Section IV
ASSESSMENT PLAN

A. Introduction

The PID Act requires the City Council to apportion the cost of the Public Improvements based on the special benefits conferred to each Parcel or Lot from the Public Improvements. The PID Act provides that the Actual Costs may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the City Council may establish the methods of assessing the special benefits for various classes of improvements.

The determination by the City Council of the assessment methodology set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Landowners and all future owners and developers of any Assessed Property.

B. Assessment Methodology

The City Council has determined that the costs of the Public Improvements shall be allocated to the Assessed Property by spreading the entire Assessment across all Assessed Property based on the ratio of the estimated build out value of each Lot to the total build out value for all Parcels. Table IV-A summarizes the allocation of the Initial Assessments and Additional Assessments.

The City Council, acting in its legislative capacity based on information provided by the Landowner and its engineer and reviewed by the City staff and by third-party consultants retained by the City, has found and determined:

1. The estimated costs of the Public Improvements and Bond Issuance Costs equal \$24,818,016, as shown on **Table III-A**; and
2. The Elementary School Site is allocated \$223,864 of the Public Improvement costs, resulting in \$24,594,152 in Public Improvements and Bond Issuance Costs being allocated to the Assessed Property; and
3. The Assessed Property receives special benefit from the Public Improvements equal to or greater than the Actual Cost of Assessed Property's allocable share of the Public Improvements; and
4. The special benefit (\geq \$24,594,152) received by the Assessed Property from the Public Improvements is greater than the combined amount of the Initial Assessments and Additional Assessments (\$22,100,000) levied for the Public Improvements.
5. The Landowners have acknowledged by execution of the PID Financing Agreement that the Public Improvements confer a special benefit on the Assessed Property and have consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. The Landowners have ratified, confirmed, accepted, agreed to and approved: (i) the determinations and findings by the City Council as to the special benefits described herein and the Assessment Ordinances; and (ii) the levying of Assessments on the Assessed Property.

D. Annual Collection Costs

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel or Lot based on the amount of outstanding assessment remaining on the Parcel or Lot. The Annual Collection Costs shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll shown on **Appendix A**, which is subject to revision through Annual Service Plan Updates.

E. Additional Interest

The interest rate on Assessments levied on the Assessed Property may exceed the interest rate on the PID Bonds by the Additional Interest Rate. The Additional Interest shall be collected as part of each Annual Installment. The Additional Interest shall be deposited and used as described in the Indenture for any PID Bonds.

Section V

SERVICE PLAN

The PID Act requires a service plan to (i) cover a period of at least five years, and (ii) define the annual projected costs and indebtedness for the Public Improvements undertaken within the PID during the five year period.

The estimated cost for the Public Improvements and Bond Issuance Costs is \$24,818,016 as shown in **Table V-A**. The service plan shall be reviewed and updated at least annually for purposes of determining the annual budget for Annual Collection Costs, updating the costs of the Public Improvements, and updating Assessment Roll shown on **Appendix A**.

Table V-A summarizes the sources and uses of funds required to construct the Public Improvements. The sources and uses of funds shown in **Table V-A** shall be updated each year in the Annual Service Plan Update.

Section VI TERMS OF THE ASSESSMENTS

A. Amount of Assessments and Annual Installments for Parcels

The Assessments and Annual Installments for the Assessed Property are shown on the Assessment Roll in **Appendix A**. The Assessment and Annual Installments shall not be changed except as authorized under the terms of this SAP and the PID Act.

B. Reallocation of Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of a subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the estimated buildout value of the newly divided Assessed Property

D = the sum of the estimated buildout value for all of the newly divided Assessed Properties

The calculation of the buildout value of an Assessed Property shall be performed by the Administrator based on information from the Landowners, homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded Subdivision Plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the newly subdivided Lots based on buildout value according to the following formula:

$$A = [B \times (C \div D)] / E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated average buildout value of all newly subdivided Lots with same Lot Type

D = the sum of the estimated average buildout value for all of the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Landowner shall provide the City an estimated buildout value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the estimated average buildout value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Landowner, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

3. Upon Consolidation

Upon the consolidation of two or more Assessed Properties, the Assessment for the consolidated Assessed Property shall be the sum of the Assessments for the Assessed Properties prior to consolidation. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be calculated by the Administrator and reflected in an Annual Service Plan Update approved by the City Council. The consolidation of any Assessed Property as described herein shall be considered an administrative action and will not require any notice or public hearing (as defined in the PID Act) by the City Council.

C. Mandatory Prepayment of Assessments

If Assessed Property or a portion thereof is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Lot, Parcel or portion thereof to become Non-Benefitted Property, the owner of such Lot, Parcel or portion thereof shall pay to the City the full amount of the Assessment, plus all Prepayment Costs, and Delinquent Collection Costs, for such Lot, Parcel or portion thereof prior to any such transfer or act.

