparation, flexible base, Hot Mix Asphalt Concrete, curb and gutter, traffic control, streetlights, concrete sidewalk, sidewalk ramps, street marking and signs, saw cut and tie to existing pavement, erosion controls, and tree protection. Street improvements will be owned and maintained by the City of San Marcos.

- *Water*

Water improvements include tie to offsite water line, trench safety, water lines, gate valves, fire hydrants, valve casting adjustments, cast iron fittings, services, and automatic flush valve. Water improvements will be owned and maintained by the City of San Marcos.

- *Wastewater*

Wastewater improvements includes wastewater lines, trench safety, manholes, extra depth, raise manhole castings, bore with encasement, connection to existing line, and services. Wastewater improvements will be owned and maintained by the City of San Marcos.

- *Drainage*

The drainage improvements include storm sewer, trench safety, manholes, junction boxes, curb inlets, grate inlets, berms, berm/swale, channel and headwall. Drainage improvements will be owned and maintained by the City of San Marcos.

- *Landscaping*

Landscaping improvements include multi-use trails within the Improvement Area, along with proposed landscaping of rights of way and open spaces. Landscaping improvements will be owned and maintained by the Homeowners Association.

- *Soft Costs*

Costs related to designing, constructing, and installing the Improvement Area #1 Improvements including land planning and design, City fees, engineering, soil testing, survey, construction management, contingency, legal fees, and consultant fees.

C. Bond Issuance Costs

- *Debt Service Reserve Fund*

Equals the amount to be deposited in a debt service reserve fund under an applicable Indenture in connection with the issuance of PID Bonds.

- *Capitalized Interest*

Equals the amount required to be deposited for the purpose of paying capitalized interest on a series of PID Bonds under an applicable Indenture in connection with the issuance of such PID Bonds.

- *Underwriter's Discount*

Equals a percentage of the par amount of a particular series of PID Bonds related to the costs of underwriting such PID Bonds and includes underwriter's counsel's fee.

- *Cost of Issuance*

Includes costs of issuing a particular series of PID Bonds, including but not limited to issuer fees, attorney's fees, financial advisory fees, consultant fees, appraisal fees, printing costs, publication costs, City's costs, fees charged by the Texas Attorney General, and any other cost or expense directly associated with the issuance of PID Bonds.

D. Other Costs

- *Deposit to Administrative Fund*

Equals the amount necessary to fund the first year's Annual Collection Costs for a particular series of PID Bonds.

SECTION IV: SERVICE PLAN

The PID Act requires the Service Plan to cover a period of at least five years. The Service Plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan is also required to include a copy of the buyer disclosure notice form required by Section 5.014 of the Texas Property Code, as amended. The Service Plan must be reviewed and updated in each Annual Service Plan Update. **Exhibit C** summarizes the initial Service Plan for the District. Per the PID Act and Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosure for the District. The form of buyer disclosures are attached hereto as **Appendix A**.

Exhibit D summarizes the sources and uses of funds required to construct the Authorized Improvements. The sources and uses of funds shown on **Exhibit D** shall be updated in an Annual Service Plan Update to show any budget revisions and the amount required to fund the required reserves and issue the PID Bonds at the time the PID Bonds are issued.

SECTION V: ASSESSMENT PLAN

The PID Act allows the City Council to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received by the Assessed Property from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the City Council may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the City and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this Service and Assessment Plan describes the special benefit accruing to the Improvement Area #1 Assessed Property from the Improvement Area #1 Projects, and provides the basis and justification for the determination that this special benefit equals or exceeds the

amount of the Improvement Area #1 Assessments to be levied on the Improvement Area #1 Assessed Property for the Improvement Area #1 Projects.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Owner and all future owners and developers of the Improvement Area #1 Assessed Property.

