Re: Recommendation of Award
Travis Street Heritage Drainage Outfall Improvements

Dear Mr. Castillo:

Bids for the above referenced project were received by the City of San Marcos on October 30, 2018. Each bid was opened publicly and read aloud at 2:00 P.M. on that same day. A copy of the Bid Tabulation for this project was completed by Freese and Nichols and is attached for your use. The apparent low bidder for the project is Cox Commercial Construction, LLC. (Cox Commercial) of Austin, Texas.

Based on our review of the bid and verified references, we recommend Award of Contract for the Travis Street Heritage Drainage Outfall Improvements project to Cox Commercial in the amount of Two Million Nine Hundred Fifty-One Thousand Seven Hundred and Forty-Four Dollars and Fifty Cents (\$2,951,744.50).

Substantial completion of the project is to be achieved within one hundred eighty (180) calendar days after the date when the Contract Times commence as established by the Notice to Proceed.

Sincerely,

FREESE AND NICHOLS, INC.

Blaine Laechelin, P.E., CFM

cc: Richard Reynosa, P.E., Project Engineer
