AGREEMENT TO THE PLACEMENT OF NOTIFICATION SIGNS AND ACKNOWLEDGEMENT OF NOTIFICATION REQUIREMENTS

The City of San Marcos Development Code requires public notification in the form of notification signs on the subject property, published notice, and / or personal notice based on the type of application presented to the Planning Commission and / or City Council.

- Notification Signs: if required by code, staff shall place notification signs on each street adjacent to the subject property and must be placed in a visible, unobstructed location near the property line. It is unlawful for a person to alter any notification sign, or to remove it while the request is pending. However, any removal or alteration that is beyond the control of the applicant shall not constitute a failure to meet notification requirements. ***It shall be the responsibility of the applicant to periodically check sign locations to verify that the signs remain in place had have not been vandalized or removed. The applicant shall immediately notify the responsible official of any missing or defective signs. It is unlawful for a person to alter any notification sign, or to remove it while the case is pending; however, any removal or alteration that is beyond the control of the applicant shall not constitute a failure to meet notification requirements.***
- Published Notice: if required by code, staff shall publish a notice in a newspaper of general circulation in accordance with City Codes and the Texas Local Government Code. ***If, for any reason, more than one notice is required to be published it may be at the expense of the applicant. The renotification fee shall be \$91 plus a \$13 technology fee.***
- Personal Notice: if required by code, staff shall mail personal notice in accordance with City Codes and the Texas Local Government Code. ***If, for any reason, more than one notice is required to be mailed it may be at the expense of the applicant. The renotification fee shall be \$91 plus a \$13 technology fee.***

I have read the above statements and agree to the required public notification, as required, based on the attached application. The City's Planning and Development Services Department staff has my permission to place signs, as required, on the property and I will notify City staff if the sign(s) is/are damaged, moved or removed. I understand the process of notification and public hearing and hereby submit the attached application for review by the City.

Re: Vantage at San Marcos – Alternative Compliance Request
- CD-2.5 – Division 4 – Section 7.1.4.1

Dear City of San Marcos,

We are requesting Alternative Compliance to the above mentioned section of the Development Code as it relates to the design of the single family homes and design elements related around a front porch, ornamental fixtures and garage widths and location relative to the homes proposed.

The current design regulations require a garage to be located behind the front façade of a house excluding any front porch proposed on a home within the district. We would like to propose placing the garage along the front façade while accommodating a front porch design as an element of the house, however limit the ability of any garage within the subdivision sticking out any further than 6' of the house to prevent "snout" houses and long runs along exterior walls.

Additionally, any front porch shall be required on a minimum of 50% of the homes. The front porch shall have a minimum area of 50 square feet.

The total width of the garage door including any center columns between tow garage doors shall not exceed more than 55% of the width of the house.

Additionally, a pedestrian sidewalk shall be provided connection the main entrance of the home to the public sidewalk along the street. The pedestrian sidewalk shall be separated from the driveway.

A similar request was recently discussed and approved by the City for a nearby community and is not substantially varying from the single-family homes that are within the adjacent Cottonwood Creek neighborhood

The request is not detrimental to the public health, safety or welfare, nor injurious to other property within the area.

This request does not have an adverse impact to adjacent property or neighborhoods or add undue drainage, parking, traffic, noise odors or visual nuisances.

This request does not have the effect of preventing the orderly use and enjoyment of other property within the area in accordance to with the provisions of the City Development Code or adversely affect the rights of owners or residents of adjacent property or neighborhoods.

The request does not result in any incompatibility of the development to which it relates with, or the character and integrity of, adjacent property or neighborhoods.

This request meets all the remaining standards of the zoning district.

