4. Manufactured homes shall be installed in accordance with the following criteria:
  - a. The frame shall be supported by and tied to a foundation system capable of safely supporting the loads imposed as determined from the character of the soil. The minimum acceptable foundation design shall be a series of eight-inch grout-filled concrete block piers spaced no more than eight feet on center and bearing on 12-inch by 12-inch solid concrete footings. A tiedown and anchoring system separate and apart from the foundation ties shall be provided as recommended by the manufacturer, if different from the foundation ties.
  - b. Axle and hitch assemblies shall be removed at the time of placement on the foundation.
  - c. Each manufactured home shall be totally skirted with metal, masonry, pressure-treated wood, or other nondegradable material which is compatible with the design and exterior materials of the primary structure.
  - d. Electrical power supply shall be made from a meter installation on the manufactured home or from a permanent meter pedestal.
  - e. Driveways and off-street parking shall be provided in accordance with the requirements for single-family dwellings.
5. Garage and carport additions are permitted, provided they cover a paved parking area and are connected to a street by a paved drive, meet the minimum building setback requirements, and have roof and siding material that is consistent with the primary structure.
6. Patio and porch covers are permitted, provided they cover an improved patio, deck, or porch, and meet the minimum building setback requirements.
7. Living area additions are permitted, provided they meet the minimum building setback requirements, have roof and siding material that is compatible with the primary structure, and comply with the same structural standards as required of the primary structure.

#### Section 9.2.1.4D, Duplex Residential District

- A. **Purpose.** The D Duplex Residential District is intended for development of single-family residences and associated uses as well as for development on larger parcels of land of low density two-family duplex units.
