Background Information:

The request is associated with the Mystic Canyon development which includes 127 single-family lots. In 2018, the applicant was granted a zoning change from FD to SF-6 for 56.6 acres of the surrounding property. While the developer also had the subject property under contact, it was not included with the application materials for the original zoning change.

Council Committee, Board/Commission Action:

At their April 28 meeting, the Planning & Zoning Commission voted 6-0 in favor of this request.