A. Assessment Methodology

Acting in its legislative capacity and based on information provided by the Owner and its engineer and reviewed by the City staff and by third-party consultants retained by the City, the City Council has determined that the costs of the Authorized Improvements shall be allocated entirely to the Assessed Property. Upon subdivision of an Assessed Property, the Actual Costs of the Authorized Improvements shall be reallocated based on Estimated Buildout Value as further described in **Section VI**. The costs related to the Authorized Improvements shall be allocated as follows:

- Major Improvements shall be allocated pro rata between the Improvement Area #1 Assessed Property and the Remainder Area based on Estimated Buildout Value, as shown on **Exhibit B-2**. The Remainder Area is allocated 74.68% of the Actual Costs of the Major Improvements, and Improvement Area #1 is allocated 25.32% of the Actual Costs of the Major Improvements.
- The costs of the Authorized Improvements benefiting Improvement Area #1, including the Improvement Area #1 Projects, are and shall be allocated to each Improvement Area #1 Assessed Property based on the ratio of the Estimated Buildout Value of each Improvement Area #1 Assessed Property to the Estimated Buildout Value of all Improvement Area #1 Assessed Property.

B. Assessments

By the adoption of the 2026 Assessment Ordinance, the Improvement Area #1 Assessment will be levied on the Improvement Area #1 Assessed Property in the amount shown on the Improvement Area #1 Assessment Roll, attached hereto as **Exhibit F-1**. The projected Improvement Area #1 Annual Installments are shown on **Exhibit F-2**. Upon division or subdivision of any Parcel of Improvement Area #1 Assessed Property, the Improvement Area #1 Assessment will be reallocated pursuant to Section VI.

The Maximum Assessment for each Lot Type is shown on **Exhibit E-1**. In no case will the Assessment for Lots classified as Lot Type 1, Lot Type 2 and Lot Type 3, respectively, exceed the corresponding Maximum Assessment for each Lot classification.

C. Findings of Special Benefit

Acting in its legislative capacity and based on information provided by the Owner and their engineer(s) and reviewed by City staff and by third-party consultants retained by the City, the City Council has found and determined the following:

- *Improvement Area #1*
 - The costs of the Authorized Improvements allocated to the Improvement Area #1 Assessed Property equal \$15,883,992 as shown on **Exhibit B-1**;
 - The Improvement Area #1 Assessed Property receives special benefit from the Authorized Improvements allocated to the Improvement Area #1 Assessed Property equal to or greater than the Actual Cost of the Authorized Improvements allocated to the Improvement Area #1 Assessed Property and;
 - By the adoption of the 2026 Assessment Ordinance, the Improvement Area #1 Assessed Property will be allocated 100% of the Improvement Area #1 Assessment levied for the Authorized Improvements allocated to the Improvement Area #1 Assessed Property, which equals \$10,287,000 as shown on the Improvement Area #1 Assessment Roll attached hereto as **Exhibit F-1**;
 - The special benefit (\$15,883,992) received by the Improvement Area #1 Assessed Property from the Authorized Improvements allocated to the Improvement Area #1 Assessed Property is equal to or greater than the amount of the Improvement Area #1 Assessment (\$10,287,000) levied on the Improvement Area #1 Assessed Property for the Authorized Improvements allocated to the Improvement Area #1 Assessed Property; and
 - At the time the City Council approved the Service and Assessment Plan, the Owner and several individual homeowners owned 100% of the Improvement Area #1 Assessed Property. In a landowner consent certificate executed by the Owner and filed in the records of the County, the Owner acknowledged that the Authorized Improvements allocated to the Improvement Area #1 Assessed Property confer a special benefit on the Improvement Area #1 Assessed Property and consented to the imposition of the Improvement Area #1 Assessment to pay for the Actual Costs associated therewith. The Owner ratified, confirmed, accepted, agreed to, and approved: (1) the determinations and findings by the City Council as to the special benefits described herein and the applicable Assessment Ordinance; (2) the Service and Assessment Plan and the 2026 Assessment Ordinance; and (3) the

levying of the Improvement Area #1 Assessment on the Improvement Area #1 Assessed Property.

