Zoning Description	The Future Development (FD) District is intended to serve as a temporary zoning district for properties that shall develop in the future but have been newly annexed and/or are not yet ready to be zoned for a particular Use. Characterized by primarily agricultural use with woodlands and wetlands and scattered buildings	The Commercial (CM) District is intended to serve as a commercial gateway and to take advantage of proximity to major roadways, therefore the quality and aesthetics of new development is very important. EC should be applied along highway corridors that serve as entrances to downtown or other pedestrian oriented activity areas.