D. Mandatory Reduction of Assessments

Pursuant to the PID Financing Agreement, the Landowner is required to prepay \$2,600,000 in Assessments levied against the business park and retail parcels by the earlier of i) the issuance of Additional PID Bonds, and ii) August 31, 2022. If the \$2,600,000 prepayment described above has not been received on or before August 31, 2022, then the Assessment levied against all property in the PID shall be reduced by \$2,600,000, allocating such reduction to each Parcel pro rata based on the amount of outstanding Assessment levied against each Parcel.

E. Reduction of Assessments

If after all Public Improvements to be funded with PID Bonds have been completed and the Actual Costs for the Public Improvements are less than the costs used to calculate the Assessments, then the City may reduce the Assessment for each Assessed Property pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. Additionally, the City may, at its discretion use such excess bond proceeds to fund additional Public Improvements in the PID. The Assessments shall not be reduced to an amount less than the outstanding principal amount of the PID Bonds.

Similarly, if the City does not undertake some of the Public Improvements, then the City may, at its discretion, reduce the Assessment for each Assessed Property pro-rata to reflect only the Actual Costs that were expended. The Assessments shall not be reduced to an amount less than the outstanding principal amount of the PID Bonds.

F. Payment of Assessments

1. Prepayment in Full or in Part

The Assessment for any Parcel or Lot may be paid in full, plus interest through the date of prepayment, at any time in accordance the PID Act.

If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount upon payment.

Upon payment in full of an Assessment, the City shall deposit the payment in accordance with the related Indenture; whereupon, the Assessment for the Parcel or Lot shall be reduced to zero, and the Parcel or Lot owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate. The City shall provide the owner of the affected Assessed Property a recordable "Notice of PID Assessment Termination."

At the option of a Parcel or Lot owner, the Assessment on any Parcel or Lot may be prepaid in part in an amount equal to the amount of prepaid Assessments plus

interest through the date of prepayment, if any, with respect thereto. Unless otherwise directed to a specific Assessment by the Parcel or Lot owner, any prepayment or partial prepayment for an Assessed Property within the District will be allocated between the Initial Assessments and the Additional Assessments proportionally based on the amount of Initial Assessments and Additional Assessments outstanding on such Assessed Property at the time of such prepayment or partial prepayment. Upon the payment of such amount for a Parcel or Lot, the Assessment for the Parcel or Lot shall be reduced by the amount of such prepayment, the Assessment Roll shall be updated to reflect such prepayment, and the obligation to pay the Annual Installment for such Parcel or Lot shall be reduced to the extent the prepayment is made.

2. Payment of Annual Installments

The PID Act provides that an Assessment for a Parcel or Lot may be paid in full at any time. If not paid in full, the PID Act authorizes the City to collect interest and collection costs on the outstanding Assessment. An Assessment for a Parcel or Lot that is not paid in full will be collected in Annual Installments each year in the amounts shown in the Assessment Roll, which includes interest on the outstanding Assessment and Annual Collection Costs. Any partial payment of an Annual Installment for an Assessed Property within the District will be allocated between the Initial Assessments and Additional Assessments proportionally based on the amount of Initial Assessments and Additional Assessments outstanding on such Assessed Property at the time of such partial payment.

The Annual Installments for the Assessments have been calculated utilizing an interest rate of 6.00% for the portion of the Assessments used to pay the Initial PID Bond debt service, and 5.5% for the portion of the Assessments used to pay the Reimbursement Obligation debt service. Upon the issuance of Additional PID Bonds, the interest rate will be adjusted to the blended average of all outstanding PID Bonds.

The City reserves and shall have the right and option to refund PID Bonds in accordance with Section 372.027 of the PID Act, and such refunding bonds shall constitute "PID Bonds" for purposes of this SAP.

Any sale of Assessed Property for nonpayment of the delinquent Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such Assessed Property and such Assessed Property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such Assessed Property as they become due and payable.

Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

Section VII
THE ASSESSMENT ROLL

The Assessment Roll is attached as **Appendix A**. The Administrator shall prepare, and submit to the City Council for review and approval, proposed revisions to the Assessment Roll as well as the Annual Installments as part of each Annual Service Plan Update.

Section VIII ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this SAP, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner's sole and exclusive remedy shall be to submit a written notice of error to the City within 30 days of the mailing of a bill for the Annual Installment resulting from the this SAP or any Annual Service Plan Update; otherwise, the owner shall be deemed to have unconditionally approved the calculation. Upon receipt of a written notice of error from an owner, the City shall refer the notice to the Administrator who shall provide a written response to the City and the owner within 30 days of such referral. The City Council shall consider the owner's notice of error and the Administrator's response, and within 30 days the City Council shall make a final determination as to whether or not an error has been made. If the City Council determines that an error has been made, the City Council shall take such corrective action as is authorized by the Act, this SAP, the Assessment Ordinance, or the Indenture, or is otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this SAP must be made by the City Council in accordance with the Act. To the extent permitted by the Act, this SAP may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this SAP.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this SAP; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this SAP. Interpretations of this SAP by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

D. Severability

If any provision of this SAP is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.