D. Annual Collection Costs

The Annual Collection Costs shall be paid for annually by the owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. The Annual Collection Costs shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

E. Additional Interest

The interest rate on Assessments securing PID Bonds may exceed the interest rate on the PID Bonds by the Additional Interest Rate. If applicable, Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

SECTION VI: TERMS OF THE ASSESSMENTS

Any reallocation of Assessments as described in this Section VI shall be considered an administrative action of the City and will not be subject to the notice or public hearing requirements under the PID Act.

A. Reallocation of Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of a subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for the newly divided Assessed Property
- B = the Assessment for the Assessed Property prior to division
- C = the Estimated Buildout Value of the newly divided Assessed Property
- D = the sum of the Estimated Buildout Value for all of the newly divided Assessed Properties

The calculation of the Assessment of an Assessed Property shall be performed by the Administrator and shall be based on the Estimated Buildout Value of that Assessed

Property, as provided by the Owner, relying on information from homebuilders, market studies, appraisals, Official Public Records of the County, and any other relevant information regarding the Assessed Property. The Estimated Buildout Values for Lot Type 1 and Lot Type 2 and Lot Type 3 are shown on **Exhibit E-1** and will not change in future Annual Service Plan Updates but **Exhibit E-1** may be updated in future Annual Service Plan Updates to account for additional Lot Types. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)] / E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with the same Lot Type

D = the sum of the Estimated Buildout Value for all of the newly subdivided Lots excluding Non-Benefited Property

E = the number of newly subdivided Lots with the same Lot Type

Prior to the recording of a subdivision plat, the Owner shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat. The calculation of the Assessment for a Lot shall be performed by the Administrator and confirmed by the City Council based on Estimated Buildout Value information provided by the Owner, homebuilders, third party consultants, and/or the Official Public Records of the County regarding the Lot. The Estimated Buildout Values for Lot Type 1 and Lot Type 2 and Lot Type 3 are shown on **Exhibit E-1** and will not change

in future Annual Service Plan Updates. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated into a single Lot or Parcel, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update immediately following such consolidation. The Assessment for any resulting Lot may not exceed the Maximum Assessment for the applicable Lot Type and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.C.**

B. Mandatory Prepayment of Assessments

If an Assessed Property or a portion thereof is conveyed to a party that is exempt from payment of the Assessment under applicable law, or the owner causes the Assessed Property, or portion thereof, to become Non-Benefited Property, the owner of such Assessed Property or portion thereof shall pay to the City, or cause to be paid to the City, the full amount of the Assessment, plus all Prepayment Costs and Delinquent Collection Costs for such Assessed Property, prior to any such conveyance or act, and no such conveyance shall be effective until the City receives such payment. Following payment of the foregoing costs in full, the City shall provide the owner with a recordable "Notice of Assessment Lien Termination," a form of which is attached hereto as **Exhibit H.**

C. True-Up of Assessments if Maximum Assessment Exceeded at Plat

Prior to the City approving a final subdivision plat, the Administrator will certify that such plat will not result in the Assessment per Lot for any Lot Type to exceed the Maximum Assessment. If the Administrator determines that the resulting Assessment per Lot for any Lot Type will exceed the Maximum Assessment for that Lot Type, then (1) the Assessment applicable to each Lot Type shall each be reduced to the Maximum Assessment, and (2) the person or entity filing the plat shall pay to the City, or cause to be paid to the City, the amount the Assessment was reduced,

plus Prepayment Costs and Delinquent Collection Costs, if any, prior to the City approving the final plat. The City's approval of a plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such amounts. At no time shall the aggregate Assessments for any Lot exceed the Maximum Assessment.

