

The map displays a large, shaded, irregularly shaped lot, likely a school site, with a small, rectangular, hatched area within it. The lot is surrounded by residential streets and lots. Key streets include Jones St, Hines St, Marshall St, Reyes St, Patricia Dr, Parker Dr, Ebony St, Hays St, and Cape Rd. A highway shield for Interstate 35 is visible. An inset map in the bottom right corner shows the location of the study area within the city of San Antonio, with a star marking the site. A scale bar indicates distances up to 4 miles.
