

To Whom It May Concern Regarding City of San Marcos Animal Shelter,

Billing Account Number 200174601

Shipping Account Number 200176168

Please note that the following pricing applies to all orders submitted with Patterson Veterinary Supply:

All Shelter pricing and agreements that are in place from the manufacturer will be honored and applied. This includes but is not limited to any manufacturers that dictate pricing to distribution based on these agreements and set pricing.

All products that this set manufacturer pricing does not apply to will have a cost plus 10% set. As retail pricing can be arbitrary on these products, and can differ from company to company, we have found this is a true reflection of discount and competitive pricing. As our actual cost on an item goes up or down so will your pricing. You will always know you are getting your true discount based on true cost of product versus any retail markup.

Shipping from Patterson warehouses is always free, regardless of product or order size. This covers the majority of all items purchased. Any drop ship items from the manufacturer that have shipping costs are charged from manufacturer and passed through to customer. This is generally large equipment, special non stocked items, etc.

Please let us know if you have any questions at all and thank you for the opportunity to partner with you and earn your trust.

Sincerely,

Danielle Armstrong
