Background Information:

City Council reviewed and provided comments regarding the 2021-2022 Strategic Initiatives at its Visioning Session held on January 7-8, 2021. At that session, Council agreed that the progress begun on Multi Modal Transportation meant that priority could be removed, and they added COVID Recovery, resulting in the following strategic priorities:

- Workforce Housing;
- Workforce Development;
- Downtown Vitality;
- Sustainability; and
- COVID Recovery

Staff teams have been developed around each Strategic Initiative. Once Council approves the initiatives, staff will add specific outcomes and timelines for each strategy. These strategies will be used to focus Council and staff priorities for the next 12 to 18 months. Staff will also provide quarterly updates to Council regarding progress for each initiative.