D. Reduction of Assessments

If as a result of cost savings or the failure to construct all or a portion of an Authorized Improvement the Actual Costs of any Authorized Improvements are less than the Assessments, then (i) in the event PID Bonds have not been issued for the purpose of financing Authorized Improvements affected by such reduction in Actual Costs, the City Council shall reduce each Assessment on a pro rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs that were expended, or (ii) in the event that PID Bonds have been issued for the purpose of financing Authorized Improvements affected by such reduction in Actual Costs, the Trustee shall apply amounts on deposit in the applicable account of the project fund created under the Indenture relating to such series of PID Bonds that are not expected to be used for the purposes of the project fund as directed by the City pursuant to the terms of such Indenture. Such excess PID Bond proceeds may be used for any purpose authorized by such Indenture. The Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of any Assessed Property may, at any time, pay all or any part of an Assessment in accordance with the PID Act. Prepayment Costs, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed, or the Annual Service Plan Update has been approved by the City Council prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment on an Assessed Property is prepaid in full, with Prepayment Costs, (1) the Administrator shall cause the Assessment to be reduced to zero on said Assessed Property and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit such revised Assessment Roll to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate with respect to said Assessed Property;

and (4) the City shall provide the owner with a recordable "Notice of Assessment Termination," a form of which is included as **Exhibit H**.

If an Assessment on an Assessed Property is prepaid in part with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced on said Assessed Property and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit such revised Assessment Roll to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment will be reduced to the extent of the Prepayment made; and (4) the City shall provide the owner with a recordable "Notice of PID Assessment Termination", a form of which is included as **Exhibit H**.

F. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit F-2** shows the estimated Improvement Area #1 Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

Prior to the recording of a final subdivision plat, if any Parcel shown on the Assessment Roll is assigned multiple tax parcel identification numbers for billing and collection purposes, the Annual Installment shall be allocated pro rata based on the acreage of the Parcel not including any Non-Benefited Property or Non-Assessed Property, as shown by the Hays Central Appraisal District or the Guadalupe Appraisal District for each tax parcel identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. The Annual Collection Costs for a given Assessment shall be paid by the owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. Annual Installments shall be reduced by any credits applied under an applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes due and owing to the City. To the extent permitted by the PID Act or other applicable law, the City Council may provide for other means of collecting Annual Installments, but in no case shall the City take any action, or fail to take any action, that would cause it to be in default under any Indenture. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay any of the remaining unpaid Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with applicable law, including the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments of the Improvement Area #1 Assessments shall be due when billed and shall be delinquent if not paid prior to February 1, 2027.

Failure of an owner of an Assessed Property to receive an invoice for an Annual Installment shall not relieve said owner of the responsibility for payment of the Assessment. Assessments, or Annual Installments thereof, that are delinquent shall incur Delinquent Collection Costs.

G. Prepayment as a Result of an Eminent Domain Proceeding or Taking

Subject to applicable law, if any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a "**Taking**"), the portion of the Assessed Property that was taken or transferred (the "**Taken Property**") shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property) (the "**Remaining Property**"), following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment and Annual Installments applicable to the Remaining Property after any required Prepayment as set forth below. The owner of the Remaining Property will remain liable to pay, pursuant to the terms of this Service and Assessment Plan, as updated, and the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Assessment and Annual Installments applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Assessment that remains

due on the Remaining Property exceeds the applicable Maximum Assessment, the owner of the Remaining Property will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Assessment applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the Assessment on the Remaining Property.

In all instances the Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres constituting the Remaining Property shall be subject to the \$100 Assessment (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment, as applicable, on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to \$90 and the Annual Installments will be adjusted accordingly.

Notwithstanding the previous paragraphs in this subsection, if the owner of the Remaining Property notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the applicable Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. The owner will remain liable to pay the Assessment on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection, the Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

SECTION VII: ASSESSMENT ROLL

The Improvement Area #1 Assessment Roll is attached as **Exhibit F-1**. The Administrator shall prepare and submit to the City Council for review and approval proposed revisions to the Improvement Area #1 Assessment Roll and Improvement Area #1 Annual Installments for each Parcel as part of each Annual Service Plan Update.

