

Service Plan for the Annexation of a 59.734 +/- acre tract of land out of the John Williams Survey, Abstract No. 490, Hays County, Texas, generally located off Ranch Road 12, and a part of the La Cima Development.

Pursuant to the provisions of the Texas Local Government Code, Chapter 43, the following service plan is hereby adopted for the annexation of a 59.734 +/- acre area. The property is being annexed as required in an Development Agreement approved by City Council on September 16, 2014

1. Police Protection

Police services, including patrolling, response to calls and other routine services, will begin on the effective date of the annexation using existing personnel and equipment.

2. Fire Protection

Fire protection services, including emergency response calls, will begin on the effective date of the annexation using existing personnel and equipment and within the limitations of the available water supply.

3. Emergency Medical Services

Emergency medical services, including emergency response calls, will continue at the same level of service after the annexation. The City of San Marcos contracts for emergency medical services through the San Marcos – Hays County EMS, which already provides service to the area being annexed.

4. Solid Waste Collection

Solid waste collection services, provided under contract with a private company, will be made available to all residences on the effective date of the annexation. Residents of the annexed area may elect to continue using the services of a private solid waste hauler for a period of two years after the effective date of the annexation. Businesses and institutions must make arrangements with private solid waste haulers.

5. Operation and Maintenance of Water and Wastewater Facilities

The annexation area is located within the City of San Marcos certified service area for water and does not appear to be located within any certified service area for wastewater.

6. Construction, Operation and Maintenance of Roads and Streets

As new development occurs within the annexed area, the developers of property will be required to construct streets in accordance with the city's existing subdivision policies.

7. Electric Service

The property is located in the Pedernales Electric Cooperative service area.

8. Operation and Maintenance of Parks, Playgrounds, and/or Swimming Pools

No parks, playgrounds and/or swimming pools currently exist within the proposed annexation area. The same standards and policies now established and in force within the city limits will be followed in maintaining and expanding recreational facilities to serve the annexed area. Upon annexation, the owners and residents of property located within the annexed area shall be entitled to the use of all municipal parks and recreational facilities, subject to the same restrictions, fees and availability that pertains to the use of those facilities by other citizens of the city.

9. Operation and Maintenance of Other Public Facilities, Buildings and Services

No other public facilities, buildings or services currently exist within the annexed area. The same standards and policies now established and in force within the city limits will be followed in maintaining and expanding other public facilities, building and services. Upon annexation, the owners and residents of property located within the annexed area shall be entitled to the use of all municipal facilities, buildings and services, subject to the same restrictions, fees and availability that pertains to the use of those facilities and services by other citizens of the city.
