Plat - Final  
PC-18-10\_03

Trace Phase 2A, Sec B

History

The proposed plat is part of the Trace Planned Development District (PDD). Surety for the construction of the adjacent roadways and public utilities have been sufficiently provided through reimbursements from the Trace Public Improvement District created in Resolution No. 2015-145R.

Additional Analysis

All requirements of Section 3.2.3.4 and Section 3.4.2 of the Development Code have been met.

Evaluation			Criteria for Approval (Sec. 3.2.3.4)
Consistent	Inconsistent	Neutral	
		<u>N/A</u>	If no preliminary subdivision or development plat has been approved the criteria in Section 3.2.2.4 shall apply;
<u>X</u>			The final subdivision plat or final development plat, as applicable, conforms to the approved preliminary subdivision plat or preliminary development plat, except for minor changes authorized under Section 3.2.3.5;
<u>X</u>			Where public improvements have been installed, the improvements conform to the approved public improvement construction plans and have been approved for acceptance by the Responsible Official; <b><i>Surety for construction of Public Improvements has been fulfilled through the Trace Public Improvement District (PID).</i></b>
<u>X</u>			Where the Planning and Zoning Commission has authorized public improvements to be deferred, the subdivision improvement agreement and surety have been executed and submitted by the property owner in accordance with Section 3.4.2.1; <b><i>Surety for construction of Public Improvements has been fulfilled through the Trace Public Improvement District (PID).</i></b>
<u>X</u>			The final layout of the subdivision or development meets all standards for adequacy of public facilities in accordance with Section 3.5.1.1; and
		<u>N/A</u>	The plat meets any County standards to be applied under an interlocal agreement between the City and a County under Tex. Loc. Gov't Code Ch. 242, where the proposed development is located in whole or in part in the extraterritorial jurisdiction of the City and in the county.