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council's approval of the calculation. Otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. The Administrator shall provide a written response to the City Council and the owner not later than 30 days after receipt of such written notice of error by the Administrator. The City Council shall consider the owner's notice of error and the Administrator's response at a public meeting, and, not later than 30 days after closing such meeting, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council shall take such corrective action as is authorized by the PID Act, this Service and Assessment Plan, the applicable Assessment Ordinance, the applicable ordinance issuing the applicable PID Bonds, the applicable Indenture, or as otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this Service and Assessment Plan. Interpretations of this Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners of Assessed Property adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public meeting at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners of Assessed Property and developers and their successors and assigns.

D. Form of Buyer Disclosure/Filing Requirements

Per Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto as **Appendix A**. Within seven days of approval by the City Council, the City Secretary shall file and record in the real property records of the County the executed Assessment Ordinance approving this Service and Assessment Plan, or any future Annual Service Plan Updates. The executed Assessment Ordinance, including any attachments, approving this Service an Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in their entirety.

E. Severability

If any provision of this Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

**RIVER BRIDGE RANCH PUBLIC IMPROVEMENT DISTRICT - IMPROVEMENT AREA
#1 - LOT TYPE 1 HOMEBUYER DISCLOSURE**

NOTICE OF OBLIGATIONS RELATED TO PUBLIC IMPROVEMENT DISTRICT

A person who proposes to sell or otherwise convey real property that is located in a public improvement district established under Subchapter A, Chapter 372, Local Government Code (except for public improvement districts described under Section 372.0035), or Chapter 382, Local Government Code, shall first give to the purchaser of the property this written notice, signed by the seller.

For the purposes of this notice, a contract for the purchase and sale of real property having a performance period of less than six months is considered a sale requiring the notice set forth below.

This notice requirement does not apply to a transfer:

- 1) under a court order or foreclosure sale;
- 2) by a trustee in bankruptcy;
- 3) to a mortgagee by a mortgagor or successor in interest or to a beneficiary of a deed of trust by a trustor or successor in interest;
- 4) by a mortgagee or a beneficiary under a deed of trust who has acquired the land at a sale conducted under a power of sale under a deed of trust or a sale under a court-ordered foreclosure or has acquired the land by a deed in lieu of foreclosure;
- 5) by a fiduciary in the course of the administration of a decedent's estate, guardianship, conservatorship, or trust;
- 6) from one co-owner to another co-owner of an undivided interest in the real property;
- 7) to a spouse or a person in the lineal line of consanguinity of the seller;
- 8) to or from a governmental entity; or
- 9) of only a mineral interest, leasehold interest, or security interest

The following notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller having provided the required notice, the purchaser, subject to certain exceptions, is entitled to terminate the contract.

A separate copy of this notice shall be executed by the seller and the purchaser and must be filed in the real property records of the county in which the property is located at the closing of the purchase and sale of the property.

AFTER RECORDING¹ RETURN TO:

NOTICE OF OBLIGATION TO PAY IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF SAN MARCOS, TEXAS
CONCERNING THE FOLLOWING PROPERTY

PROPERTY ADDRESS

IMPROVEMENT AREA #1 LOT TYPE 1 PRINCIPAL ASSESSMENT: \$24,572.54

As the purchaser of the real property described above, you are obligated to pay assessments to the City of San Marcos, Texas, for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within *River Bridge Ranch Public Improvement District Improvement Area #1* (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City of San Marcos. The exact amount of each annual installment will be approved each year by the San Marcos City Council in the annual service plan update for the district. More information about the assessments, including the amounts and due dates, may be obtained from the City of San Marcos.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

¹ To be included in separate copy of the notice required by Section 5.0143, Tex. Prop. Code, to be executed at the closing of the purchase and sale and to be recorded in the deed records of Hays County when updating for the Current Information of Obligation to Pay Improvement District Assessment.

