

EXHIBIT D
RESOLUTION OF SUPPORT

Resolution of Support

We, the (appropriate leadership committee) of the First United Methodist Church of San Marcos, by and through this Resolution of Support, affirmatively request that the City of San Marcos support the entitlement requests made by Mr. Schenk, including the rezoning of (tract) to a designation that would support a purpose-built, multi-family student housing product.

We are committed to downtown San Marcos for the long haul, both as a Church, and as individual parishioners. And our commitment to the future of downtown San Marcos is both long-standing, and deeply-held. That is why our process of marketing this particular property for sale was so discerning, and why we selected an individual whom we believe has a track record of professionalism and concern for this community of ours.

Jared Schenk and his company, Schenk Realty, met that requirement, and surpassed all other potential Buyers. And we make that affirmative statement based on our own thorough diligence, and with a commitment to the long-term best interest of this community of ours.

While we cannot bind our individual Parishioners to a particular action or belief, and while ours is a diverse membership, we want to clearly state our support as (appropriate leadership committee) of the First United Methodist Church of San Marcos for Mr. Schenk's entitlement process. We urge the City of San Marcos to approve these requests and allow a purpose-built, multi-family student housing on (tract), and we as a (committee) are united in support of Mr. Schenk in this process.

There are certain portions of our community where purpose-built, multi-family student housing is both desired and appropriate. Because of its proximity to Texas State University, this is certainly one of those locations, and Mr. Schenk is uniquely capable of providing a quality product here. A product that we as a Church are pleased to support, and that we believe will be beneficial to downtown San Marcos.

Thank you for supporting us, and for supporting Mr. Schenk.