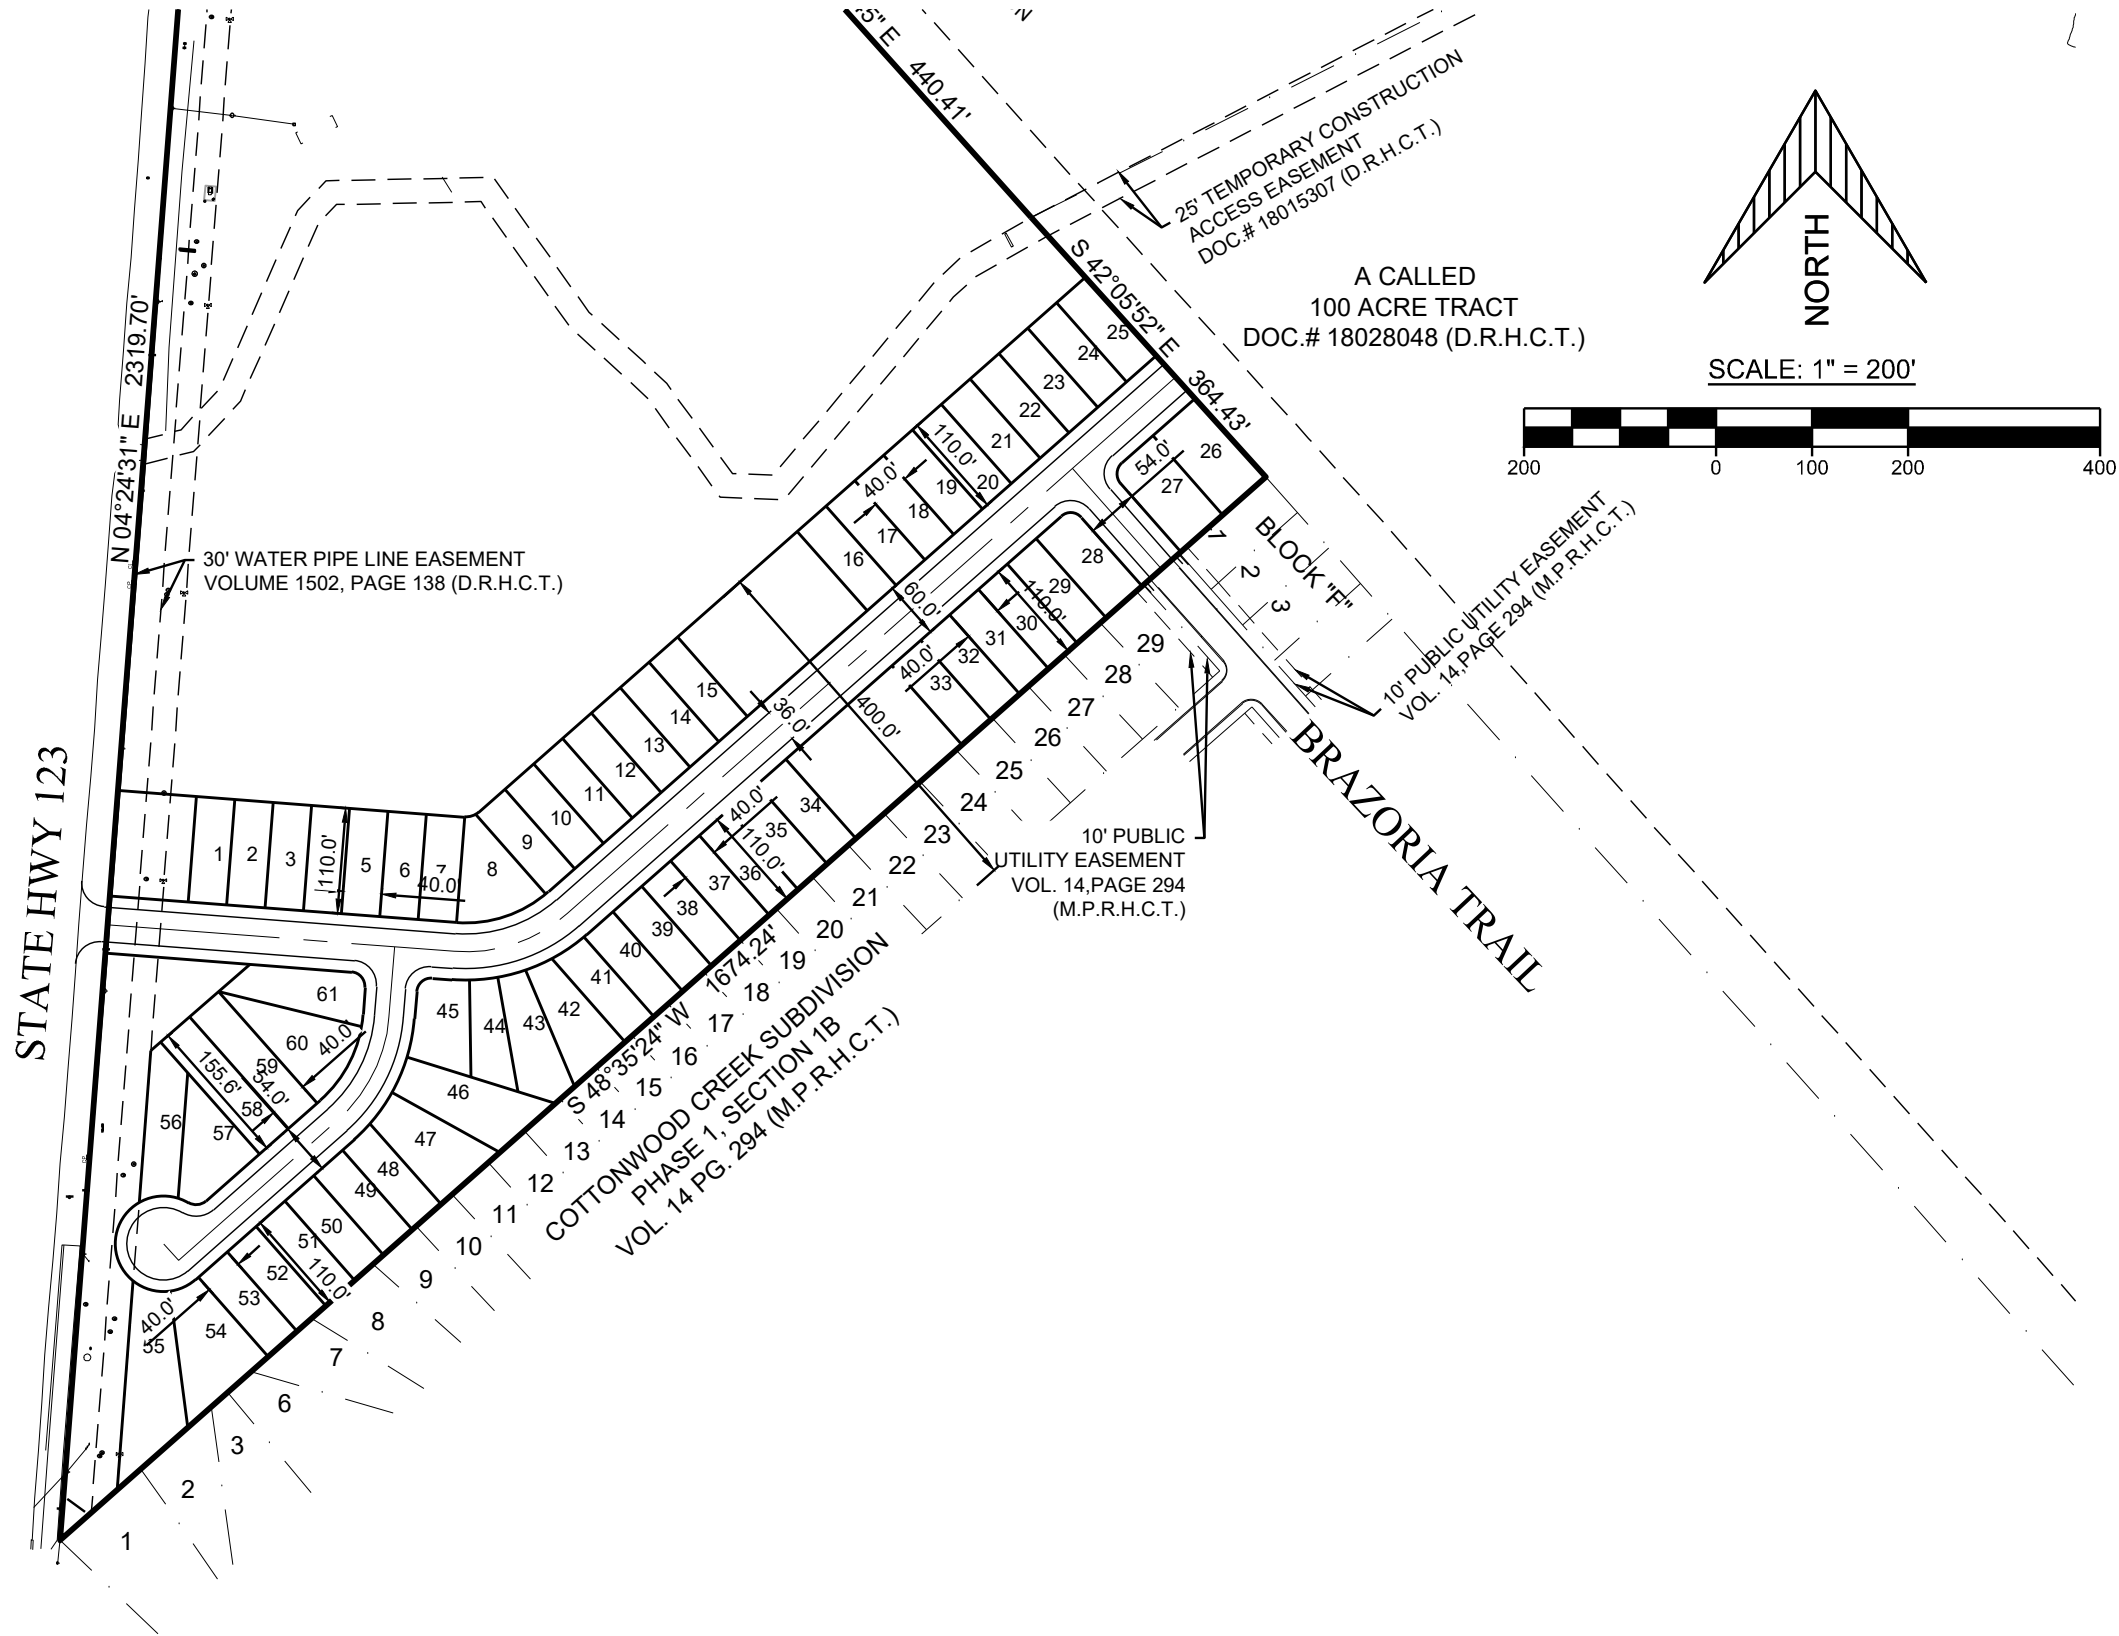

We respectfully request that alternative compliance to our project per the lot dimensions associated with the attached plan be granted in order for the project to move forward per the remaining zoning standards

If you have any question with this request, please feel free to contact us directly.

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Weigand', with a long horizontal flourish extending to the right.