**RIVER BRIDGE RANCH PUBLIC IMPROVEMENT DISTRICT - IMPROVEMENT AREA
#1 - LOT TYPE 2 HOMEBUYER DISCLOSURE**

NOTICE OF OBLIGATIONS RELATED TO PUBLIC IMPROVEMENT DISTRICT

A person who proposes to sell or otherwise convey real property that is located in a public improvement district established under Subchapter A, Chapter 372, Local Government Code (except for public improvement districts described under Section 372.0035), or Chapter 382, Local Government Code, shall first give to the purchaser of the property this written notice, signed by the seller.

For the purposes of this notice, a contract for the purchase and sale of real property having a performance period of less than six months is considered a sale requiring the notice set forth below.

This notice requirement does not apply to a transfer:

- 1) under a court order or foreclosure sale;
- 2) by a trustee in bankruptcy;
- 3) to a mortgagee by a mortgagor or successor in interest or to a beneficiary of a deed of trust by a trustor or successor in interest;
- 4) by a mortgagee or a beneficiary under a deed of trust who has acquired the land at a sale conducted under a power of sale under a deed of trust or a sale under a court-ordered foreclosure or has acquired the land by a deed in lieu of foreclosure;
- 5) by a fiduciary in the course of the administration of a decedent's estate, guardianship, conservatorship, or trust;
- 6) from one co-owner to another co-owner of an undivided interest in the real property;
- 7) to a spouse or a person in the lineal line of consanguinity of the seller;
- 8) to or from a governmental entity; or
- 9) of only a mineral interest, leasehold interest, or security interest

The following notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller having provided the required notice, the purchaser, subject to certain exceptions, is entitled to terminate the contract.

A separate copy of this notice shall be executed by the seller and the purchaser and must be filed in the real property records of the county in which the property is located at the closing of the purchase and sale of the property.

NOTICE OF OBLIGATION TO PAY IMPROVEMENT DISTRICT ASSESSMENT TO
THE CITY OF SAN MARCOS, TEXAS
CONCERNING THE FOLLOWING PROPERTY

PROPERTY ADDRESS

IMPROVEMENT AREA #1 LOT TYPE 2 PRINCIPAL ASSESSMENT: \$29,138.41

As the purchaser of the real property described above, you are obligated to pay assessments to the City of San Marcos, Texas, for the costs of a portion of a public improvement or services project (the "Authorized Improvements") undertaken for the benefit of the property within *River Bridge Ranch Public Improvement District Improvement Area #1* (the "District") created under Subchapter A, Chapter 372, Local Government Code.

AN ASSESSMENT HAS BEEN LEVIED AGAINST YOUR PROPERTY FOR THE AUTHORIZED IMPROVEMENTS, WHICH MAY BE PAID IN FULL AT ANY TIME. IF THE ASSESSMENT IS NOT PAID IN FULL, IT WILL BE DUE AND PAYABLE IN ANNUAL INSTALLMENTS THAT WILL VARY FROM YEAR TO YEAR DEPENDING ON THE AMOUNT OF INTEREST PAID, COLLECTION COSTS, ADMINISTRATIVE COSTS, AND DELINQUENCY COSTS.

The exact amount of the assessment may be obtained from the City of San Marcos. The exact amount of each annual installment will be approved each year by the San Marcos City Council in the annual service plan update for the district. More information about the assessments, including the amounts and due dates, may be obtained from the City of San Marcos.

Your failure to pay any assessment or any annual installment may result in penalties and interest being added to what you owe or in a lien on and the foreclosure of your property.

¹ To be included in separate copy of the notice required by Section 5.0143, Tex. Prop. Code, to be executed at the closing of the purchase and sale and to be recorded in the deed records of Hays County when updating for the Current Information of Obligation to Pay Improvement District Assessment.

INTRODUCTION

The River Bridge Ranch development is located within the City of San Marcos' City Limits, Hays and Guadalupe County, Texas. River Bridge Ranch is located south of FM 110, and east of FM 621 along the San Marcos River. Attached as **Appendix A** is a site location map.

