**CITY OF SAN MARCOS, TEXAS  
SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2022  
(WHISPER PUBLIC IMPROVEMENT DISTRICT)  
DATED JANUARY 19, 2022  
IN THE PRINCIPAL AMOUNT OF \$\_\_\_\_\_**

AS BOND COUNSEL for the City of San Marcos, in Hays, Caldwell and Guadalupe Counties, Texas (the "Issuer"), we have examined into the legality and validity of the issue of the bonds described above (the "Bonds"), which bear interest from the dates and mature on the dates stated on the face of the Bonds, all in accordance with the Ordinance authorizing the issuance of the Bonds (the "Bond Ordinance") and the Trust Indenture (as defined below).

WE HAVE EXAMINED the applicable and pertinent provisions of the Constitution and laws of the State of Texas, and have examined and relied upon a transcript of certified proceedings of the Issuer and other pertinent instruments furnished by the Issuer relating to the authorization, issuance and delivery of the Bonds; and we have examined various certificates and documents executed by officers and officials of the Issuer upon which certificates and documents we rely as to certain matters stated below. We have also examined one executed Bond which we found to be in proper form and duly executed.

BASED ON SAID EXAMINATION, IT IS OUR OPINION that the Bonds have been duly authorized, and have been duly issued and delivered, all in accordance with law, and that, except as may be limited by laws relating to governmental immunity, bankruptcy, reorganization, and other similar matters affecting creditors' rights or by general principles of equity which permit the exercise of judicial discretion, (i) the Bonds constitute valid and legally binding obligations of the Issuer which are payable as to principal and interest from the sources provided in the Bond Ordinance and the Indenture of Trust between the Issuer and UMB Bank, N.A. dated as of \_\_\_\_\_, 2022, (the "Trust Indenture"), (ii) the covenants and agreements in the Trust Indenture constitute valid and binding obligations of the Issuer, (iii) the Bonds constitute valid and legally binding special obligations of the Issuer secured as Bonds under the Trust Indenture, and (iv) the Bonds are payable in accordance with the priorities established in the Trust Indenture from the sources provided therein.

THE ISSUER has reserved the right, subject to the restrictions stated in the Trust Indenture, to amend the Trust Indenture in the manner provided therein; and under some (but not all) circumstances amendments thereto must be approved by the registered owners of a majority in principal amount of all outstanding bonds affected by such amendment and secured by the Trust Indenture.

THE REGISTERED OWNERS of the Bonds shall never have the right to demand payment of the principal thereof or interest thereon out of any funds raised or to be raised by taxation, or from any source whatsoever other than specified in the Trust Indenture.

IT IS FURTHER OUR OPINION, except as discussed below, that the interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes under the statutes, regulations, published rulings, and court decisions existing on the date of this opinion. We are further of the opinion that the Bonds are not "specified private activity bonds" and that, accordingly, interest on the Bonds will not be included as an individual or corporate alternative minimum tax

preference item under section 57(a)(5) of the Internal Revenue Code of 1986 (the "Code"). In expressing the aforementioned opinions, we have relied on certain representations, the accuracy of which we have not independently verified, and assume compliance by the Issuer with certain covenants, regarding the use and investment of the proceeds of the Bonds and the use of the property financed, and refinanced, therewith. In expressing the aforementioned opinions, we have relied on certain representations and covenants regarding the use and investment of the proceeds of the Bonds. We call your attention to the fact that if such representations are determined to be inaccurate or upon a failure by the Issuer to comply with such covenants, interest on the Bonds may become includable in gross income retroactively to the date of issuance of the Bonds.

EXCEPT AS STATED ABOVE, we express no opinion as to any other federal, state, or local tax consequences of acquiring, carrying, owning, or disposing of the Bonds, including the amount, accrual or receipt of interest on, the Bonds. In particular, but not by way of limitation, we express no opinion with respect to the federal, state or local tax consequences arising from the enactment of any pending or future legislation. Owners of the Bonds should consult their tax advisors regarding the applicability of any collateral tax consequences of owning the Bonds.

OUR OPINIONS ARE BASED ON EXISTING LAW, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the "Service"); rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Issuer as the taxpayer. We observe that the Issuer has covenanted not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Bonds as includable in gross income for federal income tax purposes.

WE EXPRESS NO OPINION as to any insurance policies issued with respect to the payments due for the principal of and interest on the Bonds, nor as to any such insurance policies issued in the future.

OUR SOLE ENGAGEMENT in connection with the issuance of the Bonds is as Bond Counsel for the Issuer, and, in that capacity, we have been engaged by the Issuer for the sole purpose of rendering our opinions with respect to the legality and validity of the Bonds under the Constitution and laws of the State of Texas, and with respect to the exclusion from gross income of the interest on the Bonds for federal income tax purposes, and for no other reason or purpose. The foregoing opinions represent our legal judgment based upon a review of existing legal authorities that we deem relevant to render such opinions and are not a guarantee of a result. We have not been requested to investigate or verify, and have not independently investigated or verified, any records, data, or other material relating to the financial condition or capabilities of the Issuer, or the disclosure thereof in connection with the sale of the Bonds, and have not assumed any responsibility with respect thereto. We express no opinion and make no comment with respect to the marketability of the Bonds. Our role in connection with the Issuer's Limited Offering Memorandum prepared for use in connection with the sale of the Bonds has been limited as described therein.

THE FOREGOING OPINIONS represent our legal judgment based upon a review of existing legal authorities that we deem relevant to render such opinions and are not a guarantee of a result.

Respectfully,
