**Section 4.02. Ten-Year Payment Period.** The City shall make up to 10 annual Grant Payments to Company, as outlined in Exhibit "C." The year 2022 will be the first year in which the full value of all completed Real Property improvements will be reflected on the tax rolls (as of January 1) and the requisite 542 Jobs must be created and maintained (as of December 31). Accordingly, the first year in which an application for a Grant Payment may be submitted to and paid by the City is 2023.

Limitations on City Obligations.** The Grant Payments made and any other financial obligation of the City hereunder shall be paid solely from lawfully available funds that have been budgeted and appropriated by the City each applicable fiscal year during the Term as provided in this Agreement. Under no circumstances shall the City's obligations hereunder be deemed to create any debt within the meaning of any constitutional or statutory provision. Consequently, notwithstanding any other provision of this Agreement, the City shall have no obligation or liability to pay any Grant Payments or other payments unless the City budgets and appropriates funds to make such payments during the City's fiscal year in which such Grant Payment(s) or other payments are payable under this Agreement. If the City fails to appropriate funds for a Grant Payment during any fiscal year, Company may at its option terminate this Agreement effective upon written notice to the City, subject to any unpaid Grant Payment properly due to Company for which a lawful appropriation of funds has occurred.

such year, a certified Compliance Certificate, acceptable to the city manager of the City and signed by an authorized officer or employee of Company, that Company is in full compliance with its obligations under this Agreement or, if not in full compliance, a statement disclosing the nature of any non-compliance and any reasons therefor. Beginning in calendar year 2023, each Compliance Certificate shall also include information regarding Company's satisfaction of the Minimum Jobs Requirement as of the end of the preceding calendar year, as determined in accordance with Section 3.03. After receiving a timely submitted Compliance Certificate, the City shall have thirty (30) days to notify Company in writing of any questions that the City may have concerning any of the information provided by Company in its Compliance Certificate, and Company shall diligently work in good faith to respond to such questions to the City's reasonable satisfaction.

The City's obligations under this paragraph do not impose a duty upon the City to challenge any ruling

or opinion of the Texas Attorney General to release information in response to a specific request for information under the Texas Public Information Act.

## **ARTICLE IX DEFAULT, TERMINATION AND REMEDIES**

**Section 9.01. Default and Termination.** Except as otherwise provided herein, at any time during the Term of this Agreement that Company is not in material compliance with its obligations under this Agreement, the City may send written notice of such non-compliance to Company. If such non-compliance is not cured within thirty (30) days after Company's receipt of such notice or, if non-compliance is not reasonably susceptible to cure within thirty (30) days and a cure is not begun within such 30-day period and thereafter continuously and diligently pursued to completion on a schedule approved by the City (in either event, a "Cure"), then the City may, at its sole discretion, terminate this Agreement or withhold Grant Payments otherwise due for the calendar year or years in which the non-compliance occurs. If the City elects to withhold Grant Payments under this Section rather than to terminate the Agreement, then, upon a Cure by Company, Company will be eligible to receive Grant Payments in future years (provided it is otherwise in compliance and subject to other limitations of this Agreement) for the remainder of the Term. However, the Grant Payment withheld by the City for any year during which Company was not in compliance, shall be deemed forfeited by Company and the City shall not be liable for later payment of such forfeited Grant Payments. Except as to circumstances arising from an event of *force majeure*, the Term shall not be extended as a result of any cure period agreed to by the City under this Section.

In no event shall the City's liability for damages under this Agreement exceed the amount of the Grant Payment due and owing to Company for the Company's proper performance in the year immediately preceding the year in which the breach by the City Occurred.

**Section 9.04. Offset.** The City may deduct from any Grant Payments, as an offset, any delinquent and unpaid fees, sums of money or other fees, charges or taxes assessed and owed to or for the benefit of the City by Company.