This report provides documentation of the public infrastructure items proposed to be funded by the PID through issuance of bonds by the City of San Marcos.

DEVELOPMENT SUMMARY

In preparing the Engineer's summary of current costs for the PID, the development was divided into Improvement Area 1 and Major Improvements.

The acreage of the development is approximately 328.80 acres. Please see **Appendix B-1** for an exhibit of the Public Improvement District (PID).

The acreage of Improvement Area 1 is approximately 89.13 acres. Please see **Appendix B-2** for an exhibit of Improvement Area 1.

Improvement Area 1 (IA 1) consists of 334 lots – a land plan is attached as **Appendix C**. Improvements for IA 1 are street, drainage, water, wastewater, landscape, permanent restoration and temporary erosion controls.

DEVELOPMENT IMPROVEMENTS

IMPROVEMENT AREA 1 (IA 1)

Water Improvements:

Water improvements include tie to offsite water line, trench safety, water lines, gate valves, fire hydrants, valve casting adjustments, cast iron fittings, services, and automatic flush valve. Water improvements will be owned and maintained by the City of San Marcos. See **Appendix D** for Improvement Area 1 Water Exhibit.

Wastewater Improvements:

Wastewater improvements includes wastewater lines, trench safety, manholes, extra depth, raise manhole castings, bore with encasement, connection to existing line, and services. Wastewater improvements will be owned and maintained by the City of San Marcos. See **Appendix E** for Improvement Area 1 Wastewater Exhibit.

Drainage Improvements:

The drainage improvements include storm sewer, trench safety, manholes, junction boxes, curb inlets, grate inlets, berms, berm/swale, channel and headwall. Drainage improvements will be owned and maintained by the City of San Marcos. See **Appendix F** for Improvement Area 1 Drainage Exhibit.

Street Improvements:

The street improvements include clearing and grubbing, excavation/embankment (grading), subgrade preparation, flexible base, Hot Mix Asphalt Concrete, curb and gutter, traffic control, streetlights, concrete sidewalk, sidewalk ramps, street marking and signs, saw cut and tie to existing pavement, erosion controls, and tree protection. Street improvements will be owned and maintained by the City of San Marcos. See **Appendix G** for Improvement Area 1 Roadway Exhibit.

Landscaping Improvements

Landscaping improvements include multi-use trails within the Improvement Area, along with proposed landscaping of rights of way and open spaces. Landscaping improvements will be

owned and maintained by the Homeowners Association. See **Appendix H** for Improvement Area 1 Landscape Exhibit.

Engineering, Surveying, and Project Management Costs

Included in the costs are 10% engineering and surveying cost along with a 4% project management cost. These percentages are based on total construction costs.

MAJOR IMPROVEMENTS

Water Improvements:

Water improvements include tie to existing City of San Marcos water line, trench safety, pressure reducing valve with vault, water lines, gate valves, fire hydrants, valve casting adjustments, cast iron fittings, services, irrigation sleeves, air release valves, and automatic flush valve. This portion of water line is located partly within the District, then along FM 621 to Old Bastrop Highway. Water improvements will be owned and maintained by the City of San Marcos. See **Appendix I** for Major Improvements Water Exhibit.

Wastewater Improvements:

Wastewater improvements include a lift station and a 12" force main. The improvements include a lift station, pipes, trench safety, manholes, extra depth, raise manhole castings, bore with encasement, valves, connection to existing line, and services. Wastewater improvements will be owned and maintained by the City of San Marcos. See **Appendix J** for Major Improvements Wastewater Exhibit.

Drainage Improvements:

The drainage improvements include a regional detention pond, storm sewer, trench safety, berms, berm/swale, channel and outlet structure. Drainage improvements will be owned and maintained by the City of San Marcos. See **Appendix K** for Major Improvements Drainage Exhibit.

Engineering, Surveying, and Project Management Costs

Included in the costs are 10% engineering and surveying cost along with a 4% project management cost. These percentages are based on total construction costs.
