Dias,
Its days like these I'm thrilled they never counted those missing ballot boxes of all my supporters on those early voting days, the educated voters. Because while waiting for that meeting that went over making us plebeians wait out in the foyer, I got to sit with a wonderful planner and a wonderful home town couple who grew up in that house speak of their Olive Garden concerns. The CUP tonight was put on hold for a month because we have highly ethical PZ representatives who lent a empathetic ear to this couple who attended. This was their first time to attend City Hall. Thank you to City Staff and the PZ for being so respectful to this home town couple.
Best Regards, LMC
