Hey Rachel,

Yes it was June 30. So you were correct.

Thanks for checking.

Angela

Hi Angela,

Back in January/February I believe, I had talked with Eric about our Hazmat AreaRAEs grant through the HSGP program. What I remember being told was that I had until June 30<sup>th</sup> to spend the \$\$ for the grant before I would have to turn it back to the COG so that it could be spent on another project and we wouldn't lose the money as a region. Can you verify that? I am fairly certain the June 30<sup>th</sup> date was important so that HSTF could make the decision of where to reallocate the money. I spent the money for the grant so that's isn't an issue. I just want to verify that was the process.

Thank you,

**Rachel Ingle**
