

Notes from our Call regarding the proposed Boutique Hotel at 333 Cheatham Street

The trade name of the boutique hotel will be The Elle. We would also like to refer to it as The Elle Motel.

We are purchasing it as individuals but business will be conducted using an LLC. That LLC will be incorporated following the purchase of the land.

We will have outdoor amplified music on occasion on Friday and Saturday nights. It will never go on past 10:30 pm. There will be no permanent speakers or TVs located outside. We will use a pop-up screen to show movies on selected Friday or Saturday nights and we may use an occasional DJ.
